1 INTRODUCTION AND SUMMARY OF THE REQUEST FOR QUOTES

This Request for Quotes (RFQ) is issued by NJ State Archives (Using Agency). The Contract will be awarded in the State of New Jersey's eProcurement system, [NJSTART \(www.njstart.gov\)](http://www.njstart.gov). The awarded Contractor is advised to read through all Quick Reference Guides (QRGs) located on the [NJSTART Vendor Support Page](#) for information.

1.1 PURPOSE, INTENT AND BACKGROUND

New Jersey State Archives (NJSA) is the State of New Jersey's official repository for governmental documents of enduring historical value, and the inheritor of New Jersey's colonial archive of public records. As such, NJSA possesses vast and unique holdings of Revolutionary War-period material as well as information about how revolutionary ideals have played out through history—before and after the war itself. NJSA seeks to create an exhibition of original documents, supplemented by illustrative materials and potentially three-dimensional object, to commemorate the upcoming 250th anniversary of the founding of our nation and the War for Independence. The exhibition will celebrate the ideals of American democracy and the evolving rights of New Jersey citizens under the U.S. and state constitutions. It will also showcase the richness of the State Archives' holdings.

The exhibition has a tentative main title *Revolutionary New Jersey*, intended to connect it to an upcoming Rutgers University Press publication. However, the title is subject to change and the guest curator may propose alternatives and/or subtitles. Reference to "Archives" (or other wording evoking the concept of archives) must be included in the subtitle.

The exhibition is planned for a 3,000-SF gallery space on the street level of the New Jersey State Museum (NJSM), 205 West State Street, Trenton, NJ. It will utilize free-standing cases (vendor TBD) and configurable stationary panel walls, potentially incorporating one or two interactives (see below). It will open on Saturday, 18 April 2026 and continue through the 250th anniversary of Washington Crossing the Delaware and Patriot's Week in Trenton in December 2026, closing on 3 January 2027.

With guidance from RevolutionNJ's "Interpretive Framework" (see below), the exhibition will tell stories of: 1) the experiences of New Jersey citizens in the Revolutionary Period and during the war itself; 2) how the ideals of the Revolution and early statehood years had evolved during the colonial period and have continued to evolve; and 3) how they are relevant today.

NJSA seeks to engage a qualified (see XIV) contractor* to serve as a guest curator. This contractor will work directly with NJSA and NJSM staff to accomplish the following:

- develop the content and physical layout of this exhibition, focusing on original documents in the State Archives, with possible inclusion of other artifacts that support or illuminate the concepts of the documents
- create the exhibition script and compose didactic panels/labels for artifacts featured in the exhibition
- select supporting graphics and illustrative materials
- research and document licensing options for outside (non-NJSA) images recommended for inclusion in the exhibition
- research and document loan requirements for non-NJSA/non-NJSM artifacts recommended for inclusion in the exhibition
- identify display and case options, recommending potential vendors and estimating related costs
- identify transcription and translation needs for all didactic material
- draft copy, select images, and provide a rough layout of an exhibition catalog and a promotional flyer
- research design/production/fabrication vendors and assist in the selection of the same (**Note: Design/production/fabrication services will be contracted for separately.**)

* Throughout this document, the term "contractor" is used interchangeably with "guest curator", "bidder", "candidate", etc.

II. EXHIBITION SCRIPT

The exhibition script must build upon primary sources to present differing perspectives and experiences, juxtaposing the concepts of loyalty to the Crown and independence (rebellion), duty and family, freedom and bondage. The exhibition will encourage visitors to consider what was at stake during the Revolutionary Period for different sectors of the population, and how perspectives changed during the war years. Storylines must be relatable and inclusive, drawing the visitor into the emotions and debates of the time, and conflicts between opposing or differing interests.

The script must also illustrate the concept of "revolution" in New Jersey as an ongoing process in which the ideals of liberty and rights have evolved and broadened over time, shaping and enabling social change. Visitors should leave the exhibition with not just a deeper appreciation of New Jersey history, but a greater understanding of civics and constitutional rights. The exhibition should

inspire visitors of all ages to think about their part in social change and questions of how government should or should not be involved in the lives of the governed.

