	CAP Submitted HOLLY HAYNES 12/07/2018 08:30 AM	The 2 beverages will not be ordered in the future. Canada Dry assured us that the beverages met the High School Smart Snack standards. We will definitely be sure to do our own due diligence to ensure all beverages meet guidelines.			
	Flagged Lea Berry 12/03/2018 01:29 PM	<p>All food and beverage items sold a la carte to students during the school day must meet Smart Snack requirements. The requirements apply to items sold anywhere on the school campus (including but not limited to the cafeteria, vending machines, school store, etc.) The Alliance for a Healthy Generation calculator can be used to determine if a food or beverage meets Smart Snack requirements. A link to the calculator is available under Resources in SNEARS.</p> <p>On the day of review two drinks did not meet smart snack beverage standards. The Trimino and the Body Armour are not plain or sparkling water. They also do not fall into the low calorie beverages. Low calorie beverages are those that are maximum 40 calories/8 fl oz. Maximum 60 calories/12 fl oz. (Equivalent to 5 calories per fluid ounce).</p> <p>Explain in detail, how the finding will be corrected and the measures taken to ensure that it will not reoccur in the future. Indicate the date of implementation.</p>

	CAP Submitted HOLLY HAYNES 12/07/2018 08:43 AM	We have implemented the sample signage (Form 300) for every serving line. The food service staff received specific training (on December 4, 2018) regarding portion size and what students may take for their meal to be reimbursable. In addition, the cafe staff is verbally letting the students know what will make their meal reimbursable.			
	Flagged Lea Berry 12/03/2018 01:28 PM	<p>Each serving line/serving area must have signage posted at or near the beginning of the serving line (or in classrooms, if applicable) identifying what constitutes a reimbursable meal. Schools using offer versus serve must identify what a student must select, including the requirement to take at least ½ cup fruit or vegetable. Note: Only posting a menu does not meet requirements. A sample sign (Form 300) is available on the Department of Agriculture's Form website. Food service staff/cashiers must receive training on how to accurately recognize a reimbursable meal under offer versus serve.</p> <p>Hot vegetables are portioned in half cup portions. Students must know they can have two half cup portions (one cup) if they want more.</p> <p>Explain in detail, how the finding will be corrected and the measures taken to ensure that it will not reoccur in the future. Indicate the date of implementation.</p>

	CAP Submitted HOLLY HAYNES 12/07/2018 08:47 AM	"And Justice for All" posters were ordered on November 28 from Lissette Pion. The posters arrived on December 6, 2018 and were prominently displayed along each line for students to view.			
	Flagged Lea Berry 12/03/2018 01:27 PM	SFA did not have the current USDA "And Justice for All" poster displayed in a prominent location and visible to the students to read. Explain in detail, how the finding will be corrected and the measures taken to ensure that it will not reoccur in the future. Indicate the date of implementation.
