

RESOLUTION OF THE NEW JERSEY PINELANDS COMMISSION

NO. PC4-14- 40

TITLE: Approving With Conditions Applications for Public Development (Application Numbers 1983-5837.057, 1984-0314.016, 2010-0047.002 & 2014-0112.001)

Commissioner Earlen moves and Commissioner Galletta seconds the motion that:

WHEREAS, the Pinelands Commission has reviewed the Public Development Application Report and the recommendation of the Executive Director that the following applications for Public Development be approved with conditions:

1983-5837.057

South Jersey Transportation Authority
Egg Harbor Township
Pinelands Military/Federal Installation Area
Improvements to an existing aircraft taxiway at the Atlantic City International Airport
Date of Report: November 24, 2014;

1984-0314.016

Egg Harbor Township
Egg Harbor Township
Pinelands Regional Growth Area
Construction of a 2,123 square foot partially enclosed deck at an existing golf course clubhouse
Date of Report: November 24, 2014;

2010-0047.002

Egg Harbor City
City of Egg Harbor City
Pinelands Town
Installation of 2,315 linear feet of sidewalk, four feet in width and 2,906 linear feet of curbing within the Havana Avenue and Claudius Street rights-of-way and associated drainage improvements on Block 614, Lot 1 and Block 532, Lot 16
Date of Report: November 24, 2014; and

2014-0112.001

Medford Township
Medford Township
Pinelands Regional Growth Area
Installation of 355 linear feet of guiderail within the Chapel Avenue right-of-way
Date of Report: November 24, 2014.

WHEREAS, no request for a hearing before the Office of Administrative Law concerning the Executive Director's recommendation has been received for any of these applications; and

WHEREAS, the Pinelands Commission hereby adopts the Conclusion of the Executive Director for each of the proposed developments; and

WHEREAS, pursuant to N.J.S.A. 13A-5h, no action authorized by the Commission shall have force or effect until ten (10) days, Saturdays, Sundays and public holidays excepted, after a copy of the minutes of the meeting of the Commission has been delivered to the Governor for review, unless prior to expiration of the review period and Governor shall approve same, in which case the action shall become effective upon such approval; and

WHEREAS, the Pinelands Commission hereby determines that each of the proposed public developments conform to the standards for approving an application for public development set forth in N.J.A.C. 7:50-4.57 if the conditions recommended by the Executive Director are imposed.

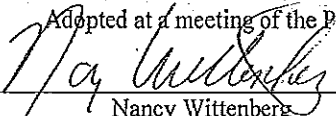

NOW, THEREFORE BE IT RESOLVED that the applications for public development are hereby approved subject to the conditions recommended by the Executive Director.

Re: Application # 1983-5837.057
 Atlantic City International Airport
 Block 101, Lot 9
 Egg Harbor Township

Dear Mr. Kroll:

The Commission staff has completed its review of this application for improvements to an existing aircraft taxiway at the Atlantic City International Airport. Enclosed is a copy of a Public Development Application Report. On behalf of the Commission's Executive Director, I am recommending that the Pinelands Commission approve the application with conditions at its December 12, 2014 meeting.

Any interested party may appeal this recommendation in accordance with the appeal procedure attached to this document. If no appeal is received, the Pinelands Commission may either approve the recommendation of the Executive Director or refer the application to the New Jersey Office of Administrative Law for a hearing.

Prior to any development, the applicant shall obtain any other necessary permits and approvals.

Sincerely

Charles M. Horner, P.P.
 Director of Regulatory Programs

PUBLIC DEVELOPMENT APPLICATION REPORT

November 24, 2014

Tim Kroll
South Jersey Transportation Authority
P.O. Box 351
Hammonton, NJ 08037

Application No.: 1983-5837.057

Location: Atlantic City International Airport
Block 101, Lot 9
Egg Harbor Township

This application proposes improvements to an existing aircraft taxiway at the Atlantic City International Airport on the above referenced 2,381.05 acre lot in Egg Harbor Township.

Taxiway K is an existing 300 foot long by 105 foot wide aircraft taxiway. The applicant proposes to widen the taxiway to an average width of 130 feet to meet current Federal Aviation Administration safety requirements.

STANDARDS

The Commission staff has reviewed the proposed development for consistency with all standards of the Pinelands Comprehensive Management Plan (CMP). The following reviews the CMP standards that are relevant to this application:

Land Use (N.J.A.C. 7:50-5.29(a))

The project is located in a Military and Federal Installation Area. The proposed development is a permitted land use in a Military and Federal Installation Area.

Vegetation Management Standards (N.J.A.C. 7:50-6.23 & 6.26)

The proposed development will be located over existing impervious surfaces and within maintained grassed areas. The Landscaping and Revegetation guidelines of the CMP recommend the use of grasses that are tolerant of droughty, nutrient poor conditions. To stabilize disturbed areas, the applicant proposes to utilize a seed mixture which meets that recommendation.