The exhibition should include vibrant graphics, powerful quotations, and relevant and thought-provoking texts. It should feature diverse voices and connections to post-Revolutionary social and political controversies up to the present day, in an objective and non-political fashion. It should elevate overlooked stories and historically under-represented segments of the population. NJSA is committed to telling a diverse story, thus promoting inclusive history. We also see the exhibition as engendering a deeper appreciation of primary sources. It should demonstrate how the documentary holdings of NJSA enable meaningful explorations of history and questions of liberty and human rights.

III. AUDIENCE

The exhibition is to be geared toward the general public and K-12 school audiences, yet still offer innovative presentations of information and primary sources that will be of interest to scholars of the Revolutionary Period and New Jersey history. It should assume that the visitor may have little prior knowledge of the historical events and actors of the Revolutionary Period. Scripts should be drafted for a 7th- to 9th-grade reading level to ensure optimal comprehension and audience connection. To the fullest extent possible, the exhibition should allow visitors of all backgrounds to see themselves in history in terms of demographics, viewpoints, and/or as members of families, groups, and communities.

While creation of a web-version of the exhibition is not a deliverable of this contract, the exhibition should be developed with the understanding that the content will be used by NJSA to create an online presentation at some point.

IV. THEMATIC CONSIDERATIONS AND EDUCATIONAL OBJECTIVES

The exhibition's script should reflect, in significant ways, the "Key Themes" and "Guiding Questions" identified in RevolutionNJ's Interpretive Framework. The seven Key Themes and related keywords are as follows:

<u>Theme</u>	<u>Keywords</u>
Inclusion/Exclusion	Race and ethnicity; indigeneity; gender; sexuality; ability; class; national origin
Property and Sovereignty	Nationhood; land and water; slavery and freedom; taxation; empire
"Revolutionary Ideals"	Liberty; pursuing happiness; equality; justice; self-determination
Political Participation	Representation; direct democracy; voting rights; civic engagement; census and gerrymandering; protest
Movement of People	Migration, immigration, displacement, slavery, local and global
New Jersey as a "Battleground"	Patriots, Loyalists, and other positions; elections; grassroots activism; civil war(s) and war zones; religion
The Historical Process	Origin myths; interpretive choices; collective memory; dominant narratives; agency, causality, and contingency; commemoration; "founding"

The Guiding Questions are as follows:

- Was the American Revolution revolutionary?
- Who did the American Revolution include and exclude?
- What difference did the American Revolution make?
- How does someone know they are living in a revolutionary moment?
- How did New Jersey shape the American Revolution and how did the Revolution shape New Jersey?
- Why learn about the American Revolution?
- How do we know what we know about the past?
- How is the story of the American Revolution told?
- Who has shaped and will shape historical narratives and how?
- Why commemorate the 250th anniversary, and what does it mean to me?
- How do I want the past to shape the future?

How should future generations understand the past?
What will my role be in the ongoing American experiment?

Other information contained in RevolutionNJ's Interpretive Framework, including its "Learning Objectives," may be applicable. Please consult the following website for more in-depth information:

<https://www.rev.nj.org/resources>

Proposals should explain how the contractor will apply selected Key Themes and Guiding Questions to the exhibition content and storyline development.

The key educational objectives, in addition to illustrating Revolutionary-Period history, can be summarized as follows:

- to provide a sense of the colonization of New Jersey by Europeans as it relates to eventual independence from the Crown of Great Britain and civil rights as understood in the colonial period (addressing slavery and indentured servitude, contact with and the displacement of indigenous people, and representation in government)
- to provide a sense of New Jersey's post-Revolutionary history in terms of social advancements and movements, civil/human rights, and New Jersey's influence on national history in these areas
- to provide learning opportunities relative to civics (broadly)
- to inspire understanding, patriotism and pride in the political process and in our collective identity as New Jerseyans

V. **POTENTIAL DOCUMENTARY CONTENT**

The following is a list of NJSA-owned documents considered key to New Jersey's history. While the guest curator should strive to include as many of these as possible in the exhibition, the list *does not* constitute required content. It is included to provide the potential bidder with a sense of NJSA's holdings and what types of materials can be drawn from to build storylines.

Other non-documentary objects, from institutional and/or private collections, may be selected for inclusion in the exhibition to support the themes/ideas presented. See Deliverable 5 relative to documentation.

