DEPARTMENT OF HEALTH

Notwithstanding the provisions of P.L.2005, c.237 or any other law or regulation to the contrary, \$32,000,000 from the surcharge on each general hospital and each specialty heart hospital is appropriated to fund federally qualified health centers. Any unexpended balance at the end of the preceding fiscal year in the Health Care Subsidy Fund received through the hospital and other health care initiatives account during the preceding fiscal year is appropriated for payments to federally qualified health centers.

Receipts from licenses, permits, fines, penalties, and fees collected by the Department of Health, in excess of those anticipated, are appropriated, subject to a plan prepared by the department and approved by the Director of the Division of Budget and Accounting.

Notwithstanding the provisions of section 7 of P.L.1992, c.160 (C.26:2H-18.57) or any law or regulation to the contrary, the first \$1,200,000 in per adjusted admission charge assessment revenues, attributable to \$10 per adjusted admission charge assessments made by the Department of Health, shall be anticipated as revenue in the General Fund available for health-related purposes. Furthermore, the remaining revenue attributable to this fee shall be available to carry out the provisions of section 7 of P.L.1992, c.160 (C.26:2H-18.57), as determined by the Commissioner of Health, and subject to the approval of the Director of the Division of Budget and Accounting.

Notwithstanding the provisions of any law or regulation to the contrary, the State Treasurer shall transfer to the Health Care Subsidy Fund, established pursuant to section 8 of P.L.1992, c.160 (C.26:2H-18.58), only those additional revenues generated from third party liability recoveries, excluding NJ FamilyCare, by the State arising from a review by the Director of the Division of Budget and Accounting of hospital payments reimbursed from the Health Care Subsidy Fund with service dates that are after the date of enactment of P.L.1996, c.29.

Any change in program eligibility criteria and increases in the types of services or rates paid for services to or on behalf of clients for all programs under the purview of the Department of Health, not mandated by federal law, first shall be approved by the Director of the Division of Budget and Accounting.

Notwithstanding the provisions of any law or regulation to the contrary, fees, fines, penalties and assessments owed to the Department of Health shall be offset against payments due and owing from other appropriated funds.

In addition to the amount hereinabove appropriated, receipts from the federal Medicaid (Title XIX) program for health services-related programs throughout the Department of Health are appropriated for the same purpose, subject to the approval of the Director of the Division of Budget and Accounting.

7700-150-088070-60 23-495-054-7700-001 7700-495-088070-60 Notwithstanding the provisions of R.S.30:4-78, or any law or regulation to the contrary, the State share of payments from the Support of Patients in County Psychiatric Hospitals account to the several county psychiatric facilities on behalf of the reasonable cost of maintenance of patients deemed to be county indigents shall be at the rate of 125 percent of the rate established by the Commissioner of Human Services, in consultation with the Commissioner of Health, for the period July 1 to December 31 and at the rate of 45 percent of the rate established by the Commissioner of Human Services, in consultation with the Commissioner of Health, for the period January 1 to June 30 such that the total amount to be paid by the State on behalf of county indigent patients for the calendar year shall not exceed 85 percent of the total reasonable per capita cost; and further provided that the rate at which the State will reimburse the county psychiatric hospitals shall not exceed 100 percent of the per capita rate at which each county pays to the State for the reasonable cost of maintenance and clothing of each patient residing in a State psychiatric facility, excluding the depreciation, interest and carry-forward adjustment components of this rate, and including the depreciation, interest, and carry-forward adjustment components of each individual county psychiatric hospital's rate established for the period January 1 to December 31 by the Commissioner of Human Services in consultation with the Commissioner of Health. The initial determination of whether a county hospital rate exceeds the per capita rate that counties pay to the State on behalf of applicable patients residing in a State psychiatric facility will be based on a comparison of estimated cost used to set reimbursement rates for the upcoming calendar year. A second comparison of the actual per diem costs of the county psychiatric hospital and State psychiatric hospitals will be completed after actual cost reports for the period are available including an inflationary adjustment for the six-month difference in fiscal reporting periods between State and county hospitals. The county hospital carry-forward adjustment to be included in rates paid by the State will exclude costs found to exceed 100 percent of the actual cost rate of the State psychiatric facilities.

