GENERAL INSTRUCTIONS FOR DMHAS CONTRACT AGENCIES

- 1. Most of the information requested in the contract application is self-explanatory. However, for your easy reference, certain service definitions and budget instructions are printed on the back of Annex A and Annex B pages. If any procedure or instruction is not clear, please call your assigned Contract Administrator at (609) 777-0628.
- 2. All DMHAS contracts, unless otherwise noted, are cost related contracts. You should familiarize yourself with the policies and procedures governing Department of Human Services cost related contracts, contained in the Contract Policy and Information Manual and the Contract Reimbursement Manual. The manual can be found at www.state.nj.us/humanservices/ocpm/home/resources/manuals/index.html.
- 3. Your attention is specifically directed to the sections on allowable and unallowable costs; contract modifications; and financial audit requirements. If you do not have a copy of either manual (only one copy per agency) or if you want to discuss any of these contract policies/procedures, please call your DMHAS Contract Administrator.
- 4. The Standard Language Document (also known as the "boilerplate") is a key contractual document. Please read this document carefully and understand all provisions as they apply to your contract.

CONTENTS OF A COMPLETE DMHAS CONTRACT APPLICATION

Please check your Consolidated Funding Application (contract), prior to final submission to DMHAS, to insure that all of the following materials are included:

- Two (2) copies of DHS Standard Language Document (boilerplate) with original signature, signed in blue ink;
- Contract Information Form, a legal sized page listing all contracts with DHS components, including funding amounts and contact persons, with <u>original</u> signature, <u>signed in blue ink</u>;
- Annex A, the summary of program commitments, which form the basis of the contract. If your proposed service
 cannot be easily categorized within the Annex A document, please provide a narrative service description and
 contact your assigned DMHAS Program Analyst;
- Annex B, the DHS approved budget document, which describes the DMHAS funding commitments for the
 contracted services, within the framework of the agency's total operating budget. The Annex B document
 includes the Summary Page; Detail Pages; and all Schedules and Attachments required by DMHAS and/or the
 Department of Human Services;

<u>NOTE</u>: Provider Agencies are required to submit their Annex B information via diskette, or e-mail, utilizing the DMHAS Budget Matrix/Schedules Software program.

<u>NOTE</u>: Signature stamps, photo copies or electronically generated signature submissions will NOT be accepted for any documents described above.

→ For assistance in interpreting or completing any of the above noted documents, please contact your Contract Administrator.

<u>NOTE</u>: All of the documents listed above are available online by visiting the DMHAS Community Services Contracting website at http://www.state.nj.us/humanservices/dmhs/info/csc/.

- Current and valid insurance certificate listing DMHAS as an additional insured (an endorsement to an insurance policy extending the coverage to the State of New Jersey, Department of Human Services and its Departmental Component against lost in accordance with the terms of the policy);
- Indirect cost rate plan, if applicable.

INVOICES AND PAYMENTS

DMHAS payments to agencies for contracted services are normally made on an installment basis, to insure that payments are made for services actually delivered, and to provide agencies with an adequate flow of funds to avoid cash shortfalls.

Agencies can request payment via either a "fixed advance" basis or a reimbursement basis depending on their cash flow requirements. Those agencies selecting the fixed advance basis will receive a one-month advance at the start of their contract year. On a limited basis, the Division will review requests from agencies to be paid on a two-month advance basis. Agencies making such requests must provide compelling justification (including a cash flow analysis) that their cash flow situation requires a two-month advance. Agencies approved for a two-month advance basis will receive a two-month payment at the start of the contract year.

<u>NOTE</u>: Initial advance payment cannot be made until the contract is signed and approved and the contract term has begun.

One-month advance agencies will receive eleven (11) subsequent installments, paid at the beginning of each month. Two-month advance agencies will receive ten (10) subsequent installments, paid at the beginning of each month, with no payment being made in the final month.

Agencies receiving payment on the reimbursement method should submit their invoices either slightly before the end of the payment period or after the payment period has concluded. Reimbursement agencies are encouraged to submit their invoices on a quarterly basis along with their quarterly ROE's. Invoices submitted on a monthly basis, however, will be accepted. Payments will be based on either (1) the actual expenditures for the payment period as reported in the quarterly ROE or (2) the pro-rated portion of the ceiling applicable to the payment period.

