

2015-2016 FARMER APPLICATION PACKET

The **NJ Department of Agriculture's JERSEY FRESH FARM TO SCHOOL RECOGNITION PROGRAM** highlights efforts that bring produce from New Jersey's farms into school cafeterias. Initiatives include school gardening, farm visits, and culinary classes and the integration of food-related education into the regular, standards-based classroom curriculum. The United States Department of Agriculture (USDA) supports the program, through research, training, technical assistance, and grants.

Participation in the **JERSEY FRESH FARM TO SCHOOL RECOGNITION PROGRAM** will give your farm the opportunity to promote local agriculture in schools in your community and encourage the consumption of **Jersey Fresh** fruits and vegetables to our youngest consumers. This recognition program is a new marketing opportunity to strengthen the relationship between your farm and the local school community. You will help teach school children about the importance of the agricultural industry and create a relationship that will allow future generations to have access to local, fresh produce. Other benefits include exclusive NJDA web site recognition and marketing opportunities for your farm within your community and surrounding areas.

Participating farms will receive an exclusive **Jersey Fresh Farm to School** promotional materials kit including a banner to use on your farm informing your community about your participation in the program.

2015-2016 FARMER APPLICATION PACKET

In January 2011, Governor Christie signed legislation establishing the last week of September every year as “**Jersey Fresh** Farm to School Week.” This year **Jersey Fresh** Farm to School Week is September 21 – 25. The objectives of the week are:

- Strengthen children’s and the school communities’ knowledge about agriculture and nutrition
- Increase children’s consumption of **Jersey Fresh** fruits and vegetables
- Increase market opportunities for farmers

I. EXPECTATIONS OF PARTICIPATING FARMERS:

Jersey Fresh Farm to School Week, September 21 – 25, 2015:

- Plan to participate in at least one (1) promotion/event during the annual **Jersey Fresh** Farm to School Week. Promotions vary by school district but can include taste testings/samplings, visits to school, talking with students about farming, etc. Provide schools and NJDA School Nutrition Staff with a listing of available produce during that week.

National Farm to School Month, October 2015:

- Plan to participate in at least one (1) promotion/event during October’s National Farm to School Month. Provide schools and NJDA School Nutrition Staff with a listing of available produce during that month.

General Participation Requirements:

- Be a **Jersey Fresh** licensed farmer.
- Be a GAP (Good Agricultural Practices) Certified farm having attended Rutgers’ GAP training, possess a certified food safety plan and current GAP Certification.
 - Upon request, be willing to share information, regarding your farm’s food safety plan, with participating schools
- Provide schools with a realistic, anticipated list of your **Jersey Fresh** produce items. (**Jersey Fresh** produce items refer to only those produce items listed on your farm’s **Jersey Fresh** license.)
- Communicate that information with schools and School Nutrition staff through electronic communications such as e-mail, website, or social media.
- Provide opportunities for school personnel/groups to experience educational visits of your farm and farming facilities.
- Plan visits with school food service personnel during winter months to gain an understanding of school food service programs’ needs and challenges.
- Attend at least one, and potentially present or exhibit at, NJ School Nutrition Association meetings and conferences.

II. SELECTION OF FARMS

- Farms must operate within the guidelines of the **Jersey Fresh Quality Grading Program**.
- Submit a complete application packet with the required documents.
- Program participants will receive a promotional materials kit.
