TOTAL ACREAGE FOR 75 FARMS⁴		5,080.17

1. Preserved farm acres often includes areas of minor acreage called “Exceptions” that are within the preserved “Premises”, but not deed restricted (these Exceptions are typically 1-2 acres for a residence and/or non-farm business).
2. Preserved farm acres estimated pending final disposition of property.
3. Exception area is 4.27 acres for a winery and residence.
4. Current number of farms differs from acquisitions because of farm divisions.
