2024 STATE DAY OF SERVICE

JOIN US AS WE CREATE CONFIDENCE CLOSETS!!

- ✓ Monmouth University - Anacon Hall

Join us at the State FFA Convention for a State Day of Service as we support Shine & Inspire, Inc. by constructing and organizing Confidence Closets. Confidence Closets are designed to provide youth with an array of hygiene products to ensure their dignity, well-being, and health. Fifteen percent of NJ's children are living below the federal poverty level and personal care items are not covered by WIC or SNAP benefits. These Confidence Closets will help to improve healthy habits and promote physical and mental well-being of the community.