The proposed clearing and soil disturbance is limited to that which is necessary to accommodate the proposed development.

Stormwater Management Standards (N.J.A.C. 7:50-6.84(a)6)

The applicant has demonstrated that the proposed development is consistent with the CMP stormwater management standards. The applicant will be constructing a stormwater infiltration basin.

PUBLIC COMMENT

The applicant has provided the required public notice. Newspaper public notice was completed on July 23, 2014. The application was designated as complete on the Commission's website on November 3, 2014. The Commission's public comment period closed on November 14, 2014. No public comment was submitted to the Commission regarding this application.

CONDITIONS

1. Except as modified by the below conditions, the proposed development shall adhere to the plan, consisting of 15 sheets, prepared by Michael Baker Jr., Inc. and dated as follows:

Sheet 1 - August 29, 2014

Sheets 2-8, 11-13 & 15 - June 13, 2014

Sheet 9 - June 13, 2014; revised to October 31, 2014

Sheets 10 & 14 - June 13, 2014; revised to July 2, 2014

2. Disposal of any construction debris or excess fill may only occur at an appropriately licensed facility.
3. Any proposed revegetation shall adhere to the "Vegetation" standards of the CMP. Where appropriate, the applicant is encouraged to utilize the following Pinelands native grasses for revegetation: Switch grass, Little bluestem and Broom-sedge.
4. Prior to any development, the applicant shall obtain any other necessary permits and approvals.

CONCLUSION

As the proposed development conforms to the standards set forth in N.J.A.C. 7:50-4.57, it is recommended that the Pinelands Commission **APPROVE** the proposed development subject to the above conditions.

PINELANDS COMMISSION
APPEAL PROCEDURE

The Pinelands Comprehensive Management Plan (N.J.A.C. 7:50-4.91) provides an interested party the right to appeal any determination made the by Executive Director to the Commission in accordance with N.J.A.C. 7:50-4.91. An interested party is someone who has a specific property interest sufficient to require a hearing on constitutional or statutory grounds. Only appeal requests submitted by someone meeting the definition of an interested party will be transmitted to the New Jersey Office of Administrative Law for a hearing. Any such appeal must be made in writing to the Commission within eighteen days of the date of the Executive Director's determination and must include the following information:

1. the name and address of the person requesting the appeal;
2. the application number;
3. the date on which the determination to be appealed was made;
4. a brief statement of the basis for the appeal; and
5. a certificate of service (a notarized statement) indicating that service of the notice has been made, by certified mail, on the clerk of the county, municipal planning board and environmental commission with jurisdiction over the property which is subject of this decision.

Within 15 days following receipt of a notice of valid appeal, the Executive Director shall initiate the procedures for assignment of an Administrative Law Judge to preside at the hearing pursuant to the Administrative Procedures Act, N.J.S.A. 52:14B-1 et seq., and the procedures established by the Office of Administrative Law. The time, date and location of such hearing shall be designated by the Office of Administrative Law.

PUBLIC DEVELOPMENT APPLICATION REPORT

November 24, 2014

James McCullough, Mayor
Egg Harbor Township
3515 Bargaintown Road
Egg Harbor Township, NJ 08234

Application No.: 1984-0314.016

Location: McCullough's Emerald Links Golf Course
Block 6201, Lot 66
Egg Harbor Township

This application proposes the construction of a 2,123 square foot deck at an existing clubhouse at the McCullough's Emerald Links Golf Course on the above referenced 29.91 acre lot in Egg Harbor Township.

On January 12, 2001, the Commission approved the development of an 18 hole municipal golf course (App. No. 1984-0312.011) on a parcel that included the above referenced lot. That approval included the construction of a 5,000 square foot clubhouse. The applicant constructed a 2,123 square foot partially enclosed deck to provide dining area for the clubhouse. That development occurred without application to the Commission in violation of the application requirement of the Egg Harbor Township land use ordinance and the Pinelands Comprehensive Management Plan (CMP). This application addresses and resolves that violation.

STANDARDS

The Commission staff has reviewed the proposed development for consistency with all standards of the CMP. The following reviews the CMP standards that are relevant to this application:

Land Use (N.J.A.C. 7:50-5.28(a))

The lot is located in a Pinelands Regional Growth Area. The proposed development is a permitted land use in a Pinelands Regional Growth Area.

Vegetation Management Standards (N.J.A.C. 7:50-6.23 & 6.26)

The proposed development will be located within an existing maintained grassed area. No revegetation is proposed.

The proposed clearing and soil disturbance is limited to that which is necessary to accommodate the proposed development.

PUBLIC COMMENT

The CMP defines the proposed development as "minor" development. The CMP does not require public notice for minor public development applications. The application was designated as complete on the Commission's website on October 21, 2014. The Commission's public comment period closed on November 14, 2014. The Pinelands Commission received one oral public comment regarding the application.

