Re: Request for Right To Farm (RTF) Review
Block 67.06, Lots 5 & 6, Manchester Twp, Ocean County

Dear Mr. Wall:

The Ocean County Agriculture Development Board (OCADB) received a request for a Right To Farm (RTF) review of the operations taking place on the property listed above.

In Reference to this request for RTF protection, you were sent the attached letter and accompanying packet on July 1, 2011 requesting eligibility requirements for the Right To Farm program as pertaining to the legislation stated in N.J.S.A. 4:1C-3 to be submitted to the OCADB no later than July 12, 2011.

The OCADB convened at its monthly meeting on July 13, 2011 where the Board discussed the eligibility requirements for your application to the RTF program. It was noted that there was no submission of these eligibility requirements by the July 12, 2011 deadline, and therefore your application is in default. Your application is considered ineligible for review under the RTF program and will not receive further consideration by the OCADB.

If you have any questions at this time or require additional information, please do not hesitate to contact me at 732-929-2054.

Sincerely,

Ryan P. Allen
Senior Planner
