including in-kind contributions, to: (i) any Municipality candidate or holder of public office having ultimate responsibility for the award of a contract, or (ii) to any Township of Hamilton or Atlantic County party committee, or (iii) to any PAC that regularly engages in the support of municipal or county elections and/or municipal or county parties, between the time of first communication between that professional business entity or vendor and the municipality regarding a specific professional services agreement or goods and services agreement, as the case may be, and the later of the termination of negotiations or rejection of any proposal, or the completion of the contract or agreement.

- (c) For purposes of this ordinance, a "professional business entity" and a "vendor" seeking a public contract mean an individual including the individual's spouse, if any, and any child living at home; person; firm; corporation; professional corporation; partnership; organization; or association. However, any group of individuals meeting the definition of "professional business entity" or "vendor" under this section, including such principals, partners, and officers of the entity or vendor in the aggregate, may not annually contribute for any purpose in excess of \$2,500 to all Township of Hamilton candidates and officeholders with ultimate responsibility for the award of the contract, and all Township of Hamilton or Atlantic County political parties and PACs referenced in this ordinance combined, without violating subsection (a) of this section.

Section 2. Contributions Made Prior to the Effective Date.

No contribution of money or any other thing of value, including in-kind contributions, made by a professional business entity or vendor to any candidate for the Township Committee of the Township of Hamilton or Atlantic County party committee or PAC referenced in this ordinance shall be deemed a violation of this ordinance, nor shall an agreement for property, goods, or services, of any kind whatsoever, be disqualified thereby, if that contribution was made by the professional business entity or vendor prior to the effective date of this ordinance.

Section 3. Contribution Statement by Professional Business Entity and Vendor.

- (a) Prior to awarding any contract or agreement to procure services with any professional business entity and any contract or agreement to procure goods and services from a vendor, the Township of Hamilton or its purchasing agents and departments, as the case may be, shall receive a sworn statement from the professional business entity or vendor, made under penalty of perjury, that the bidder or offeror has not made a contribution in violation of Section 1 of this ordinance.
- (b) The professional business entity and vendor shall have a continuing duty to report any violations of this ordinance that may occur during the negotiation, proposal process or duration of a contract. The certification required under this subsection shall be made prior to entry into the contract or agreement with the Township of Hamilton, or prior to the provision of services or goods, as the case may be, and shall be in addition to any other certifications that may be required by any other provision of law.

Section 4. Return of Excess Contributions.

A professional business entity, vendor, or municipal candidate or officeholder, or Township of Hamilton or Atlantic County party committee or PAC referenced in this ordinance, may cure a violation of Section 1 of this Ordinance, if, within 30 days after the date on which the applicable ELEC Report is published, the professional business entity or vendor notifies the municipality in writing and seeks and receives reimbursement of the contribution from the relevant municipal candidate or officeholder, Township of Hamilton or Atlantic County political party or PAC referenced in this ordinance.

Section 5. Exemptions.

The contribution limitations prior to entering into a contract in Section 1(a) do not apply to contracts that are required by law to be awarded to the lowest bidder.

- (b) Furthermore, any professional business entity that violates (a) ii-viii shall be disqualified from eligibility for future Township of Hamilton contracts for a period of four calendar years from the date of the violation.