** We envision the phrase "the Archives of the State" and a depiction of the script version of it as written in the 1787 minutes of New Jersey's convention to ratify the U.S. Constitution to be a thematic and graphic element of the exhibition. This is the first known use of the word "archives" to officially denote the public (or "publick") records of New Jersey. A graphic of the original script has been used previously by NJSA in promotional materials.

VI. NJSA & NJSM STAFF COLLABORATION

The staff of the State Archives will be available on an ongoing basis to assist and guide the guest curator with research into NJSA's holdings, and to provide images and technical information about documents for exhibition planning purposes. NJSA staff will provide

the successful bidder with dimensions and images (or sample dimensions and images, if appropriate) for the bulleted items above within 15 days after the date of the contract.

The staff of the State Museum will also be available for collaboration relative to options for the physical layout and flow of the exhibition, accessibility issues, exhibit panel/casework configuration, and educational components.

VII. ENVIRONMENTAL CONTROLS AND SECURITY

Note that environmental controls for the gallery space (including lighting) and security for the exhibition will be the responsibility of NJSA and NJSM.

VIII. INTERACTIVES

NJSA is currently developing two screen-based interactives to be incorporated into the exhibition, if possible:

- 1) A “New Jersey Voting Rights” choose-your-own-adventure interactive in which the user learns about changes in suffrage rights in New Jersey from the early colonial period to the present.
- 2) A “New Jersey Chronology Game” interactive in which the user learns about milestone events relating to rights, laws, civics, government, inclusion/exclusion, political processes, etc.

Detailed information about these interactives will be shared with the contracted guest curator. The development of these products is not part of this contract; however, they should be considered in the planning and flow of the exhibition. NJSA’s intention is to align the content and presentation of the interactives with, and relate them directly to, the documents, storylines, caption information, and graphics included in exhibition.

Such action shall include, but not be limited to the following:
Employment, upgrading, demotion, or transfer; recruitment or recruitment advertising; layoff or termination; rates of pay or other forms of compensation; and selection for training, including apprenticeship. This provision shall not apply to instances in which an employee who has access to the compensation information of other employees or applicants as a part of such employee's essential job functions discloses the compensation of such other employees or applicants to individuals who do not otherwise have access to such information, unless such disclosure is in response to a formal complaint or charge, in furtherance of an investigation, proceeding, hearing, or action, including an investigation conducted by the employer, or is consistent with the contractor's legal duty to furnish information.

- (4) The contractor will send to each labor union or representative of workers with which he/she has a collective bargaining agreement or other contract or understanding, a notice to be provided advising the said labor union or workers' representatives of the contractor's commitments under this section, and shall post copies of the notice in conspicuous places available to employees and applicants for employment.

The contractor will take such action with respect to any subcontract or purchase order as the administering agency may direct as a means of enforcing such provisions, including sanctions for noncompliance:

Provided, however, that in the event a contractor becomes involved in, or is threatened with, litigation with a subcontractor or vendor as a result of such direction by the administering agency, the contractor may request the United States to enter into such litigation to protect the interests of the United States.

The applicant further agrees that it will be bound by the above equal opportunity clause with respect to its own employment practices when it participates in federally assisted construction work: Provided, That if the applicant so participating is a State or local government, the above equal opportunity clause is not applicable to any agency, instrumentality or subdivision of such government which does not participate in work on or under the contract.

The applicant agrees that it will assist and cooperate actively with the administering agency and the Secretary of Labor in obtaining the compliance of contractors and subcontractors with the equal opportunity clause and the rules, regulations, and relevant orders of the Secretary of Labor, that it will furnish the administering agency and the Secretary of Labor such information as they may require for the supervision of such compliance, and that it will otherwise assist the administering agency in the discharge of the agency's primary responsibility for securing compliance.

