

Call for Proposal 2024 Opioid Summit

Submission Deadline: Wednesday, May 1, 2024

The New Jersey Department of Human Services, Division of Mental Health and Addiction Services (DMHAS) is holding its fifth annual Opioid Summit to address the stigma and misinformation surrounding Opioid Use Disorder (OUD) and to enhance the understanding of harm reduction, prevention, treatment and recovery options. The event will be held on Wednesday, September 18, 2024 through a virtual platform. DMHAS will collaborate among state departments, community partners, harm reduction, prevention, treatment and recovery support providers, as well as other healthcare professionals to ensure a diverse and successful event. The Opioid Summit will feature local and national experts and voices who will contribute in sharing innovative strategies to address the current crisis.

Call for Proposal

The Summit aims to provide various stakeholders the opportunity to participate in panels and breakout sessions that assist individuals with navigating addiction and recovery pathways.

DMHAS is seeking proposals from clinicians, peers, recovery specialists, medical professionals, criminal justice professionals, researchers and other stakeholders who have experience in opioid use disorder subject matter to share innovative approaches to harm reduction, prevention, treatment, the recovery process, stigma and integrative care coordination. We invite all interested individuals to submit a proposal.

Eligibility & Criteria

Behavioral health, addiction, harm reduction, medical, criminal justice professionals, law enforcement, community partners, peers, and stakeholders are invited to submit a proposal that will be assessed based on the following criteria, including but not limited to:

- Emerging drug trends and clinical impacts
- Medications for Opioid Use Disorder (MOUD)
- Current best practices for medication dosing
- Substance use prevention (Evidence-based prevention strategies)
- Mental Health and SUD: Co-Occurring Disorders
- Harm Reduction Strategies
- Maternal Health
- Criminal Justice – Recovery Court; MOUD in Jails
- Vulnerable populations (Older Adults, LGBTQIA+, Veterans)
- Recovery Support Services
- Contingency Management
- Emergency Department response to the Opioid Epidemic

All accepted proposals should include a description and the overall clarity of the proposal as well as the learning objectives and goals. All individual presentations must be no more than 35 minutes in length.
