Cablevision of Oakland has added an additional 37 municipalities to its System-wide Cable Television Franchise. The addition of these municipalities was memorialized by Orders of Amendment issued by the Board: on March 17, 2010, for two municipalities; on June 18, 2010, for eight municipalities; on September 16, 2010, for eight municipalities; on November 10, 2010, for seven municipalities; on January 19, 2011, for ten municipalities; on May 16, 2011, for one municipality; and on December 18, 2013, for one municipality. A list of the municipalities included in Cablevision of Oakland's System-wide Cable Television Franchise is attached as Appendix "I".

BACKGROUND

On May 31, 2013, the Board notified Cablevision of Oakland of its intention to review its performance under its system-wide cable television franchise pursuant to 47 U.S.C. § 546, N.J.S.A. 48:5A-19(b) and N.J.A.C. 14:18-14.16. On October 23, 2014, the Board invited Cablevision of Oakland to file comments on its performance under its System-wide Cable Television Franchise and to assess how it will meet the future needs of the communities listed in its franchise application. Cablevision of Oakland filed its Initial Comments with the Board on January 30, 2015. Pursuant to N.J.A.C. 14:18-14.17, on August 19, 2015, the Board issued a report ("Ascertainment Report") on Cablevision of Oakland's performance under its System-wide

Cable Television Franchise and the future system-wide cable television franchise needs of the State and the municipalities under the system-wide cable television franchise.

On November 19, 2015, Cablevision of Oakland filed for renewal of its System-wide Cable Television Franchise, pursuant to N.J.S.A. 48:5A-19 and N.J.A.C. 14:18-14.18. Pursuant to N.J.A.C. 14:18-14.3, the Board was required to hold two public hearings in this matter. Two hearings were held on January 4, 2016 in Franklin Lakes at 3:00 p.m. and in Saddle Brook at 6:00 p.m. Written comments were accepted between January 4, 2016 and February 3, 2016.

Following its review of Cablevision of Oakland's application, Board Staff issued discovery requests to Cablevision of Oakland on February 3, 2016, seeking additional follow-up information. Cablevision provided responses to Staff's requests on February 24, 2016.

PUBLIC COMMENT

At the hearings, the public was invited to provide oral and/or written comment on the application, and the hearings were transcribed by a court reporter, with the transcripts included in the record of this matter. At both hearings, the New Jersey Division of Rate Counsel ("Rate Counsel") noted the highlights of Cablevision of Oakland's application and stated that it would provide written comments to the Board regarding the application and the issuance of the Renewal System-wide Cable Television Franchise. On February 22, 2016, Rate Counsel filed a letter with the Board stating that it that reviewed the application and supporting documentation and did not oppose Board approval of Cablevision's application for a Renewal System-wide Cable Television Franchise. There were no other commenters.

DISCUSSION

In 2006, the Legislature passed amendments to the State Cable Act which allowed Cablevision of Oakland to apply for and receive a System-wide Cable Television Franchise from the Board (P.L. 2006, c. 83). The Legislature articulated certain restrictions and pre-conditions the Board could consider prior to approving any system-wide cable television franchise applicant. The Board is bound by the enabling statute and the adopted rules for application and enforcement.

In determining whether to issue Cablevision of Oakland a renewal of its System-wide Cable Television Franchise, the Board may only consider that which is allowed by the State Cable Act, which provides, at N.J.S.A. 48:5A-16(f), that "[i]n determining whether a system-wide cable television franchise should be issued, the board shall consider only the requirements of sections 17 and 28 of P.L. 1972, c.186 (C. 48:5A-17 and C. 48:5A-28)."

N.J.S.A. 48:5A-17 permits the Board to issue a system-wide cable television franchise following its review of the application, where it finds the applicant has complied or is ready, willing and able to comply with all applicable rules and regulations imposed or pursuant to State or federal law as preconditions for providing cable television service. N.J.S.A. 48:5A-28 sets forth the elements in the application for a system-wide cable television franchise and the required commitments of a system-wide cable television franchise applicant. The Board's review of the application makes it clear that Cablevision of Oakland's application satisfies the requirements set forth by the Legislature.

CONCLUSION

Based upon these findings, the Board **HEREBY CONCLUDES** that, pursuant to the System-wide Cable Television Franchise Act and the Cable Television Act, the Cablevision of Oakland has complied or is ready to comply with all applicable rules and regulations imposed by or pursuant to State and federal law as preconditions for engaging in the proposed cable television operations, that the Cablevision of Oakland has sufficient financial and technical capacity, meets the legal, character and other qualifications necessary to construct, maintain and operate the necessary installations, lines and equipment, and is capable of providing the proposed service in a safe, adequate and proper manner.
