

NJ Farm Link Program

Farm Owner Questionnaire

Thank you for your interest in the NJ Farm Link Program. This 2-page questionnaire will be used to share information between farm owners and farm seekers in the program. Below is a summary of the program's linking service. If you have any questions, please contact us at (609) 984-2504 or visit <http://nj.gov/agriculture/sadc/farmlink/>.

Linking Procedure – for Farm Owners

- **Step 1: Completing the questionnaire.** Farm owners fill out the attached farm owner questionnaire. They include a listing description on this form (approximately 100 words) that clearly describes the farmland/farming opportunity they have available. A typical farm listing summarizes the information that has already been written on the questionnaire. Participants have the option of including their contact information. Please note that in terms of farms for sale, the Program will only list preserved farms.
- Participants return their forms to the NJ Farm Link Program (via mail, fax, or email):
 - Mail: Attn: NJ Farm Link
SADC
PO Box 330
Trenton, NJ 08625
 - Fax: (609) 633-2004 – Attn: NJ Farm Link
 - Email: david.kimmel@ag.state.nj.us
- As the forms are received, the new farm opportunity listings are added to the website.
- **Step 2: Connecting with the Farm Seekers listed online.** If a Farm Seeker's listing contains the person's contact information, farm owners may contact the person directly. If the listing does not contain contact information, farm owners may request additional information (i.e. a copy of the person's questionnaire, which includes the contact information) by submitting a request to the Farm Link Program via phone (609-984-2504), fax, or email.
- For each request made, the Farm Link Program exchanges the Farm Owner and Farm Seeker forms in the mail. For example, if farm owner Jane requests more information about the farm seekers listed with ID#s 1015, 1022, and 1037, Jane is sent a copy of those three people's forms, and each of those three people is sent a copy of Jane's form.
- After this exchange, it is up each party to contact the other to see if a match is possible.