Public Comment: The commentator noted that the proposed development was completed by the Township without approval from the Commission. The commentator indicated that municipal officials should be held to a higher standard than other applicants and that there should be consequences for the Township violating the Commission's application requirements.

Staff Response: The staff appreciates and understands the commentator's concerns.

CONDITIONS

1. Except as modified by the below conditions, the proposed development shall adhere to the plan, prepared by Mott Associates, LLC and dated October 6, 2014.
2. Disposal of any construction debris or excess fill may only occur at an appropriately licensed facility.
3. Prior to any development, the applicant shall obtain any other necessary permits and approvals.
4. The Landscaping and Revegetation guidelines of the CMP recommend the use of grasses that are tolerant of droughty, nutrient poor conditions. If any revegetation is proposed, where appropriate, the applicant is encouraged to utilize the following Pinelands native grasses for revegetation: Switch grass, Little bluestem and Broom-sedge.

CONCLUSION

As the proposed development conforms to the standards set forth in N.J.A.C. 7:50-4.57, it is recommended that the Pinelands Commission **APPROVE** the proposed development subject to the above conditions.

Re: Application # 2010-0047.002
 Havana Avenue & Claudius Street
 Block 614, Lot 1
 Block 532, Lot 16
 City of Egg Harbor City

Dear Mayor Jampetti:

The Commission staff has completed its review of this application for the installation of 2,315 linear feet of four foot wide sidewalk and 2,906 linear feet of curbing within the Havana Avenue and Claudius Street rights-of-way. This application also proposes certain stormwater piping and inlet improvements on Block 614, Lot 1 and Block 532, Lot 16, immediately adjacent to the existing intersection of Havana Avenue and Claudius Street, to address uncontrolled road flooding at that intersection. Enclosed is a copy of a Public Development Application Report. On behalf of the Commission's Executive Director, I am recommending that the Pinelands Commission approve the application with conditions at its December 12, 2014 meeting.

Any interested party may appeal this recommendation in accordance with the appeal procedure attached to this document. If no appeal is received, the Pinelands Commission may either approve the recommendation of the Executive Director or refer the application to the New Jersey Office of Administrative Law for a hearing.

Prior to any development, the applicant shall obtain any other necessary permits and approvals.

PUBLIC DEVELOPMENT APPLICATION REPORT

November 24, 2014

Lisa Jampetti, Mayor
City of Egg Harbor City
500 London Avenue
Egg Harbor City, NJ 08215

Application No.: 2010-0047.002

Location: Havana Avenue and Claudius Street
Block 614, Lot 1
Block 532, Lot 16
City of Egg Harbor City

This application proposes the installation of 2,315 linear feet of four foot wide sidewalk and 2,906 linear feet of curbing within the Havana Avenue right-of-way and the Claudius Street right-of-way. The improvements to Havana Avenue are located between Diesterweg and Campe Streets. The improvements to Claudius Street are located between Havana and San Francisco Avenues. This application also proposes certain stormwater piping and inlet improvements on Block 614, Lot 1 and Block 532, Lot 16, immediately adjacent to the existing intersection of Havana Avenue and Claudius Street, to address uncontrolled road flooding at that intersection.

STANDARDS

The Commission staff has reviewed the proposed development for consistency with all standards of the Pinelands Comprehensive Management Plan (CMP). The following reviews the CMP standards that are relevant to this application:

Land Use (N.J.A.C. 7:50-5.27)

The proposed development is located in the Pinelands Town of Egg Harbor City. The proposed development is a permitted land use in a Pinelands Town.

Wetlands Standards (N.J.A.C. 7:50-6.13)

There are wetlands located within 300 feet of the proposed development. The CMP requires up to a 300 foot buffer to wetlands. The proposed sidewalks, curbing and stormwater piping (linear improvements) are a permitted use in the required buffer to wetlands provided the applicant demonstrates that certain conditions are met. The applicant has demonstrated that there is no feasible alternative to the proposed

development that does not involve development in the required buffer to wetlands or that will result in a less significant adverse impact to the required buffer to wetlands. In addition, the proposed development will not result in substantial impairment of the resources of the Pinelands. With the conditions below, all practical measures are being taken to mitigate the impact on the required buffer to wetlands. The applicant has indicated that the proposed improvements are necessary for traffic and pedestrian safety.

Stormwater piping and inlet improvements are proposed at the intersection of Havana Avenue and Claudius Street. These drainage improvements are intended to resolve a flooding issue that arises from uncontrolled road flooding at the concerned intersection. Currently, stormwater overflows from a wetland located in the northeast quadrant of the concerned intersection, crosses over the intersection and then discharges into another wetland located in the southwest quadrant of the intersection. As required by the CMP, the proposed stormwater piping improvements will not result in either an increase in the rate or volume of runoff directed into wetlands.

Vegetation Management Standards (N.J.A.C. 7:50-6.23 & 6.26)

The proposed development will be located in existing maintained grassed areas. The proposed clearing and soil disturbance is limited to that which is necessary to accommodate the proposed development.

