

**CASINO CONTROL COMMISSION - LICENSE DIVISION
EMPLOYMENT BY ATLANTIC CITY CASINO LICENSEES
BY ZIP CODE AND CASINO**

Information regarding the "*Employment by Atlantic City Casino Licensees by Zip Code and Casino*" report is contained within the three worksheets of this Microsoft© Excel 2002 workbook. As can be seen from the sheet tabs, which appear on tabs at the bottom of the workbook window, the names of the worksheets are: General Information, Record Layout and Data.

While reviewing this information, please be aware that if no casino employees live in a specific zip code, that zip code will not appear. In addition, only valid New Jersey zip codes appear on the report. The data in this report is as of **October 1, 2009**. Approximately **305** casino employees are not represented in these figures. There are several reasons why this may occur, they are: information is missing from the employment data that is transmitted to the Commission by the casino industry, the employment data contains errors; or, the person has a zip code that is not found in New Jersey.

When reviewing the "*Employment by Atlantic City Casino Licensees by Zip Code and Casino*" report, please be aware that the employment figures are broken down by individual zip codes for the counties located in New Jersey. Residential location is based solely on zip codes supplied to the Casino Control Commission. As you may know, zip codes are an imperfect means of determining city/county of residence. Zip codes correspond to the geographic location of the post office, and are not arranged by municipality or county boundaries.

If you have any questions regarding the "*Employment by Atlantic City Casino Licensees by Zip Code and Casino*" report, please feel free to call Ethel J. Tobin at (609) 441-3443.