Notwithstanding the provisions of any law or regulation to the contrary, the amount hereinabove appropriated for Support of Patients in County Psychiatric Hospitals is conditioned upon the following provision: payments to county psychiatric hospitals will only be made after receipt of their claims by the Division of Mental Health and Addiction Services. County psychiatric hospitals shall submit such claims no less frequently than quarterly and within 15 days of the close of each quarter.

7700-150-088070-60 23-495-054-7700-001 7700-495-088070-60 With the exception of all past, present, and future revenues representing federal financial participation received by the State from the United States that is based on payments to hospitals that serve a disproportionate share of low-income patients, which shall be retained by the State, the sharing of revenues received to defray the State Aid appropriation for the costs of maintaining patients in State and county psychiatric hospitals shall be based on the same percent as costs are shared between the State and counties.

7700-150-088070-60 23-495-054-7700-001 7700-495-088070-60 The amount hereinabove appropriated for State Aid reimbursement payments for maintenance of patients in county psychiatric facilities shall be limited to inpatient services only, except that such reimbursement shall be paid to a county for outpatient and partial hospitalization services as defined by the Department of Human Services, if outpatient and/or partial hospitalization services had been previously provided at the county psychiatric facility prior to January 1, 1998. These outpatient and partial hospitalization payments shall not exceed the amount of State Aid funds paid to reimburse outpatient and partial hospitalization services provided during calendar year 1997. In addition, any revision or expansion to the number of inpatient beds or inpatient services provided at such hospitals which will have a material impact on the amount of State Aid payments made for such services, must first be approved by the Department of Human Services before such change is implemented.

7700-150-088070-60 23-495-054-7700-001 7700-495-088070-60 The amount hereinabove appropriated for the Division of Mental Health and Addiction Services for State facility operations and the amount appropriated as State Aid for the costs of county facility operations are first charged to the federal Disproportionate Share Hospital (DSH) reimbursements anticipated as Medicaid uncompensated care. Accordingly, DSH revenues earned by the State related to services provided by county psychiatric hospitals which are supported through this State Aid appropriation shall be considered as the first source supporting the State Aid appropriation.

7700-150-088070-60 23-495-054-7700-001 7700-495-088070-60 In addition to the amounts hereinabove appropriated for the Support of Patients in County Psychiatric Hospitals, in the event that the Assistant Commissioner of the Division of Mental Health and Addiction Services determines that, in order to provide the least restrictive setting appropriate, a patient should be admitted to a county psychiatric hospital in a county other than the one in which the patient is domiciled rather than to a State psychiatric hospital, there are hereby appropriated such additional amounts as may be required, as determined by the Assistant Commissioner to reimburse a county for the extra costs, if any, which were incurred in connection with the care of such patient in a county psychiatric hospital which exceeded the cost of care which would have been incurred had the patient been placed in a State psychiatric hospital, subject to the approval of the Director of the Division of Budget and Accounting.

7700-150-088070-60 23-495-054-7700-001 7700-495-088070-60 The amount hereinabove appropriated for Support of Patients in County Psychiatric Hospitals is conditioned upon the following provisions: County psychiatric hospitals shall: (1) enroll and continue to maintain enrollment as providers in the State's NJ FamilyCare program; (2) complete or pursue in good faith the completion of eligibility applications for patients who could be NJ FamilyCare eligible; (3) bill the NJ FamilyCare program for all applicable services; and (4) neither admit nor discharge patients based upon NJ FamilyCare eligibility.

The State appropriation for the State's developmental centers is based on ICF/IDD revenues of \$246,905,000, provided that if the ICF/IDD revenues exceed \$246,905,000, an amount equal to the excess ICF/IDD revenues may be deducted from the State appropriation for the developmental centers, subject to the approval of the Director of the Division of Budget and Accounting.

In order to permit flexibility in the handling of appropriations and ensure timely payments to service providers, funds may be transferred to and from the various items of appropriation in the Residential Care and Habilitation Services and Administration and Support Services program classifications within the developmental centers accounts, subject to the approval of the Director of the Division of Budget and Accounting.

In addition to the amount hereinabove appropriated for Operation and Support of Educational Institutions of the Division of Developmental Disabilities, such other amounts provided in Inter-Departmental accounts for Employee Benefits, as the Director of the Division of Budget and Accounting shall determine, are considered as appropriated on behalf of the developmental centers and are available for matching federal funds.

