NOTICE TO BIDDERS

Notice is hereby given that on **NOVEMBER 6, 2009 AT 11:00 AM** (Prevailing time), sealed bids will be opened and read in public by the Purchasing Agent in the Mercer County McDade Administration Building, 640 South Broad Street, Room 109, Trenton, New Jersey for:

TRAILER MOUNTED CASCADE SYSTEM WITH BREATHABLE AIR COMPRESSOR FOR THE MERCER COUNTY OFFICE OF EMERGENCY MANAGEMENT

Specifications and instructions to bidders may be obtained at the Purchasing Office or on the County website at www.mercercounty.org. Bids shall be delivered in sealed envelopes and addressed to Marcella Covello, Purchasing Agent, Room #109, 640 South Broad Street, P.O. Box 8068, Trenton, NJ 08650-0068.

Express mail shall be delivered to the Department of Purchasing, 640 S. Broad Street, Room 109, Trenton, New Jersey 08611.

All Bid Addenda will be issued on the website; therefore, all interested respondents shall check the website from now through the bid opening. It is the sole responsibility of the respondent to be knowledgeable of all addenda related to this procurement.

Bidders are required to comply with the requirements of N.J.S.A.10:5-31 et seq. and N.J.A.C. 17:27.

**SPECIFICATIONS FOR
TRAILER MOUNTED CASCADE SYSTEM WITH BREATHABLE AIR COMPRESSOR
THE MERCER COUNTY OFFICE OF EMERGENCY MANAGEMENT
350 LAWRENCE STATION ROAD
LAWRENCEVILLE, NJ 08648
CONTACT PERSON: ROBERT HARTMAN - 609-799-8868**

INTENT

The County of Mercer requests bids for a trailer mounted cascade system with a breathable air compressor. Assembly shall be dual powered by an electric motor or a Diesel water-cooled engine. This system shall be used to charge self-contained breathing apparatus. The air supplied by this charging system shall meet or exceed the requirements at Grade "E" breathing air as described in the Compressed Gas Association, Commodity Specification, G-7.1. The system shall meet all current NFPA, OSHA, NIOSH, State Industrial Safety and Vehicle Code requirement.

WARRANTY

The equipment supplied shall be guaranteed to be new, of current design, and free of all defects in material and workmanship for a period of two years, and will include all prescribed service and maintenance for two years.

AIR COMPRESSOR ASSEMBLY

The assembly shall incorporate four stages. It shall be a reciprocating air-cooled compressor with relief valves and heat exchanger after each stage of compression. The compressor shall be a combination of, double-acting and single acting cylinder/piston design with three connecting rods. The cooling air shall be supplied from a fan assembly mounted on the flywheel that delivers not less than 6000 cubic feet of cooling air per minute. Lubrication shall be accomplished by means of a differential pressure/controlled splash system. External pressure, (force-feed) oil pump providing oil spray into the fourth stage for lubrication is not acceptable.

COMPRESSOR FEATURES

Frame – The 100% cast iron designed to support the overhung crankshaft. Cylinders bolt directly to the cast iron frame. Frame is completely sealed yet allows for maximum accessibility.

Crankshaft – A unique overhung design supported by two heavy-duty ball bearings with replaceable crankpin bearing. Entire shaft is balanced with an integral counterweight to insure smooth trouble free operation.

Connecting Rods – Crankpin bearing inside the rod is precision ground requiring no alignment.

Cylinders – These are 100% cast iron, separately cast and individually bolted to the frame. The cylinders are precision honed for low oil carryover. Radial fins on the cylinders help remove heat and ensure 360 degree cooling of the cylinders.

Pistons – The first and second stages utilize a step type double acting piston, while the third stage utilizes a steeple type piston. The fourth stage uses a built-up, steeple type piston.

Rings – The first stage utilizes five compression rings and one oil control ring. The second stage utilizes three compression rings and one oil control ring. The third stage uses four compression rings and one oil scrapper ring. The fourth (final stage) using five compression rings and one oil scrapper ring.