The Landscaping and Revegetation guidelines of the CMP recommend the use of grasses that are tolerant of droughty, nutrient poor conditions. To stabilize disturbed areas, the applicant proposes to utilize a seed mixture which meets that recommendation.

Stormwater Management Standards (N.J.A.C.7:50-6.84(a)6)

The applicant has represented that the proposed curbing and sidewalk cannot meet the CMP stormwater management standards at the location of the proposed development and that those standards would be more effectively achieved through alternative stormwater management measures. The CMP (N.J.A.C. 7:50-6.84(a)6.vi(4)) provides that if an applicant demonstrates that for a specific project the stormwater management standards cannot be met or those standards would be more effectively achieved through alternative measures, the Commission may grant an exception to the CMP stormwater management standards. To grant such an exception, the Commission must find that the applicant proposes alternative stormwater measures elsewhere in the Pinelands Area and within the same drainage area and that the proposed stormwater measures are sufficient to warrant granting the exception.

The applicant proposes to manage stormwater for the proposed sidewalk and curbing improvements in a stormwater management basin proposed in a separate application to the Commission (App. No. 2010-0047.005). That application, which proposes the improvement of Diesterweg Street between New Orleans and Bremen Avenues in Egg Harbor City, is currently under review by the Commission staff. The alternative stormwater measures proposed in App. No 2010-0047.005 are located in the Pinelands Area and within the same drainage area as App. No. 2010-0047.002. The proposed stormwater management measures in App. No 2010-0047.005 are located approximately 900 linear feet from the proposed sidewalk and curbing proposed in App. No. 2010-0047.002. The alternative stormwater management measures proposed in App. No 2010-0047.005 are sufficient to warrant granting the exception for App. No 2010-0047.002.

PUBLIC COMMENT

This applicant has provided the requisite public notices. Newspaper public notice was completed on October 30, 2014. Public notice to required land owners within 200 feet of the above referenced lot was completed on October 31, 2014. The application was designated as complete on the Commission's website on November 3, 2014. The Commission's public comment period closed on November 14, 2014. No public comment was submitted to the Commission regarding this application.

CONDITIONS

1. Except as modified by the below conditions, the proposed development shall adhere to the plan, consisting of 9 sheets, prepared by Remington, Vernick & Walberg Engineers, all sheets dated May 14, 2014 and revised to October 10, 2014.
2. Disposal of any construction debris or excess fill may only occur at an appropriately licensed facility.
3. Any proposed revegetation shall adhere to the "Vegetation" standards of the CMP. Where appropriate, the applicant is encouraged to utilize the following Pinelands native grasses for revegetation: Switch grass, Little bluestem and Broom-sedge.
4. Prior to any development, the applicant shall obtain any other necessary permits and approvals.
5. Appropriate measures shall be taken during construction to preclude sedimentation from entering wetlands and shall be maintained in place until all development has been completed and the area has been stabilized.
6. The stormwater management basin proposed in App. No. 2010-0047.005 (improvements to Diesterweg Street) shall be constructed within 6 months of initiation of construction of the curbing and sidewalk proposed in App. No. 2010-0047.002.

CONCLUSION

As the proposed development conforms to the standards set forth in N.J.A.C. 7:50-4.57, it is recommended that the Pinelands Commission **APPROVE** the proposed development subject to the above conditions.

PINELANDS COMMISSION APPEAL PROCEDURE

The Pinelands Comprehensive Management Plan (N.J.A.C. 7:50-4.91) provides an interested party the right to appeal any determination made by the Executive Director to the Commission in accordance with N.J.A.C. 7:50-4.91. An interested party is someone who has a specific property interest sufficient to require a hearing on constitutional or statutory grounds. Only appeal requests submitted by someone meeting the definition of an interested party will be transmitted to the New Jersey Office of Administrative Law for a hearing. Any such appeal must be made in writing to the Commission within eighteen days of the date of the Executive Director's determination and must include the following information:

1. the name and address of the person requesting the appeal;
2. the application number;
3. the date on which the determination to be appealed was made;
4. a brief statement of the basis for the appeal; and
5. a certificate of service (a notarized statement) indicating that service of the notice has been made, by certified mail, on the clerk of the county, municipal planning board and environmental commission with jurisdiction over the property which is subject of this decision.

Within 15 days following receipt of a notice of valid appeal, the Executive Director shall initiate the procedures for assignment of an Administrative Law Judge to preside at the hearing pursuant to the Administrative Procedures Act, N.J.S.A. 52:14B-1 et seq., and the procedures established by the Office of Administrative Law. The time, date and location of such hearing shall be designated by the Office of Administrative Law.

Dear Mr. Schultz:

The Commission staff has completed its review of this application for the installation of 355 linear feet of guiderail within the Chapel Avenue right-of-way. Enclosed is a copy of a Public Development Application Report. On behalf of the Commission's Executive Director, I am recommending that the Pinelands Commission approve the application with conditions at its December 12, 2014 meeting.