If not already doing so, please consider receiving your payments via the Electronic Funds Transfer (i.e., EFT, a.k.a. "Automatic Clearing House") method.

- With "electronic fund transfers" the Division can usually schedule the payment to "arrive" (i.e., "clear") by the end of the month preceding the advanced month.
- The Division cannot, however, guarantee the arrival date of a check received via the US Postal Service. Our advance payments are <u>made on or about the first of the month</u> for which the advance is being paid.
- Payments will usually be approved for processing (i.e., the "check date") on or about the 25th of the month, unless the 25th is a weekend or a holiday, in which case, the processing date will be the next business day.
 - → Contact your Contract Administrator for additional information concerning the EFT process.

In addition be advised that the State of New Jersey <u>provides payment information to vendors over the internet</u>. It is called "Vendor Payment Inquiry". This internet application provides vendors and third party providers with historical payment information. Vendors/third party providers <u>may also</u> review the status of their forthcoming <u>scheduled payments</u>. This feature will be especially helpful to those vendors receiving payments via the electronic fund transfer (i.e., EFT) or automatic deposit.

NOTE: Information contained on a check stub will be visible via the Web Vendor Inquiry function.

→ Contact your Contract Administrator for information regarding the Web Vendor Inquiry process.

Payment from DMHAS for contracted services requires cooperation and understanding in the following areas:

- 1. Fixed advance payment agencies will not be required to submit payment vouchers. Payments to these agencies will be made automatically. Agencies on the reimbursement method will be required to submit official State invoice/payment vouchers. The voucher should contain information identifying the contract number, term, period for which reimbursement is being requested and amount and must be signed by the responsible agency official in the Payee Declaration Section (NOT the Certification Section).
- 2. Agencies on the fixed advance system should expect to receive their first payment on or before the middle of the first month of their contract period. Subsequent payments should be received on or about the first day of each month for one-month advance agencies and by the end of the first week for two-month advance agencies. Reimbursement agencies will normally receive their checks approximately two weeks following receipt of DMHAS of a properly completed payment voucher.
- 3. Payments may be suspended by DMHAS if quarterly/final program (QCMR), expenditure (ROE) or audit reports are not received within the prescribed timeframes.
- 4. Final payments for both fixed advance and reimbursement agencies will not be made until DMHAS receives and reviews the agency's third quarter ROE and payments may be reduced or withheld based on the results of such reviews.
 - → For further assistance with DMHAS payments or invoices, please contact Christopher Schwartz of the DMHAS Office of Fiscal and Management Operations at (609) 777-0615.

QUARTERLY REPORTS

All DMHAS contract agencies are required to submit a quarterly service report, known as the Quarterly Contract Monitoring Report (QCMR), and a quarterly expenditure report, known as the Report of Expenditures (ROE).

QCMR

The QCMR is the corollary document to the Annex A. The Annex A lists the contractual service commitment, while the QCMR provides a quarterly accounting of services actually provided. Currently the QCMR must be completed and submitted to the Office of Research, Planning and Evaluation via email to the following address: dmhs.qcmr@dhs.state.nj.us within thirty (30) days of the end of the reporting period. Failure to submit QCMR data within the specified time frame may result in the withholding of DMHAS funds.

Beginning with the first quarter (Q1) of the State Fiscal Year (SFY) 2015 (July – September 2014), all DMHAS-contracted mental health agencies must submit their SFY 2015 QCMR data via DMHAS' new web-based QCMR System available at: https://dmhas.dhs.state.nj.us/qcmr/. Agency access credentials, training, provision of relevant documentation, and technical assistance will be facilitated by DMHAS' Office of Research, Planning, Evaluation and Information Systems Technology Systems (ORPEIST).