Flywheel – The cast iron fan type flywheel with attached fan forces a “cyclone” air blast the deep finned cylinders, multi-finned intercooler, and finned tube aftercooler. The flywheel is balanced for vibration free operation. The fan is bolted to the flywheel and is available in several sizes to match ambient conditions.

Intercoolers – The intercoolers between stages are of finned tube construction, to provide maximum cooling area. They are located directly in the flywheel air blast, to remove the heat of compression between stages, keeping running temperatures and power loads to a minimum. The intercoolers are provided with a relief valve to prevent over-pressurization.

Intercooler Pressure Gauge – Pressure gauges are provided to display reading pressure in the intercooler(s). Abnormal pressures indicate when valve maintenance is required, eliminating costly tear down inspections.

Lubrication – Splash lubrication of running parts is simple and reliable. Lubrication dippers are integral with connecting rods and cannot come loose.

Inlet Filter – The filter has a durable carbon steel canister with baked enamel finish. A treated paper dry type) 10micron inlet filter/silencer is standard.

Valves – The first and second stage shall have concentric ring valves that allow balanced and efficient inlet and discharge airflow. The third and fourth stages shall have concentric ring and plate valves that are of the cartridge type for ease of maintenance. All valves shall be made of premium grade stainless steel. Valve components are easily removable for inspection and maintenance.

Unloader – The unloader automatically bleeds the air from intercoolers and cylinders, providing a loadless start. This protects the motor from overload.

Burst Disc Discharge Relief Valve – The burst disc discharge relief valve, protects the system from any sudden, abnormal pressure surge. A conventional relief valve may not relieve have the capability to “relieve” quickly enough.

Low Oil Level Switch – Low oil level switch prevents the unit from operating when oil is low.

Air-cooled Aftercooler – Air-cooled aftercooler lowers discharge air temperature to within 15 degrees F. of ambient temperature.

Separator/Drain Traps – A drain trap is supplied between the second and third stage, third and fourth stage, and at the discharge of the compressor. The accumulated water and oil vapor is automatically removed.

Automatic Condensate Drain System – An automatic condensate drain system automatically drains the condensate traps during operation and when the compressor stops.

Compressor shall have piston rings on all pistons. The third and fourth stage pistons shall be connected to the guide piston by a concentric retainer, such that the compression piston is free of thrust loading, and always is in contact with the guide/drive piston to prevent damage caused by a free floating piston.

PURIFICATION SYSTEM

1. The purification system shall consist of a mechanical oil/moisture separator and four chemical purification chambers. The chambers shall be designed to conform to the ASME code for Unfired Pressure Vessels.
2. Purification chambers shall be constructed in aluminum alloy 6082T6 as its anti-corrosive properties exceed all other chamber materials.
3. Purification system shall process a minimum of 84,000 SCF of air per cartridge set. Purified air shall be measured by the actual weight of Molecular Sieve. Electronic dew point (DP) detection shall not be used as a means to claim extended chemical cartridge life.
4. Each purification chamber shall have “Safety Burst Discs” integrated into its base, for maximum safety.
5. CO and dew point sensors shall not be installed in the purification chamber. Sensors shall be installed downstream of all chambers so the sampled air is representative of that delivered to the B.A. cylinders.

The purification system shall have the following minimum ratings:

1. 6000 PSI working pressure.
2. 4 to 1 safety factor.
3. 5 to 80 SCF minimum flow capacity.
4. 84,000 standard cubic feet of air purified per chemical cartridge set.

CONTROLS AND MONITORS

All significant functions of the system shall be monitored and controlled by a microprocessor controller. The operational status will be presented on an annunciator panel. In the event of an out-of-tolerance condition, the “controller” will “alarm” and stop the compressor. The “status” and/or “cause” will be indicated on the annunciator panel. All accumulated times on all significant time sensitive functions will be recorded and displayed on command. The system shall have the following as a minimum: FUNCTIONS / PARAMETERS MONITORED AND CONTROLLED CO & Dew Point Monitor.