The applicant further agrees that it will refrain from entering into any contract or contract modification subject to Executive Order 11246 of September 24, 1965, with a contractor debarred from, or who has not demonstrated eligibility for, Government contracts and federally assisted construction contracts pursuant to the Executive Order and will carry out such sanctions and penalties for violation of the equal opportunity clause as may be imposed upon contractors and subcontractors by the administering agency or the Secretary of Labor pursuant to Part II, Subpart D of the Executive Order. In addition, the applicant agrees that if it fails or refuses to comply with these undertakings, the administering agency may take any or all of the following actions: Cancel, terminate, or suspend in whole or in part this grant (contract, loan, insurance, guarantee); refrain from extending any further assistance to the applicant under the program with respect to which the failure or refund occurred until satisfactory assurance of future compliance has been received from such applicant; and refer the case to the Department of Justice for appropriate legal proceedings.

- (A) If the contractor or subcontractor has a referral agreement or arrangement with a union for a construction trade, the contractor or subcontractor shall, within three business days of the contract award, seek assurances from the union that it will cooperate with the contractor or subcontractor as it fulfills its affirmative action obligations under this contract and in accordance with the rules promulgated by the Treasurer pursuant to N.J.S.A. 10:5-31 et seq., as supplemented and amended from time to time and the Americans with Disabilities Act. If the contractor or subcontractor is unable to obtain said assurances from the construction trade union at least five business days prior to the commencement of construction work, the contractor or subcontractor agrees to afford equal employment opportunities minority and women workers directly, consistent with this chapter. If the contractor's or subcontractor's prior experience with a construction trade union, regardless of whether the union has provided said assurances, indicates a significant possibility that the trade union will not refer sufficient minority and women workers consistent with affording equal employment opportunities as specified in this chapter, the contractor or subcontractor agrees to be prepared to provide such opportunities to minority and women workers directly, consistent with this chapter, by complying with the hiring or scheduling procedures prescribed under (B) below; and the contractor or subcontractor further agrees to take said action immediately if it determines that the union is not referring minority and women workers consistent with the equal employment opportunity goals set forth in this chapter.
- (B) If good faith efforts to meet targeted employment goals have not or cannot be met for each construction trade by adhering to the procedures of (A) above, or if the contractor does not have a referral agreement or arrangement with a union for a construction trade, the contractor or subcontractor agrees to take the following actions:
 - (1) To notify the public agency compliance officer, the Dept. of LWD, Construction EEO Monitoring Program, and minority and women referral organizations listed by the Division pursuant to N.J.A.C. 17:27-5.3, of its workforce needs, and request referral of minority and women workers;

- (2) To notify any minority and women workers who have been listed with it as awaiting available vacancies;
 - (3) Prior to commencement of work, to request that the local construction trade union refer minority and women workers to fill job openings, provided the contractor or subcontractor has a referral agreement or arrangement with a union for the construction trade;
 - (4) To leave standing requests for additional referral to minority and women workers with the local construction trade union, provided the contractor or subcontractor has a referral agreement or arrangement with a union for the construction trade, the State Training and Employment Service and other approved referral sources in the area;
 - (5) If it is necessary to lay off some of the workers in a given trade on the construction site, layoffs shall be conducted in compliance with the equal employment opportunity and non-discrimination standards set forth in this regulation, as well as with applicable Federal and State court decisions;
 - (6) To adhere to the following procedure when minority and women workers apply or are referred to the contractor or subcontractor:
 - (i) The contractor or subcontractor shall interview the referred minority or women worker.
 - (ii) If said individuals have never previously received any document or certification signifying a level of qualification lower than that required in order to perform the work of the construction trade, the contractor or subcontractor shall in good faith determine the qualifications of such individuals. The contractor or subcontractor shall hire or schedule those individuals who satisfy appropriate qualification standards in conformity with the equal employment opportunity and non-discrimination principles set forth in this chapter. However, a contractor or subcontractor shall determine that the individual at least possesses the requisite skills, and experience recognized by a union, apprentice program or a referral agency, provided the referral agency is acceptable to the Dept. of LWD, Construction EEO Monitoring Program. If necessary, the contractor or subcontractor shall hire or schedule minority and women workers who qualify as trainees pursuant to these rules. All of the requirements, however, are limited by the provisions of (C) below.
 - (iii) The name of any interested women or minority individual shall be maintained on a waiting list, and shall be considered for employment as described in (i) above, whenever vacancies occur. At the request of the Dept. of LWD, Construction EEO Monitoring Program, the contractor or subcontractor shall provide evidence of its good faith efforts to employ women and minorities from the list to fill vacancies.
 - (iv) If, for any reason, said contractor or subcontractor determines that a minority individual or a woman is not qualified or if the individual qualifies as an advanced trainee or apprentice, the contractor or subcontractor shall inform the individual in writing of the reasons for the determination, maintain a copy of the determination in its files, and send a copy to the public agency compliance officer and to the Dept. of LWD, Construction EEO Monitoring Program.
 - (7) To keep a complete and accurate record of all requests made for the referral of workers in any trade covered by the contract, on forms made available by the Dept. of LWD, Construction EEO Monitoring Program and submitted promptly to the Dept. of LWD, Construction EEO Monitoring Program upon request.
- (C) The contractor or subcontractor agrees that nothing contained in (B) above shall preclude the contractor or subcontractor from complying with the union hiring hall or apprenticeship policies in any applicable collective bargaining agreement or union hiring hall arrangement, and, where required by custom or agreement, it shall send journeymen and trainees to the union for referral, or to the apprenticeship program for admission, pursuant to such agreement or arrangement. However, where the practices of a union or apprenticeship program will result in the exclusion of minorities and women or the failure to refer minorities and women consistent with the targeted county employment goal, the contractor or subcontractor shall consider for employment persons referred pursuant to (B) above without regard to such agreement or arrangement; provided further, however, that the contractor or subcontractor shall not be required to employ women and minority advanced trainees and trainees in numbers which result in the employment of advanced trainees and trainees as a percentage of the total workforce for the construction trade, which percentage significantly exceeds the apprentice to journey worker ratio specified in the applicable collective bargaining agreement, or in the absence of a collective bargaining agreement, exceeds the ratio established by practice in the area for said construction trade. Also, the contractor or subcontractor agrees that, in implementing the procedures of (B) above, it shall, where applicable, employ minority and women workers residing within the geographical jurisdiction of the union.