Copies of QCMR forms can be downloaded from the DMHAS website if needed. For technical assistance with the QCMR System, please contact the NJAMHAA QCMR help-desk at ITHelpdesk@njamhaa.org or via telephone at (609) 838-6064. If additional assistance is required, please submit your questions electronically to the Office of Research, Planning, and Evaluation at dmhs.qcmr@dhs.state.nj.us or by fax (609) 341-2319.

→ Please contact your Program Analyst for questions regarding the QCMR process.

ROE

The Report of Expenditures/Income (ROE) is the corollary document to the Annex B (budget). Expenditures and income are reported quarterly, but the ROE is a cumulative report which incorporates all expenditures and income reported during previous contract quarters. The ROE must be completed and submitted to your assigned Contract Administrator no later than thirty (30) days after the end of the report period. The Final ROE must be submitted no later than one-hundred twenty (120) days after the end of the contract period.

There is a difference between the amount of information required for Interim ROEs (1st, 2nd, 3rd, 4th quarter ROE's) and the Final (5th) ROE. The Final ROE must include all schedules and attachments, whereas the interim ROEs must contain only the expenditure summary pages, and detail pages 1-10, and Attachments I, II, and III.

<u>NOTE</u>: All DMHAS contract providers must submit their ROEs on diskette or via email, utilizing the Division's Budget Matrix/ROE software, unless an exception has been granted.

Finally, all ROE's must contain the signature of the responsible agency officials, attesting that the information is accurate and prepared in accordance with the Department of Human Services policies. For ROE's submitted via diskette, a separate Certification Statement must be signed and enclosed.

→ For assistance in completing or interpreting the ROE, please contact your Contract Administrator.

USTF

The USTF is the Division's Client Registry reporting system. A client registry form should be completed for each client upon admission, transfer, and termination. Currently the USTF data file must be submitted quarterly to the Office of Research, Planning and Evaluation via email to the following address: dmhs.ustf@dhs.state.nj.us within thirty (30) days of the end of the reporting period. Failure to submit USTF data within the specified time frame may result in the withholding of DMHAS funds.

Copies of the forms and USTF manual are posted on the DMHAS website. For technical assistance with the USTF System, please contact the NJAMHAA USTF help-desk at lTHelpdesk@njamhaa.org or via telephone at (609) 838-6064. If additional assistance is required, please submit your questions electronically to the Office of Research, Planning, and Evaluation at dmhs.ustf@dhs.state.nj.us or by fax (609) 341-2319.

Bed Enrollment Data System (BEDS):

The Bed Enrollment Data System (BEDS) is a secure, web-based software application designed to expedite the placement of consumers into DMHAS Supportive Housing, as well as to track the utilization and availability of those resources. BEDS is to be used by DMHAS contracted Supportive Housing and Residential providers, and DMHAS staff alike to: 1. locate available housing opportunities/slots for DMHAS consumers, 2. provide an accounting of Supportive Housing resources in real-time, and 3. enhance provider accountability in contractual obligations to DMHAS. Providers contracted by DMHAS for Supportive Housing and Residential services are contractually obligated by DMHAS to use the BEDS system. The success and reliability of the system is contingent on consistent and diligent use of BEDS by both DMHAS and its providers. Since the system is a web-based application, and the information provided is real-time, the expectation is that the providers maintain current information in the system including admissions, discharges and timely responses to referrals in accordance with AB 5:11. For technical assistance with the BEDS System, please contact the Office of Research, Planning and Evaluation at 609-777-0654 or by fax (609) 341-2319.

Section 3.04 Business Associate Agreements and State
Confidentiality Statues. DHS is a covered entity pursuant to the
Health Insurance Portability and Accountability of 1996, 42 U.S.C.A.
\$1320d et seq. (HIPAA); 45 CFR Parts 160 and 164. Before a Provider
Agency obtains or is permitted to access to, create, maintain or store
Protected Health Information (PHI) as part of its responsibility under

this contract, the Provider Agency shall first execute a Department of Human Services Business Associate Agreement (BAA). A Provider Agency, whose work under this Contract does not involve PHI is not required to execute a BAA. DHS shall have the sole discretion to determine when a Provider Agency's work will involve PHI. Protected Health Insurance shall have the same meaning as in 45 CFR 160.103.

