- B. A business entity that has entered into a contract having an anticipated value in excess of \$17,500 with the Township of Toms River, or any agency or instrumentality thereof, except a contract that is awarded pursuant to a fair and open process, shall not make such a contribution, reportable by the recipient under P.L.1973, c. 83 (N.J.S.A.19:44A-1 *et seq.*), to any Toms River Township committee of a political party, if a member of that political party is serving in an elective public office of that municipality when the contract is awarded, or to any candidate committee of any person serving in an elective public office of that municipality when the contract is awarded during the term of that contract.
- C. No such committee as referenced in Section A or B above shall accept such a contribution from a business entity during the term

of the business entity's contract with the Township of Toms River, unless it was awarded under a fair and open process.

**§ 84-4. Certain contributions deemed as contributions by business entity.**

When a business entity is a natural person, a contribution by that person's spouse or child, residing therewith, shall be deemed to be a contribution by the business entity. When a business entity is other than a natural person, a contribution by any person or other business entity having an interest therein shall be deemed to be a contribution by the business entity. When a business entity is other than a natural person, a contribution by: all principals, partners, officers, or directors of the business entity or their spouses; any subsidiaries directly or indirectly controlled by the business entity; or any political organization organized under section 527 of the Internal Revenue Code that is directly or indirectly controlled by the business entity, other than a candidate committee, election fund, or political party committee, shall be deemed to be a contribution by the business entity.

**§ 84-5. Return of excess contributions.**

If a business entity makes a contribution that would cause it to be ineligible to receive a public contract, or in the case of a contribution made during the term of a public contract, that would constitute a violation of the Pay to Play Acts, the business entity may request, in writing, within sixty (60) days of the date on which the contribution was made, that the recipient thereof repay the contribution and, if repayment is received within those sixty (60) days, the business entity would again be eligible to receive a contract, or would no longer be in violation, as appropriate.

**§ 84-6. Public exigency.**

Nothing contained in this chapter shall be construed as prohibiting the

awarding of a contract when the public exigency requires the immediate delivery of goods or performance of emergency services as determined in accordance with § 40-13.

**§ 84-7. Duty to report contributions.**

Prior to awarding any contract, except a contract that is awarded pursuant to a fair and open process, the Township of Toms River shall require the business entity to which the contract is to be awarded to provide a written certification that it has not made a contribution that would bar the award of a contract pursuant to this act. A business entity shall have a continuing duty to report to the Election Law Enforcement Commission any contributions that constitute a violation of this act that are made during the duration of a contract.

**§ 84-8. Violations; civil penalties.**

Violations of this chapter shall result in penalties as prescribed within N.J.S.A. 19:44A-20.10 and -20.11.