After notification of award, but prior to signing a construction contract, the contractor shall submit to the public agency compliance officer and the Dept. of LWD, Construction EEO Monitoring Program an initial project workforce report (Form AA-201) electronically provided to the public agency by the Dept. of LWD, Construction EEO Monitoring Program, through its website, for distribution to and completion by the contractor, in accordance with N.J.A.C. 17:27-7.

The contractor also agrees to submit a copy of the Monthly Project Workforce Report once a month thereafter for the duration of this contract to the Dept. of LWD, Construction EEO Monitoring Program and to the public agency compliance officer.

The contractor agrees to cooperate with the public agency in the payment of budgeted funds, as is necessary, for on the job and/or off the job programs for outreach and training of minorities and women.

- (D) The contractor and its subcontractors shall furnish such reports or other documents to the Dept. of LWD, Construction EEO Monitoring Program as may be requested by the Dept. of LWD, Construction EEO Monitoring Program from time to time in order to carry out the purposes of these regulations, and public agencies shall furnish such information as may be requested by the Dept. of LWD, Construction EEO Monitoring Program for conducting a compliance investigation pursuant to N.J.A.C. 17:27-1.1 et seq.

EXHIBIT C - EXECUTIVE ORDER NO. 151 REQUIREMENTS

It is the policy of the Division of Purchase and Property that its contracts should create a workforce that reflects the diversity of the State of New Jersey. Therefore, contractors engaged by the Division of Purchase and Property to perform under a construction contract shall put forth a good faith effort to engage in recruitment and employment practices that further the goal of fostering equal opportunities to minorities and women.

The contractor must demonstrate to the Division of Purchase and Property's satisfaction that a good faith effort was made to ensure that minorities and women have been afforded equal opportunity to gain employment under the Division of Purchase and Property's contract with the contractor. Payment may be withheld from a contractor's contract for failure to comply with these provisions.

Evidence of a "good faith effort" includes, but is not limited to:

1. The Contractor shall recruit prospective employees through the State Job bank website, managed by the Department of Labor and Workforce Development, available online at <https://newjersey.usnlx.com/>;
2. The Contractor shall keep specific records of its efforts, including records of all individuals interviewed and hired, including the specific numbers of minorities and women;
3. The Contractor shall actively solicit and shall provide the Division of Purchase and Property with proof of solicitations for employment, including but not limited to advertisements in general circulation media, professional service publications and electronic media; and
4. The Contractor shall provide evidence of efforts described at 2 above to the Division of Purchase and Property no less frequently than once every 12 months.
5. The Contractor shall comply with the requirements set forth at N.J.A.C. 17:27.