Provider Agencies that enter any subcontract where the work for the subcontract involves a Consumer's PHI shall require its subcontractor to execute a BAA that meets all the requirements of HIPAA, including those in 45 CFR 164.504(e). A standard form of BAA is available for Provider Agency's use from the Department. If the BAA is breached by the Provider Agency, or its subcontractor, the Provider Agency shall notify the Department within 24 hours of the breach. The Department may, in its sole discretion and at any time, request a BAA compliance audit or investigation of the Provider Agency or its subcontractor with which the Provider Agency has entered into a BAA. The Provider Agency shall cooperate with all Department requests for a BAA compliance audit and/or investigation and shall require that its subcontractor cooperate with all Departmental requests for BAA compliance audits and investigations.

In addition to the confidentiality requirements of HIPAA if applicable, a Provider Agency shall maintain the confidentiality of all certificates, applications, records and reports ("Records") that directly or indirectly identify any consumer and shall not disclose these records except where disclosure is consistent with applicable DHS regulations, the BAA, if any, and is:

- 1. to the consumer, or his or her legal guardian, if any, or if the consumer is a minor, to the consumer's parent; or
 - 2. necessary to carry out the work of this Contract;
- 3. in response to a proper inquiry for information, but not Records, as to the consumer's current medical condition to any relative, friend, or to the consumer's personal physician or attorney, if it appears that the information is to be used directly or indirectly for the benefit of the consumer; or
- 4. relevant to a consumer's current treatment and is being disclosed to the staff of another community agency, screening service, short-term care or psychiatric facility.

Section 3.05 Business Registration. According to P.L. 2001, c. 134 (N.J.S.A. 52:32-44 et seq.) all profit and non-profit corporations (domestic and foreign), as well as, all limited partnerships, limited liability companies, and limited liability partnerships must submit annual reports and associated processing fees (annual business registration) to the Division of Revenue, Department of the Treasury commencing with the year after they file for their Certificate of Incorporation with the State of New Jersey. No State agency (the Department) may Contract with a Provider Agency if the Provider has not filed for its incorporation papers or filed its annual business registration. Furthermore, no Provider Agency that Contracts with the

Department shall enter into any subcontract unless the subcontractor can demonstrate that it is incorporated in the State of New Jersey or its annual business registration is current. Failure to comply with this paragraph or the citation referenced above shall be grounds for the Department to Terminate this Contract for cause.

Section 3.06 Set-Off for State Tax and Child Support. Pursuant to $N.J.S.A.\ 54:49-19$, if the Contractor is entitled to payment under the contract at the same time as it is indebted for any State tax (or is otherwise indebted to the State) or child support, the State Treasurer may set off that payment by the amount of the indebtedness.

Any changes to the information submitted in the Source Disclosure Certification during the term of the contract must be immediately reported to the Director of the Division of Purchase and Property and to the departmental component within the Department for whom the contracted services are being performed. A Service Provider that shifts its activities outside the United States and its constituent Commonwealths and territories without prior written affirmation by the Director attesting to the fact that extraordinary circumstances required the shift or that the failure to shift the services would result in the infliction of economic hardships to the State of New Jersey, shall deemed to be in breach of contract which would be subject to termination by the Department.

Section 3.08 Contractor Certification and Disclosure of Political Contributions. N.J.S.A. 19:44A-20.13-20.25 that codified Public Law 2005, Chapter 51 and Executive Order 134, and Executive Order 117 require that any for-profit agency that seeks or contracts to provide services in the amount of \$17,500 or more must submit to the Department the Certification and Disclosure of Political Contribution forms. form includes a certification that the business entity has not, during certain specified time frames, solicited or made any contribution of money, pledge of reportable contributions, including in-kind contributions, to any candidate committee and/or election fund of the Governor or Lieutenant Governor, any legislative leadership committee or any State, county or municipal political party committee. If awarded a contract, the Contractor/Bidder will, on a continuing basis, continue to report any Contribution it makes during the term of the contract, and any extension(s) thereof. The Provider Agency is advised of its responsibility to file an annual disclosure statement of political contributions with the New Jersey Election Law Enforcement Commission (ELEC), pursuant to P.L. 2005, c.271, section 3 if the contractor receives contracts in excess of \$50,000 from a public entity in a calendar year. It is the Provider Agency's responsibility to determine if filing is necessary. Failure to so file can result in the imposition of financial penalties by ELEC. Additional information about this requirement is available from ELEC at 888-313-3532 or at www.elec.state.nj.us/.