Any interested party may appeal this recommendation in accordance with the appeal procedure attached to this document. If no appeal is received, the Pinelands Commission may either approve the recommendation of the Executive Director or refer the application to the New Jersey Office of Administrative Law for a hearing.

Prior to any development, the applicant shall obtain any other necessary permits and approvals.

Sincerely,

Charles M. Horner, P.P.
 Director of Regulatory Programs

PUBLIC DEVELOPMENT APPLICATION REPORT

November 24, 2014

Christopher Schultz
Medford Township
17 North Main Street
Medford, NJ 08055

Application No.: 2014-0112.001

Location: Chapel Avenue
Medford Township

This application proposes the installation of 355 linear feet of guiderail within the Chapel Avenue right-of-way in Medford Township. The guiderail will be installed on both sides of the Chapel Avenue right-of-way, approximately 80 feet south of Branin Road. The applicant has indicated that the proposed guiderail is intended to improve traffic safety.

STANDARDS

The Commission staff has reviewed the proposed development for consistency with all standards of the Pinelands Comprehensive Management Plan (CMP). The following reviews the CMP standards that are relevant to this application:

Land Use (N.J.A.C. 7:50-5.28(a))

The project is located in a Pinelands Regional Growth Area. The proposed development is a permitted use.

Wetlands Standards (N.J.A.C. 7:50-6.13)

There are wetlands located within 300 feet of the proposed development. The CMP requires up to a 300 foot buffer to wetlands. The proposed guiderail (linear improvements) is a permitted use in the required buffer to wetlands provided an applicant demonstrates that certain conditions are met. The applicant has demonstrated that there is no feasible alternative to the proposed development that does not involve development in a required buffer to wetlands or that will result in a less significant adverse impact to the required buffer to wetlands. In addition, the proposed guiderail will not result in substantial impairment of the resources of the Pinelands. With the conditions below, all practical measures are being taken to mitigate the impact on the required buffer to wetlands. The applicant has indicated that the proposed guiderail will improve traffic safety. The applicant has demonstrated that the need for the proposed

guides overrides the importance of protecting the required buffer to wetlands.

Vegetation Management Standards (N.J.A.C. 7:50-6.23 & 6.26)

The proposed development will be located within an existing maintained grassed area. No revegetation is proposed.

The proposed clearing and soil disturbance is limited to that which is necessary to accommodate the proposed development.

PUBLIC COMMENT

The CMP defines the proposed development as "minor" development. The CMP does not require public notice for minor public development applications. The application was designated as complete on the Commission's website on October 23, 2014. The Commission's public comment period closed on November 14, 2014. No public comment was submitted to the Commission regarding this application.

CONDITIONS

1. Except as modified by the below conditions, the proposed development shall adhere to the plan, prepared by Dante Guzzi Engineering Associates, dated October 7, 2014 and revised to October 20, 2014.
2. Disposal of any construction debris or excess fill may only occur at an appropriately licensed facility.
3. Prior to any development, the applicant shall obtain any other necessary permits and approvals.
4. Appropriate measures shall be taken during construction to preclude sedimentation from entering wetlands and shall be maintained in place until all development has been completed and the area has been stabilized.
5. The Landscaping and Revegetation guidelines of the CMP recommend the use of grasses that are tolerant of droughty, nutrient poor conditions. If any revegetation is proposed, where appropriate, the applicant is encouraged to utilize the following Pinelands native grasses for revegetation: Switch grass, Little bluestem and Broom-sedge.

CONCLUSION

As the proposed development conforms to the standards set forth in N.J.A.C. 7:50-4.57, it is recommended that the Pinelands Commission **APPROVE** the proposed development subject to the above conditions.

PINELANDS COMMISSION
APPEAL PROCEDURE

The Pinelands Comprehensive Management Plan (N.J.A.C. 7:50-4.91) provides an interested party the right to appeal any determination made the by Executive Director to the Commission in accordance with N.J.A.C. 7:50-4.91. An interested party is someone who has a specific property interest sufficient to require a hearing on constitutional or statutory grounds. Only appeal requests submitted by someone meeting the definition of an interested party will be transmitted to the New Jersey Office of Administrative Law for a hearing. Any such appeal must be made in writing to the Commission within eighteen days of the date of the Executive Director's determination and must include the following information:

1. the name and address of the person requesting the appeal;
2. the application number;
3. the date on which the determination to be appealed was made;
4. a brief statement of the basis for the appeal; and
5. a certificate of service (a notarized statement) indicating that service of the notice has been made, by certified mail, on the clerk of the county, municipal planning board and environmental commission with jurisdiction over the property which is subject of this decision.

Within 15 days following receipt of a notice of valid appeal, the Executive Director shall initiate the procedures for assignment of an Administrative Law Judge to preside at the hearing pursuant to the Administrative Procedures Act, N.J.S.A. 52:14B-1 et seq., and the procedures established by the Office of Administrative Law. The time, date and location of such hearing shall be designated by the Office of Administrative Law.

