### NJ Board of Public Utilities to hold Special Board Agenda Meeting to Consider Basic Generation Service (BGS) Auction Results

- Availability via Teleconference to follow Special Board Meeting -

The New Jersey Board of Public Utilities (BPU) will hold a Special Board Agenda Meeting to consider the results of the 2016 Basic Generation Service (BGS) Auction which concluded this morning. The meeting will be held Thursday, February 11, 2016, at 10:00 a.m. in the first floor Board Hearing Room at 44 South Clinton Avenue, Trenton, NJ. The auction results have an impact upon electricity prices paid by many residential and business ratepayers.

The BPU reviews the results of the auction within two business days of the auctions' closing. Because offers made at the auction are binding, there is no need for post-auction negotiations. Once approved by the Board, all bidders and utilities are bound by the auction results.

**WHAT:** Special Board Agenda Meeting for the Consideration of the 2016 BGS Auction Results.

**WHO:** N.J. Board of Public Utilities President and Commissioners.

**WHEN:** February 11, 2016, the meeting will begin at 10:00 a.m. and will immediately go into Executive Session. The Board's consideration of the auction results will take place in the public portion of the meeting which will begin at the conclusion of the Executive Session.

**WHERE:** Board Hearing Room, 1<sup>st</sup> Floor, 44 South Clinton Avenue, Trenton, NJ.

## AVAILABILITY:

**At approximately 12:30 p.m. on February 11, 2016**, President Mroz, along with Boston Pacific officials and BPU staff, will be available via teleconference for members of the media and market analysts. This availability will include a summary of the auction results, the Board's actions and be followed with a Q&A session. **To receive the call-in number and participant code, please email your name, business affiliation and contact information to Consowella Harris at [consowella.harris@bpu.state.nj.us](mailto:consowella.harris@bpu.state.nj.us)**

Teleconference participants are asked to **NOT** place their calls on hold after calling in. Otherwise, background music from calls on hold may require the call to be disconnected. Please use the mute button as an alternative.

### About the New Jersey Board of Public Utilities (NJBP)

*The New Jersey Board of Public Utilities is a state agency and regulatory authority mandated to ensure safe, adequate, and proper utility services at reasonable rates for New Jersey customers. Critical services regulated by the NJBP include natural gas, electricity, water, wastewater, telecommunications and cable television. The Board has general oversight responsibility for monitoring utility service, responding to consumer complaints, and investigating utility accidents. To find out more about the NJBP, visit our web site at [www.nj.gov/bpu](http://www.nj.gov/bpu)*