The Department may in accordance with the sections below allow a Contract to expire and or not be renewed.

Section 4.01. The Department or Provider Agency may let this Contract expire at the end of the contract term upon 60 Days' advance written Notice to the other party for any reason whatsoever, including lack of funding by the Department. In the case of contract awards that are made on a time limit basis (i.e. Federal Grant, Special Appropriation; one time funding to support a program), the 60 day notice is not required.

Section 4.02 Contract Settlement. When a Contract has expired under any section of Article IV of this Contract or Policy Circular P9.05, Contract Default, the Provider Agency shall be prohibited from incurring any additional obligations of Contract funds. The Department may allow costs that the Provider Agency could not reasonably avoid during the Expiration process to the extent that said costs are determined to be necessary and reasonable.

Notice shall follow the procedures established in the Policy Circular.

The above notwithstanding, the Department may immediately upon Notice terminate the Contract prior to its expiration, in whole or in part, whenever it is determined that the Provider Agency has jeopardized the safety and welfare of the Department's clients, materially failed to comply with the terms and conditions of the Contract, or whenever the fiscal or programmatic integrity of the Contract has been compromised. The Notice of Termination shall state the reason for the action(s); the Provider Agency's informal review options, time frames and procedures; the effective date of the Termination; and the fact that a request for a review of the decision for action(s) does not preclude the determined action(s) from being implemented.

The parties expressly recognize and agree that the Department's ability to honor the terms and conditions of this Contract is contingent upon receipt of federal funds and/or appropriations of the State legislature. If during the term of this Contract, therefore, the federal and/or the State government reduces its allocation to the Department, the Department reserves the right, upon Notice to the Provider Agency, to reduce or terminate the Contract.

Section 4.05 Termination Settlement. Page 11

assignment, the Department may: (1) approve the assignment and continue the Contract to term; (2) approve the assignment conditioned upon the willingness of the assignee to accept all contractual modifications deemed necessary by the Department; or (3) disapprove the assignment and either terminate the Contract or continue the Contract with the original Provider Agency.

The Provider Agency may not subcontract any of the services that it has committed to perform or provide pursuant to this Contract without the prior written approval of the Department. Such consent to subcontract shall not relieve the Provider Agency of its full responsibilities under this Contract. Consent to the subcontracting of any part of the services shall not be construed to be an approval of said subcontract or of any of its terms, but shall operate only as an approval of the Provider Agency's request for the making of a subcontract between the Provider Agency and its chosen subcontractor. The Provider Agency shall be responsible for all services performed by the subcontractor and all such services shall conform to the provisions of this Contract.

Section 5.03 Client Fees. Other than as provided for in the Annex (es) and/or Departmental Component specific policies, the Provider Agency shall impose no fees or any other types of charges of any kind upon recipients of Contract services.

Section 5.04 Indemnification. The Provider Agency shall assume all risk of and responsibility for, and agrees to indemnify, defend and hold harmless the State of New Jersey and its employees from and against any and all claims, demands, suits, actions, recoveries, judgments and costs, and expenses in connection therewith on account of the loss of life, property or injury or damages to the person, body or property of any person or persons, whatsoever, which shall arise from or result directly or indirectly from (1) the work, service or materials provided under this Contract; or (2) any failure to perform the Provider's obligations under this Contract or any improper or deficient performance of the Provider's obligations under this Contract. This indemnification obligation is not limited by, but is in addition to, the insurance obligations contained in this Contract.

Furthermore, the provisions of this indemnification clause shall in no way limit the obligations assumed by the Provider under this Contract, nor shall they be construed to relieve the Provider from any liability nor preclude the State of New Jersey, its Agencies, and/or the Department of Human Services from taking any other actions available to them under any other provisions of this Contract or otherwise in law.

