In accordance with the Lottery Enterprise Contributions Act, remaining balances are contributed to Teachers' Pension and Annuity Fund (77.8 percent), Public Employees' Retirement System (21.0 percent), and Police and Firemen's Retirement System (1.2 percent) for a 30-year term effective as of June 30, 2017. 728 - Unemployment Compensation Fund (N.J.S.A. 43:21-9a)

This fund accounts for monies deposited from contributions of employers and employees for unemployment compensation, amounts credited or advances made by the federal government, and amounts received herein from any other source.

After consideration is given to any claim for refund of overpayment of contributions, the remainder is transferred by the Division of Employment Security to the Treasurer of the United States for credit to the State of New Jersey Unemployment Compensation Fund and held by the Treasurer of the United States in the State of New Jersey Unemployment Trust Fund. Drawdowns against the State of New Jersey Unemployment Trust Fund are made by requests submitted to the Treasurer of the United States by the Division of Employment Security on an as-needed basis, whereby amounts are transferred back to the Unemployment Compensation Fund and are then disbursed by the Division of Employment Security to persons entitled to receive unemployment benefits.

SUPPLEMENTARY INFORMATION

Any shortfall in the Unemployment Compensation Fund needed to pay benefits is covered by federal statutes, which authorize advances from the federal government for unemployment benefits. Such advances are repayable by increased rates on federally taxable wages reported by New Jersey employers, or the advances may be repaid out of the fund assets at any time by the Governor.