Notwithstanding the provisions of any law or regulation to the contrary, the amounts hereinabove appropriated for the Outcomes-Based Allocation program in each of the senior public institutions of higher education shall be allocated and distributed to eligible senior public institutions based on a funding rationale determined by the Secretary of Higher Education, in consultation with the presidents of senior public institutions. The funding shall be based upon the following criteria along with any other requirements the Secretary determines to be appropriate in order to advance equity and improve student outcomes, subject to the approval of the Director of the Division of Budget and Accounting: (1) the total number of degrees awarded by the institution, (2) the number of degrees awarded by the institution to individuals from underrepresented ethnic and racial minority groups, (3) the number of students at the institution with adjusted gross income, as such term is defined in section 1 of P.L.2021, c.26 (C.18A:71B-111), between \$0 and \$65,000, (4) degrees awarded to students with adjusted gross income between \$0 and \$65,000, (5) degrees awarded to students who transferred to the institution, (6) degrees awarded in the STEM and healthcare fields, and (7) doctoral degrees awarded; provided further, however, that institutions receiving awards shall be required to: (a) adopt and publicly offer a net price guarantee to New Jersey resident full-time undergraduate students in the fall of 2022 and subsequent academic years during each such student's third and fourth years of enrollment at the institution, as years three and four are defined by the Secretary of Higher Education, that ensures that each such student with a family adjusted gross income between \$0 and \$65,000 will receive enough financial aid from a combination of State, federal, institutional, and other grants or scholarships to eliminate the student's net cost of tuition and mandatory fees, and ensures that each such student with a family adjusted gross income between \$65,001 and \$80,000 will receive enough financial aid from a combination of State, federal, institutional, and other grants or scholarships to pay a remaining net price of no more than \$7,500 in tuition and mandatory fees; (b) implement institutional aid maintenance of effort provisions by calculating the aggregate amount of institutional financial aid awarded in academic year 2020-2021 to students in four adjusted gross income range and awarding per-student amounts of institutional financial aid to students in academic years 2022-2023 and 2023-2024 that are each at least within 5 percent of the per-student amounts of institutional financial aid the institution awarded to each adjusted gross income range of such students in academic year 2020-2021; (c) share program-level spending information to assist in the distribution of future funding; and (d) participate in good faith discussions led by the Secretary to improve future distribution of funding to institutions consistent with State priorities, subject to the approval of the Director of the Division of Budget and Accounting. Each four-year institution shall report to the Secretary of Higher Education and the Higher Education Student Assistance Authority, at an individual student unit record level, the amount of federal, State, and institutional financial aid granted to each undergraduate student in academic year 2020-2021 and each subsequent academic semester according to the schedule determined by the Secretary. An institution receiving funds through the Outcomes-Based Allocation program shall submit to the Secretary of Higher Education documentation of the institution's academic year 2022-23 costs to implement the net price guarantees as described in subsection (a) of the sentence above and the institution's compliance with the maintenance of effort requirement for academic year 2022-23 as described in subsection (b) of the sentence above. For an institution that the Secretary has determined to be in compliance with the maintenance of effort requirement, the Secretary may allocate Garden State Guarantee implementation funds to assist the institution in providing the net price guarantees described in subsection (a) of the sentence above, subject to the approval of the Director of the Division of Budget and Accounting, if the institution's documented implementation costs exceed the sum of the institution's Outcomes-Based Allocation funding for fiscal year 2022 and 2023 that is in support of the Garden State Guarantee. In addition to the amounts hereinabove appropriated for the Outcomes-Based Allocation program in each of the senior public institutions of higher education, there are appropriated such additional amounts as are determined to be necessary by the Secretary for Garden State Guarantee implementation, subject to the approval of the Director of the Division of Budget and Accounting.

Notwithstanding the provisions of any law or regulation to the contrary, in addition to the amounts hereinabove appropriated for Higher Educational Services – Institutional Support, there is appropriated an amount not to exceed \$1,000,000 for institutions participating in the New Jersey Civic Information Consortium to advance research and innovation in the field of media and technology to benefit the State, subject to the approval of the Director of the Division of Budget and Accounting.