The Provider's liability under this agreement shall continue after the termination of this agreement with respect to any liability, loss,

expense or damage resulting from the acts occurring prior to termination.

Section 5.05 Insurance. The Provider Agency shall maintain adequate insurance coverage. The State of New Jersey, Department of Human Services and the Departmental Component shall be included as an Additional Insured on any insurance policy applicable to this Contract. Should the Provider Agency fail to pay any premium on any insurance policy when due, the Department may pay the premium and, upon Notice to the Provider Agency, reduce payment to the Provider Agency by the amount of the premium payment. The Provider Agency is responsible for forwarding a copy of its insurance policy declaration page to the Contracting Departmental Component for its contract files.

Section 5.06 Modifications and Amendments. If both parties to this Contract agree to amend or supplement this Contract, any and all such amendments or supplements shall be in writing and signed by both parties. The amendment or supplement shall incorporate the entire Contract by reference and will not serve to contradict, amend or supplement the Contract except as specifically expressed in the amendment or supplement.

Section 5.07 Statement of Non-Influence. No person employed by the State of New Jersey has been or will be paid any fee, commission, or compensation of any kind or granted any gratuity by the Provider Agency or any representative thereof in order to influence the awarding or administration of this Contract.

Section 5.08 Exercise of Rights. A failure or a delay on the part of the Department or the Provider Agency in exercising any right, power or privilege under this Contract shall not waive that right, power or privilege. Moreover, a single or a partial exercise shall not prevent another or a further exercise of that or of any other right, power or privilege.

Section 5.09 Recognition of Cultural Sensitivity. The Provider Agency agrees in the performance of this Contract to be sensitive to the needs of the minority populations of the State of New Jersey. This sensitivity includes the employment, if possible, of a culturally diverse staff that can communicate with, and be representative of, the community it serves.

The Provider Agency shall make programs linguistically appropriate and culturally relevant to underserved minority groups within the community. Appropriate accommodations for services shall be developed and maintained for those minority individuals who are deprived of reasonable access to those services due to language barriers or ethnic and cultural differences. In addition, Provider Agencies shall make certain that all programs and services are reflective of the demographic needs of the community, while providing all minorities the

opportunity to experience any and all available social services irrespective of their ethnic or cultural heritage.

Section 5.10 Copyrights. The State of New Jersey reserves a royalty-free, nonexclusive and irrevocable right to reproduce, publish or otherwise use any work or materials developed under a Department or federally funded contract or subcontract. The Department also reserves the **sole** right to authorize others to reproduce, publish or otherwise use any work or materials developed under said contract or subcontract.

Section 5.11 Successor Contracts. If an audit or Contract close-out reveals that the Provider Agency has failed to comply with the terms and/or conditions of this Contract, the Department reserves the right to make all financial and/or programmatic adjustments it deems appropriate to any other Contract entered into between the Department and the Provider Agency.

Section 5.12 Sufficiency of Funds. The Provider Agency shall recognize and agree that both the initial provision of funding and the continuation of such funding under the Contract is expressly dependent upon the availability to the Department of funds appropriated by the State Legislature from State and/or Federal revenue or such other funding sources as may be applicable. A failure of the Department to make any payment under its contract with the Provider Agency or to observe and adhere its performance obligation under the contract as a result of the failure of the Legislature to appropriate the funds necessary to do so shall not constitute a breach of the Contract by the Department or default thereunder and the Department shall not be held financially liable therefore. In addition, future funding shall not be anticipated from the Department beyond the duration of the Contract with the Provider Agency and in no event shall the contract be construed as a commitment by the Department to expend funds beyond the termination date set therein.

Section 5.13 Collective Bargaining. State and federal law allow employees to organize themselves into a collective bargaining unit. Funds provided under this Contract shall not be utilized to abridge the rights of employees to organize themselves into a collective bargaining organization or preclude them from negotiating with Provider Agency management. Funds may be utilized for legitimate and reasonable management purposes at the direction of the Provider Agency during the process of collective bargaining organization.