RESOLUTION OF THE NEW JERSEY PINELANDS COMMISSION

NO. PC4-14- 41

TITLE: Approving With Conditions Applications for Public Development (Application Numbers 1985-0252.004, 1987-1159.055)

Commissioner Avery moves and Commissioner Earlen seconds the motion that:

WHEREAS, the Pinelands Commission has reviewed the Public Development Application Report and the recommendation of the Executive Director that the following applications for Public Development be approved with conditions:

1985-0252.004
Ocean County
Jackson Township
Pinelands Forest Area
Creation of a 2.21 acre wetland mitigation area
Date of Report: November 24, 2014; and

1987-1159.055
Ocean County
Stafford Township
Pinelands Regional Growth Area
Construction of a 4,725 square foot storage building accessory to the existing Ocean County Recycling Facility
Date of Report: November 24, 2014.

WHEREAS, no request for a hearing before the Office of Administrative Law concerning the Executive Director's recommendation has been received for any of these applications; and

WHEREAS, the Pinelands Commission hereby adopts the Conclusion of the Executive Director for each of the proposed developments; and

WHEREAS, pursuant to N.J.S.A. 13A-5h, no action authorized by the Commission shall have force or effect until ten (10) days, Saturdays, Sundays and public holidays excepted, after a copy of the minutes of the meeting of the Commission has been delivered to the Governor for review, unless prior to expiration of the review period and Governor shall approve same, in which case the action shall become effective upon such approval; and

WHEREAS, the Pinelands Commission hereby determines that each of the proposed public developments conform to the standards for approving an application for public development set forth in N.J.A.C. 7:50-4.57 if the conditions recommended by the Executive Director are imposed.

NOW, THEREFORE BE IT RESOLVED that the applications for public development are hereby approved subject to the conditions recommended by the Executive Director.

Dear Mr. Mulloy:

The Commission staff has completed its review of this application for the creation of a 2.21 acre wetland mitigation area. Enclosed is a copy of a Public Development Application Report. On behalf of the Commission's Executive Director, I am recommending that the Pinelands Commission approve the application with conditions at its December 12, 2014 meeting.

Any interested party may appeal this recommendation in accordance with the appeal procedure attached to this document. If no appeal is received, the Pinelands Commission may either approve the recommendation of the Executive Director or refer the application to the New Jersey Office of Administrative Law for a hearing.

Prior to any development, the applicant shall obtain any other necessary permits and approvals.

PUBLIC DEVELOPMENT APPLICATION REPORT

November 24, 2014

C. Roberts Mulloy, P.E., P.P., C.F.M.
Ocean County Engineer's Office
129 Hooper Avenue
P.O. Box 2191
Toms River, NJ 08754

Application No.: 1985-0252.004

Location: Block 17101, Lot 27
Jackson Township

This application proposes the creation of a 2.21 acre wetland mitigation area on the above referenced 37.87 acre lot in Jackson Township. The lot contains an existing nursery that is used for the cultivation of plants by the Ocean County Department of Parks and Recreation.

The proposed 2.21 acre wetland mitigation area is proposed to be located on 2.21 acres of inactive farmland adjacent to Maple Root Branch. Creation of the wetland mitigation area involves the excavation of two to three feet of soil in an existing early successional field and placement of fiber logs along the banks of Maple Root Branch within the concerned area. The proposed wetland mitigation area will be planted with native Pinelands vegetation to create a forested wetland.

The wetland mitigation area is proposed as a condition of a New Jersey Department of Environmental Protection (NJDEP) issued Individual Freshwater Wetland and Flood Hazard Area permits (DLUR #1511-07-0021.1) for the realignment of a section of Ocean County Route 571. The concerned portion of Ocean County Route 571 is located outside of the Pinelands Area.

The creation of the wetland mitigation area is defined as development by the Pinelands Comprehensive Management Plan (CMP) and requires application to the Commission. The development was undertaken without application to the Commission. This application addresses and resolves that violation.

STANDARDS

The Commission staff has reviewed the proposed development for consistency with all standards of the CMP. The following reviews the CMP standards that are relevant to this application:

Land Use (N.J.A.C. 7:50-5.23(b)9)

The lot is located in a Pinelands Forest Area. The proposed wetlands management is a permitted use in a Forest Area.

Wetlands Standards (N.J.A.C. 7:50-6.10)

Wetlands are located on the lot. No wetlands will be disturbed by the proposed development. The wetlands management standards of the CMP (N.J.A.C. 7:50-6.10(a)) permit the establishment of a characteristic wetland on inactive farmland provided certain conditions, such as protection of threatened and endangered plants and animals, are met. This application has demonstrated that all of the CMP specified conditions for the establishment of a characteristic wetland on inactive farmland have been met.

