\*Docket No. EX11020055

The Board of Public Utilities invites all interested parties and members of the public to an open question and answer session with Board Staff to discuss the recently adopted Offshore Wind Rules (N.J.A.C. 14:8-6). This meeting is intended to provide an opportunity for questions in an informal forum prior to the opening of the application window.

The session will take place at the Board's office located at 44 South Clinton Avenue, in the multi-purpose room, Trenton, New Jersey, on Friday March 25, 2011, at 10:00 a.m.

Please note this meeting will not deal with substantive amendments to the rules and the re-proposal process. The Board will hold stakeholder meetings later this year to commence that process.

Any questions may be directed to Jake Gertsman in the counsel's office at 973-648-2026 or 609-777-3300.