Section 5.14 Independent Employer Status. Employees of Provider Agencies that Contract with the Department of Human Services are employees of the Provider Agency, not the State.

In accordance with the National Labor Relations Act, 29 U.S.C.A. 152(2) and State law, N.J.S.A. 34:13A-1 et seq., Provider Agencies are independent, private employers with all the rights and obligations of

such, and are not political subdivisions of the Department of Human Services.

As such, the Provider Agency acknowledges that it is an independent contractor, providing services to the Department of Human Services, typically through a contract-for-services agreement. As independent contractors, Provider Agencies are responsible for the organization's overall functions which includes the overseeing and monitoring of its operations, establishing the salary and benefit levels of its employees, and handling all personnel matters as the employer of its workers.

The Provider Agency acknowledges its relationship with its employees as that of employer. While the Department has an adjunct role with Provider Agencies through regulatory oversight and ensuring contractual performance, the Provider understands that the Department is not the employer of a Provider Agency's employees.

The Provider Agency further acknowledges that while the Department reimburses Provider Agencies for all allowable costs under the Contract, this funding mechanism does not translate into the Department being responsible for any of the elements of any collective bargaining agreements into which Provider Agencies may enter. Moreover, each Provider Agency understands that it is responsible for funding its own programs and is not limited to the amount of funding provided by the Department, and, in fact, is encouraged to solicit non-State sources of funding, whenever possible.

Section 5.15 Executive Order No. 189. Executive Order No. 189 establishes the expected standard of responsibility for all parties that enter into a contract with the State of New Jersey. All such parties must meet a standard of responsibility that assures the State and its citizens that such parties will compete and perform honestly in their dealings with the State and avoid conflicts of interest.

In compliance with Paragraph 3 of Executive Order No. 189, no Provider Agency shall pay, offer to pay, or agree to pay, either directly or indirectly, any fee, commission, compensation, gift, gratuity, or other thing of value of any kind to any State officer or employee or special State officer or employee, as defined by N.J.S.A. 52:13D-13b and e, in the Department of the Treasury or any other agency with which such Provider Agency transacts or offers or proposes to transact business, or to any member of the immediate family, as defined by N.J.S.A. 52:13D-13i, of any such officer or employee, or any partnership, firm, or corporation with which they are employed or associated, or in which such officer or employee has an interest within the meaning of N.J.S.A. 52:13D-13g.

The solicitation of any fee, commission, compensation, gift, gratuity or other thing of value by any State officer or employee or special State officer or employee from any Provider Agency shall be

reported in writing forthwith by the Provider Agency to the Attorney General and the Executive Commission on Ethical Standards.

No Provider Agency may, directly or indirectly, undertake any private business, commercial or entrepreneurial relationship with, whether or not pursuant to employment, contract or other agreement, express or implied, or sell any interest in such Provider Agency to, any State officer or employee or special State officer or employee having any duties or responsibilities in connection with the purchase, acquisition or sale of any property or services by or to any State agency or any instrumentality thereof, or with any person, firm or entity with which he is employed or associated or in which he has an interest within the meaning of N.J.S.A. 52:13D-13g. Any relationships subject to this provision shall be reported in writing forthwith to the Executive Commission on Ethical Standards, which may grant a waiver of this restriction upon application of the State officer or employee or special State officer or employee upon a finding that the present or proposed relationship does not present the potential, actuality or appearance of a conflict of interest.

No Provider Agency shall influence, or attempt to influence or cause to be influenced, any State officer or employee or special State officer or employee in his official capacity in any manner which might tend to impair the objectivity or independence of judgment of said officer or employee.

No Provider Agency shall cause or influence, or attempt to cause or influence, any State officer or employee or special State officer or employee to use, or attempt to use, his official position to secure unwarranted privileges or advantages for the Provider Agency or any other person.

The provisions cited above shall not be construed to prohibit a State officer or employee or special State officer or employee from receiving gifts from or contracting with Provider Agencies under the same terms and conditions as are offered or made available to members of the general public subject to any guidelines the Executive Commission on Ethical Standards may promulgate.