Vegetation Management Standards (N.J.A.C. 7:50-6.23 & 6.26)

The proposed development will be located on inactive farmland. The applicant proposes to utilize native shrubs and trees to revegetate the proposed wetlands mitigation area.

The proposed clearing and soil disturbance is limited to that which is necessary to accommodate the proposed development.

Cultural Resource Standards (N.J.A.C. 7:50-6.151)

A cultural resource survey was submitted for this application. No cultural resources eligible for Pinelands designation were found within the project area.

PUBLIC COMMENT

The applicant has provided the requisite public notices. Notice to required land owners within 200 feet of the above referenced lot was completed on June 23, 2014. Newspaper notice was completed on June 25, 2014. The application was designated as complete on the Commission's website on October 31, 2014. The Commission's public comment period closed on November 14, 2014. The Pinelands Commission has not received any public comments regarding the application.

CONDITIONS

1. Except as modified by the below conditions, the proposed development shall adhere to the plan, consisting of four sheets (Sheets 76-79), prepared by Stantec Consulting Services, Inc., all sheets dated March 2012.
2. Disposal of any construction debris or excess fill may only occur at an appropriately licensed facility.
3. Any proposed revegetation shall adhere to the "Vegetation" standards of the CMP. Where appropriate, the applicant is encouraged to utilize the following Pinelands native grasses for revegetation: Switch grass, Little bluestem and Broom-sedge.
4. Prior to any development, the applicant shall obtain any other necessary permits and approvals.

5. Appropriate measures shall be taken during construction to preclude sedimentation from entering wetlands and shall be maintained in place until all development has been completed and the area has been stabilized.
6. A copy of the monitoring report required by the NJDEP Freshwater Wetland and Flood Hazard Area Individual Permits shall be submitted to the Commission by December 31st of each full monitoring year for five full growing seasons beginning the year after the mitigation project has been completed.

CONCLUSION

As the proposed development conforms to the standards set forth in N.J.A.C. 7:50-4.57, it is recommended that the Pinelands Commission **APPROVE** the proposed development subject to the above conditions.

PINELANDS COMMISSION APPEAL PROCEDURE

The Pinelands Comprehensive Management Plan (N.J.A.C. 7:50-4.91) provides an interested party the right to appeal any determination made by the Executive Director to the Commission in accordance with N.J.A.C. 7:50-4.91. An interested party is someone who has a specific property interest sufficient to require a hearing on constitutional or statutory grounds. Only appeal requests submitted by someone meeting the definition of an interested party will be transmitted to the New Jersey Office of Administrative Law for a hearing. Any such appeal must be made in writing to the Commission within eighteen days of the date of the Executive Director's determination and must include the following information:

1. the name and address of the person requesting the appeal;
2. the application number;
3. the date on which the determination to be appealed was made;
4. a brief statement of the basis for the appeal; and
5. a certificate of service (a notarized statement) indicating that service of the notice has been made, by certified mail, on the clerk of the county, municipal planning board and environmental commission with jurisdiction over the property which is subject of this decision.

Within 15 days following receipt of a notice of valid appeal, the Executive Director shall initiate the procedures for assignment of an Administrative Law Judge to preside at the hearing pursuant to the Administrative Procedures Act, N.J.S.A. 52:14B-1 et seq., and the procedures established by the Office of Administrative Law. The time, date and location of such hearing shall be designated by the Office of Administrative Law.

PUBLIC DEVELOPMENT APPLICATION REPORT

November 24, 2014

Ernest Kuhlwein, Jr.
Ocean County
129 Hooper Avenue
P.O. Box 2191
Toms River, NJ 08754

Application No.: 1987-1159.055

Location: Ocean County Recycling Facility
Block 25, Lot 37
Stafford Township

This application proposes the construction of a 4,725 square foot storage building accessory to the existing Ocean County Recycling Facility on the above referenced 28.01 acre lot.

STANDARDS

The Commission staff has reviewed the proposed development for consistency with all standards of the Pinelands Comprehensive Management Plan (CMP). The following reviews the CMP standards that are relevant to this application:

Land Use (N.J.A.C. 7:50-5.28(a))

The proposed development is located in a Pinelands Regional Growth Area. The proposed development is a permitted land use in a Pinelands Regional Growth Area.

Vegetation Management Standards (N.J.A.C. 7:50-6.23 & 6.26)

The proposed development will be located within an existing cleared area. No revegetation is proposed.

The proposed clearing and soil disturbance is limited to that which is necessary to accommodate the proposed development.

PUBLIC COMMENT

The CMP defines the proposed development as "minor" development. The CMP does not require public notice for minor public development applications. The application was designated as complete on the Commission's website on October 23, 2014. The Commission's public comment period closed on November 14, 2014. No public comment was submitted to the Commission regarding this application.

