

RESOLUTION OF THE SCHOOL EMPLOYEE HEALTH BENEFITS PLAN DESIGN COMMITTEE LIMITING OUT
OF NETWORK COVERAGE FOR CERTAIN SERVICES

WHEREAS, the SEHBP PDC seeks to maintain adequate access to certain services for its members through in-network provided care;

THEREFORE, BE IT NOW RESOLVED, that the SEHBP PDC agrees that out-of-network allowed amounts for coverage of chiropractic and acupuncture services effective as soon as reasonably practicable, but in no event later than August 1, 2020, will be no more than \$35 a visit for chiropractic services and \$60 a visit for acupuncture visits, or 75% of the average in-network cost per visit, whichever is less. Applicable co-insurance will apply. The out-of-network coverage for physical therapy services effective as soon as reasonably practicable, but in no event later than August 1, 2020, will be no more than 75% of the average in network cost per visit for physical therapy. Applicable co-insurance will apply.

These changes to the out-of-network coverage and reimbursement rates for chiropractic, acupuncture, and physical therapy services shall be implemented across all plans offered by the SEHBP.

The SEHBP PDC directs the Division of Pensions and Benefits, as administrators of the SEHBP Plans, to continue to monitor any network vendor network adequacy in order to ensure that adequate in network levels of providers remain.