This language is in addition to and does not replace good faith efforts requirements for construction contracts required by N.J.A.C. 17:27-3.6, 3.7 and 3.8, also known as Exhibit B.

BID SOLICITATION # & TITLE: _____

The Bid Solicitation advises Bidders (hereinafter "Company") that the submitted "Quotes can be released to the public pursuant to N.J.A.C. 17:12-1.2(b) and (c), or under the New Jersey Open Public Records Act (OPRA), N.J.S.A. 47:1A-1.1 et seq., or the common law right to know." In the event that the Division receives a request for documents related to above referenced Bid Solicitation, in accordance with its statutory obligations under the New Jersey Open Public Records Act and/or the common law right to know, it is the Division's intent to fulfill the request for records which may include a copy of the Company's Quote.

If Company objects to the disclosure of any portions of the Quote, the Company must advise the Division and must attach a detailed statement clearly identifying those sections of the Quote that Company claims are exempt from disclosure. In requesting any exemption, Company must identify the specific statutory or other legal justification for each requested exemption and the factual basis that supports said exemption. In addition, if Company requests any exemption to disclosure of the Quote based upon claims of confidential/proprietary information and trade secrets (setting forth the nature of the formula, process, pattern, device or compilation), in accordance with *Ingersoll-Rand Co. v. Ciavatta*, 110 N.J. 609 (1988), Company must also indicate the following with respect to the requested exemption:

- (1) the extent to which the information is known outside the owner's business;
- (2) the extent to which it is known by employees and others involved with your business;
- (3) the extent of the measures taken by your firm to guard the secrecy of the information;
- (4) the value of the information to your firm and your competitors;
- (5) the amount of effort or money expended by your firm in developing the information; and
- (6) the ease or difficulty with which the information could be properly acquired or duplicated by others.

Further, if the Quote includes any copyright notices, within five business days, the Division will be permitted to release a copy of the Quote document(s) unless Company serves the Division with an order from a court of competent jurisdiction precluding such release.

The State reserves the right to make the final determination as to what is and is not subject to public disclosure under OPRA and/or the common law right to know, and will advise the Company accordingly. Please note that the State will not honor any claim of confidential, proprietary, trade secret, and/or copyright material that is not supported by a specific statutory or legal justification provided by the Company. The State will not honor any attempts by the Company to designate the entire Quote as proprietary, confidential and/or to claim copyright protection for its entire Quote.

Accordingly, in order to assist the Division with the fulfillment of potential document requests, please select **one** of the following:

The Company's Quote **does not include** any confidential, proprietary and/or trade secrets; and therefore, the Company does not request any redactions be made prior to the release of the documents.

OR

The Company's Quote **does include** confidential, proprietary and/or trade secrets; and therefore, the Company requests that certain portions of the Quote be redacted prior to the release of the documents.

The requested redactions are set forth in the attached statement which specifically identifies the portions of the Quote by section, page number, paragraph and or line; and identifies the specific statutory or other legal reason for each requested exemption.

In the event of any challenge to the Company's assertion of confidential/proprietary information, the Company shall be solely responsible for defending its designation. Company agrees that it shall defend and cooperate in the defense of an action against the State of New Jersey arising from or related to the non-disclosure, due to the Company's request, of documents submitted to the State of New Jersey, and relating to a Quote submitted by the Company in response to the above referenced Bid Solicitation, which was the subject of a request for government records under the New Jersey Open Public Records Act, N.J.S.A. 47:1A-1 et seq. ("OPRA"), or the common law right to know. The Company further agrees to indemnify and hold harmless the State against any judgments, costs, or attorneys' fees assessed against the State in connection with any action arising from, or related to, the non-disclosure, due to the Company's request, of documents submitted to the State, which are the subject of a request for government records under OPRA.

The Company makes the forgoing agreement with the understanding that the State may immediately disclose any documents withheld without further notice if the Company ceases to cooperate in the defense of an action against the State arising from or related to the above described non-disclosure due to the Company's request, and will disclose such documents withheld if so ordered by a court of competent jurisdiction.