CONDITIONS

1. Except as modified by the below conditions, the proposed development shall adhere to the plan, consisting of nine sheets, prepared by Hatch Mott MacDonald, and dated as follows:

Sheet 1: dated September 2014;
Sheets 2-5: dated September 11, 2014; and
Sheets 6-9: dated November 19, 2014.
2. Disposal of any construction debris or excess fill may only occur at an appropriately licensed facility.
3. The Landscaping and Revegetation guidelines of the CMP recommend the use of grasses that are tolerant of droughty, nutrient poor conditions. If any revegetation is proposed, where appropriate, the applicant is encouraged to utilize the following Pinelands native grasses for revegetation: Switch grass, Little bluestem and Broom-sedge.
4. Prior to any development, the applicant shall obtain any other necessary permits and approvals.

CONCLUSION

As the proposed development conforms to the standards set forth in N.J.A.C. 7:50-4.57, it is recommended that the Pinelands Commission **APPROVE** the proposed development subject to the above conditions.

PINELANDS COMMISSION
APPEAL PROCEDURE

The Pinelands Comprehensive Management Plan (N.J.A.C. 7:50-4.91) provides an interested party the right to appeal any determination made the by Executive Director to the Commission in accordance with N.J.A.C. 7:50-4.91. An interested party is someone who has a specific property interest sufficient to require a hearing on constitutional or statutory grounds. Only appeal requests submitted by someone meeting the definition of an interested party will be transmitted to the New Jersey Office of Administrative Law for a hearing. Any such appeal must be made in writing to the Commission within eighteen days of the date of the Executive Director's determination and must include the following information:

1. the name and address of the person requesting the appeal;
2. the application number;
3. the date on which the determination to be appealed was made;
4. a brief statement of the basis for the appeal; and
5. a certificate of service (a notarized statement) indicating that service of the notice has been made, by certified mail, on the clerk of the county, municipal planning board and environmental commission with jurisdiction over the property which is subject of this decision.

Within 15 days following receipt of a notice of valid appeal, the Executive Director shall initiate the procedures for assignment of an Administrative Law Judge to preside at the hearing pursuant to the Administrative Procedures Act, N.J.S.A. 52:14B-1 et seq., and the procedures established by the Office of Administrative Law. The time, date and location of such hearing shall be designated by the Office of Administrative Law.

RESOLUTION OF THE NEW JERSEY PINELANDS COMMISSION

NO. PC4-14- 42

TITLE: Setting Pinelands Commission Meeting Dates for 2015

Commissioner Jackson moves and Commissioner Galletta seconds the motion that:

WHEREAS, the Open Public Meetings Act requires that the Pinelands Commission establish an annual schedule of regular meetings prior to January 10th of each year; and

WHEREAS, the Pinelands Commission will use the Pinelands Commission's Richard J. Sullivan Center for Environmental Policy and Education in New Lisbon, Pemberton Township, as the regular site for its meetings; and

WHEREAS, the Pinelands Commission may need to find an alternate, temporary meeting location within the Pinelands Area for its meetings throughout the year; and

WHEREAS, any meeting that will be scheduled at a location other than the Pinelands Commission's Richard J. Sullivan Center for Environmental Policy and Education, 15 C Springfield Road, New Lisbon, Pemberton Township, will be advertised in accordance with the requirements of the Open Public Meetings Act; and

WHEREAS, pursuant to N.J.S.A. 13:18A-5h, no action authorized by the Commission shall have force or effect until ten (10) days, Saturdays, Sundays and public holidays excepted, after a copy of the minutes of the meeting of the Commission has been delivered to the Governor for review, unless prior to expiration of the review period the Governor shall approve same, in which case the action shall become effective upon such approval.

NOW, THEREFORE BE IT RESOLVED that the Pinelands Commission shall conduct its meetings on the following dates in 2015 beginning at the specified time at the Pinelands Commission's Richard J. Sullivan Center for Environmental Policy and Education, 15 C Springfield Road, New Lisbon, Pemberton Township, New Jersey, unless notice is otherwise provided in accordance with the Open Public Meetings Act:

- | | |
|---------------------------------------|--|
| Friday, January 16, 2015 (9:30 a.m.) | Friday, July 10, 2015 (9:30 a.m.) |
| Friday, February 13, 2015 (9:30 a.m.) | Friday, August 14, 2015 (9:30 a.m.) |
| Friday, March 13, 2015 (9:30 a.m.) | Friday, September 11, 2015 (9:30 a.m.) |
| Friday, April 10, 2015 (9:30 a.m.) | Friday, October 9, 2015 (9:30 a.m.) |
| Thursday, May 7, 2015 (6:00 p.m.) | Friday, November 13, 2015 (9:30 a.m.) |
| Friday, June 12, 2015 (9:30 a.m.) | Friday, December 11, 2015 (9:30 a.m.) |

BE IT FURTHER RESOLVED that the Executive Director is directed to publish notice of this schedule in the Commission's official newspapers, file copies of the schedule with the Secretary of State of the State of New Jersey and Pinelands county and municipal clerks, post a copy of the notice in the Commission's offices and to post the annual schedule on the Commission's web page (www.nj.gov/pinelands).
