14.	Quarterly Activities/Project Description (include number of visits to meet with recipient and sub recipient, including who you met with, and any site visits warranted to where work was completed)	<p>Preparation and submission of monthly Form E and previous quarter Treasury Report.</p> <p>With the 4/10/20 execution of the pending work authorization our planned activities resumed. Workplan steps were revisited and open items were communicated to NJ Transit. Subcontractor final form E2 was reviewed and final subcontractor payment verified. The Integrity Monitor contacted IBEW union local for subcontractor and obtained letter verifying payment of related benefits.</p>	
15.	Brief Description to confirm appropriate data/information has been provided by recipient and what activities have been taken to review in relation to the project/contract/program.	<p>CR periodically requests information required as part of our monitoring procedures. Information requested is applicable to the fraud risk areas under our review.</p> <p>NJ Transit continues to gather and provide project close out documentation related to change order, payment application and contractor DBE submissions.</p>	
16.	Description of quarterly auditing activities that have been conducted to ensure procurement compliance with terms and conditions of the contracts and agreements.	The Integrity Monitor revisited procurement compliance activities for the project and began documenting same for the final report submission.	
17.	Have payment requisitions in connection with the contract/program been reviewed? Please describe	The Integrity Monitor continued the documentation of payment requisition review activities and submitted final information requests to NJ Transit for completion of procedures.	
18.	Description of quarterly activity to prevent and detect waste, fraud and abuse.	The Integrity Monitor completed the review of a selection of subcontractor payment applications and certified payroll reports. NJ Transit continues to gather project close out documentation related to prime contractor payment applications and change orders.	
19.	Provide details of any integrity issues/findings	None.
