	The trainings for Civil Rights will be on the first day of work for all food service staff which is normally September 1 of the school year.				
	Flagged by Corinne Santos-Hernandez 05/25/2023 12:53 PM Annual civil rights training was conducted from August 2022 to March 2023 for all staff who interact with program participants or applicants (e.g. cafeteria staff, free/reduced application approval). The SFA has a very organized documentation of the annual training that includes staff who attended, date of training and topics covered. However, the training was not conducted prior to the deadline of September 30, 2022. Explain, in detail, how the finding will be corrected and the measures taken to ensure that it will not reoccur in the future. Indicate the date of implementation.
