DOCKET NO. EO11050314V

(SERVICE LIST ATTACHED)

BY PRESIDENT ROBERT M. HANNA:

By Order dated May 16, 2011, in Docket No. EO11050290V, the Board opened an application window for 30 days for offshore wind projects in New Jersey territorial waters pursuant to N.J.S.A. 48:3-87.2. Fishermen's Atlantic City Windfarm, LLC ("FACW" or "the applicant"), submitted the only application to the Board on May 19, 2011. Board Staff determined that the application was administratively complete as of June 14, 2011.

By Order dated January 18, 2012, the Board retained this matter for review and hearing, and as authorized by N.J.S.A. 48:2-32, designated me as the presiding officer to rule on all motions that arise during the proceedings and modify any schedules that may be set as necessary to secure just and expeditious determination of the issues.

Under the authority granted to me to expedite the review of this matter, while providing an opportunity for testimony and discovery, I **HEREBY SET** the procedural schedule as described on Attachment A, which was agreed to by the Applicant, Board Staff, the Division of Rate Counsel and the Electric Distribution Companies (Atlantic City Electric, Jersey Central Power & Light Company, Public Service Electric & Gas Company and Rockland Electric Company, collectively "EDCs".) The EDCs were granted intervener status by order dated December 14, 2011. This schedule is subject to modification as necessary and appropriate in the interests of economy and justice.

In the interest of efficiency and economy, all parties are **HEREBY DIRECTED** to serve

electronically all documents, other than petitions which must be filed with the Board, to the service list with two (2) hard copies provided to a designee of each party.

Finally, I **HEREBY DIRECT** Staff to distribute this Order to the service list and post it on the Board's website. This provisional ruling is subject to ratification or other alteration by the Board as it deems appropriate during the proceedings in this matter.
