

SPECIAL SERVICE CHARGE 14-POINT ANALYSIS

Whenever a records custodian asserts that fulfilling an OPRA records request requires an “extraordinary” expenditure of time and effort, a special service charge may be warranted pursuant to N.J.S.A. 47:1A-5.c. In this regard, OPRA provides:

“Whenever the nature, format, manner of collation, or volume of a government record embodied in the form of printed matter to be inspected, examined, or copied pursuant to this section is such that the record cannot be reproduced by ordinary document copying equipment in ordinary business size or involves *an extraordinary expenditure of time and effort to accommodate the request*, the public agency may charge, in addition to the actual cost of duplicating the record, a *special service charge that shall be reasonable and shall be based upon the actual direct cost of providing the copy or copies ...*” (Emphasis added.) N.J.S.A. 47:1A-5.c.

For the Government Records Council to determine (1) whether a special service charge is warranted and (2) whether the special service charge the custodian assessed is reasonable, the Custodian must provide answers to the following questions:

1. What records are requested?
2. Give a general nature description and number of the government records requested.
3. What is the period of time over which the records extend?
4. Are some or all of the records sought archived or in storage?
5. What is the size of the agency (total number of employees)?
6. What is the number of employees available to accommodate the records request?
7. To what extent do the requested records have to be redacted?
8. What is the level of personnel, hourly rate and number of hours, if any, required for a government employee to locate, retrieve and assemble the records for copying?

9. What is the level of personnel, hourly rate and number of hours, if any, required for a government employee to monitor the inspection or examination of the records requested?
10. What is the level of personnel, hourly rate and number of hours, if any, required for a government employee to return records to their original storage place?
11. What is the reason that the agency employed, or intends to employ, the particular level of personnel to accommodate the records request?
12. Who (name and job title) in the agency will perform the work associated with the records request and that person's hourly rate?
13. What is the availability of information technology and copying capabilities?
14. Give a detailed estimate categorizing the hours needed to identify, copy or prepare for inspection, produce and return the requested documents.
