	CAP Submitted DEBORAH MCCUE 03/06/2020 01:55 PM	Once the bulletin board is up on March 10,2020, the signage that tells the students they can take 1 or 2 of the fruits and vegetables along with the grain, protein and milk choice will be posted.			
	Flagged Kate Marsh 03/05/2020 08:16 AM	Each serving line/serving area must have signage posted at or near the beginning of the serving line (or in classrooms, if applicable) identifying what constitutes a reimbursable meal. Schools using offer versus serve must identify what a student must select, including the requirement to take at least ½ cup fruit or vegetable. Note: Only posting a menu does not meet requirements. A sample sign (Form 300) is available on the Department of Agriculture's Form website. Explain in detail, how the finding will be corrected and the measures taken to ensure that it will not reoccur in the future. **Indicate the date of implementation.**
