NJBPU, Town of Hammonton and Atlantic City Electric to Highlight Upgrading of Streetlights with High Energy Efficient LED Technology

New Jersey Board of Public Utilities (Board) President Richard S. Mroz, Hammonton Mayor Stephen DiDonato, Atlantic City Electric President Vincent Maione and other local officials will hold a press conference on Thursday, October 19, at 10:00 a.m. on the steps of Hammonton Town Hall. The event highlights the BPU's approval of energy efficiency incentives helping Hammonton to replace 1,449 streetlights with high energy efficiency LED lighting technology.

WHAT: Hammonton is utilizing \$141,500 in NJ's Clean Energy Program's SmartStart Building program incentives to replace 1,449 streetlights with high energy efficiency LED lighting technology. The LED streetlights will lower annual street lighting costs by approximately \$120,000, while providing more desirable lighting and a greater level of security.

SPEAKERS: Richard S. Mroz, President, NJBPU
Stephen Di Donato, Mayor, Hammonton
Vincent Maione, President, Atlantic City Electric

WHEN: Thursday October 19, 10:00 a.m.

WHERE: Hammonton Town Hall
100 East Central Avenue
Hammonton, NJ 08037

VISUALS: An Atlantic City Electric bucket truck will be used to change a streetlight.
