## **SPECIFICATIONS FOR REMOVAL AND DISPOSAL OF SOLID WASTE AND RECYCLABLES FROM VARIOUS LOCATIONS IN MERCER COUNTY**

### **INTENT**

It is the intent of the County of Mercer to enter into a three (3) year contract with an add alternate for two additional years with a New Jersey licensed hauler of Solid Waste and Recycling for the removal and disposal of solid waste and recyclable materials from various County facilities within Mercer County. Contractor is required to have a license with authorization to operate a Solid Waste Company issued by the State of New Jersey. All vehicles shall be registered with and conform to requirements of N.J. DEP in accordance with NJAC 7:26-3.1 et-seq.

### **SCOPE OF WORK**

The Contractor will be responsible for the removal of waste and recyclables from all locations listed in this specification will remove all waste and provide all necessary containers and compactors. Disposal of solid waste shall be at a facility licensed and approved by the Mercer County Improvement Authority. The Contractor will assume all costs for the disposal of solid waste. Vendor shall provide a contract administrator for this account. Please provide name and telephone number.

This contract shall be consistent with the New Jersey Recycling Act and the Mercer County Solid Waste Management Plan including provisions of the Mercer County Recycling Plan Ordinance.

The contractor shall comply with all referenced statutes and ordinances which are currently in effect in the State of New Jersey and the County of Mercer. Contact the Mercer County Improvement Authority at (609) 278-8100 with questions regarding Solid Waste Disposal and Recycling. According to the Universal Waste Rule as promulgated by the US EPA, there shall be no restriction as to the type of waste collected except that material as defined by the New Jersey Recycling Act.

All waste containers shall be clearly identified for waste collection intended, e.g., solid waste shall be marked as such and recyclables shall be marked accordingly. All recyclable containers shall be secured by a locking device.

The Contractor shall not remove solid waste materials contaminated with recyclables designated for source separation by the Mercer County Recycling Ordinance. If the Contractor finds containers of solid waste materials contaminated with recyclable materials, he shall notify the County designee and the Mercer County Improvement Authority. After three notifications the Contractor shall not remove containers until the County has removed the contaminants.

If the contaminants are not detected until the solid waste reaches the Mercer County Transfer Station, the Contractor shall endeavor to ascertain the source of said contamination and notify the County Designee. Commingling of solid waste and recyclables is a violation of law and the Contractor will be held responsible for the enforcement thereof.

The Contractor shall maintain all containers in good repair. All containers shall be painted as required to maintain good appearance. Containers that cannot be repaired or repainted shall be replaced.

The County reserves the right to add, delete or relocate containers and compactors; and increase or decrease the size of containers as necessary based on the needs of each facility. Contractor shall provide pricing for additional units in accordance with bid upon same/similar size units.

The Contractor will be compensated as per the terms and rates specified in the bid proposal. **The Contractor will provide a replacement Container or Compactor within 24 hours of notice. The**

**county shall be billed only for actual removal and disposal at each facility. If the contractor is unable to provide the pull or disposal as per the attached schedule, the County shall not be billed.**

Container located at the Geriatric Center shall be steam cleaned on a weekly basis to insure the elimination of odors in the patient areas.

Compactor located at the Correction Center shall be self-contained. Due to the high volume of food waste, said container shall not leak and shall be sanitized monthly.

Containers are located in the receiving/maintenance area of The Mercer Youth Detention Center. The Mercer House container is located in the main parking area.

**COMPACTORS**

Compactors at the following locations shall have an on-call device, which signals the Waste Hauler that the container is full:

Administration Building	30 cubic yards
Corrections	40 cubic yards
Youth Detention Center	30 cubic yards
Geriatric Center	40 cubic yards
Waterfront Stadium	30 cubic yards
Public Works	40 cubic yards – Open Top

The Contractor shall provide and retain ownership of compactor, equipment and software throughout the contract period. The installation of Compactors shall include but not be limited to electric, chute or ramp work, enclosures and fencing, flatwork/concrete work and guide rails of the above containers shall be at the sole expense of the contractor. The compactor on-call Device shall be set for an 85% full call in order to allow time for pick-up.

**NOTE:** For bid purposes, complete Attachment A when calculating the costs for compactor rental, pull charge and container pull charge. Calculation shall be based upon the monthly rental compactor charge (12 months) and the weekly pull charge (52 weeks) for compactors and containers.

The Contractor shall submit monthly billings for each location serviced. Said billings shall be remitted to the user Department.
