

Sandy Funding Criteria Worksheet

State Department:
New Jersey Department of Health Public Health Infrastructure, Laboratories and Emergency Preparedness
Name of Expenditure or Program:
Information and Referral —EMS Communication System
Amount:
\$118,000

Overview:		
<p>Funds requested to purchase for the Deputy Emergency Medical Services (EMS) Coordinator in the Office of Emergency Management of each county one portable radio for communication with all stakeholders during requests for mutual aid and disaster response. The statewide 800 radio system is the primary means of communication when landline and cellphone systems are inoperable. Funds will be used to purchase and distribute radios as indicated above with performance period of July 1, 2013—June 30, 2024 (ten year shelf life).</p>		
Federal Department of Origin:		
Department of Health and Human Services		
Federal Requirements / Restrictions:		
<p>Funds to be totally expended by September 30, 2015. Also subject to Integrity Oversight monitoring via Assembly Bill A60 (A-60)(P.L.2013,c.37). Additional State regulations related to Governor Christie's Executive Order 125, as well as all applicable federal and state regulations for Procurement and Grants Management.</p>		
Selection Standards:		
<p>Requested items will be provided through open competitive bids solicited by the Department of Health Procurement team and will be subject to normal procurement regulations via vendors that meet applicable criteria.</p>		
Eligibility Standards:		
<p>Open competitive bids will be requested and advertised in conjunction with New Jersey State procurement standards.</p>