1. COMPRESSOR ASSEMBLY

- a. Compressor start/stop (stop - advise normal and alarm abnormal condition)
- b. Discharge air pressure (stop - advise normal condition)
- c. Auto condensate drain control (cycle drain function, advise normal condition)
- d. Auto Drain/Cool Down Cycle ** (on each shutdown, pressure switch or Stop button; advise normal condition)

- e. Oil level and/or pressure (stop, alarm and advise abnormal condition)
- f. Give automatic service status for Air Sample, CO Monitor calibration and Purifier elements.
- g. Multi-level password feature for security.
- h. Downloadable history for diagnostic and performance evaluation.

****COOL DOWN SYSTEM** - The system shall have the capability of dumping all mechanical moisture traps every fifteen (15) minutes during compressor operation. Prior to shutdown, manually or automatically, it shall open and unload all moisture drain valves. It shall run for two to five minutes in order to cool and dry completely purge the system of all accumulated water and oil vapor.

2. PURIFICATION SYSTEM

- a. Dewpoint monitoring/control (Constant monitoring) (stop, alarm and advise abnormal condition)
- b. Carbon monoxide monitoring/control (Constant monitoring) (stop, alarm and advise abnormal condition)
- c. Auto condensate drain control (advise status normal condition)
- d. "Purge" control, dumps the air exiting the purifier in order to clear up temporary alarm conditions (advise status normal condition)

3. HOUSEKEEPING

- a. Total time on compressor assembly (advise time on command)
- b. Time since compressor service (re-settable, advise time on command)
- c. Time since purification cartridge change (re-settable, advise time on command)
- d. Time on DP monitor cell (re-settable, advise time on command)
- e. Time on CO monitor cell (re-settable, advise time on command)
- f. Automatic calibration notification of CO monitors (advise procedure on command)

4. ALARMS (AUDIO/VISUAL)

- a. High discharge air temperature - with automatic compressor "STOP", the upper limit is factory set.
- b. High discharge air carbon monoxide - with automatic compressor "STOP",
- c. High discharge air moisture (dewpoint) - with a "WARN" to advise a pending filter (purification cartridge) change; an "ALARM" with automatic compressor "STOP",
- d. Low oil level and/or pressure - with automatic compressor "STOP".

5. SPECIAL FEATURES AND CONTROLS

- a. Prolonged run time control. Will stop the compressor assembly when pre-determined continuous run time has been exceeded. An audio/visual alarm and word advise is presented on the abnormal condition. "RESET" is required
- b. Time delay for false alarm recognition. Pre programmed to prevent false alarms from stopping the compressor or initial system setup and on purifier cartridge change.
- c. Demand Control **(In Automatic mode)
- d. "Emergency Stop" control mounted on the main control panel.
- e. Back light control switch on panel.

6. DISPLAY

- a. Final Pressure "Storage Full" (up to 6000 PSI)
- b. Discharge Air Temp Up to 800 OF

- c. Oil Level/Pressure “GO-NO-GO” alarm
- d. Dew Point Level Up to 30 0F, down to minus 100 0F
- e. Carbon Monoxide Level 0 to 200 PPM

**** DEMAND CONTROL** The compressor will automatically respond to air “demand”, keeping the air receivers at full pressure.

CONTAINMENT FRAGMENTATION SHIELD

1. The charge system shall be a separate module. It shall be designed to safely and efficiently recharge breathing apparatus cylinders (BACs) in a protective containment “chamber” that will contain all fragments in the event of BAC failure. The resulting air blast shall be vented in a harmless direction such that any resultant air or particle flow will not cause injury or collateral damage to persons or property. The containment chamber must have been tested to contain a one hour (90 cu ft) BAC for maximum safety per NFPA 1901.
2. The design of the system shall be such that two BACs are charged within the “chamber” while two BACs are attached and made “ready” on the outside of the “chamber”. When the first two BACs are charged, they shall be rotated out of the “chamber” as the “ready” BACs are rotated into the “chamber”. Once the locks are engaged, the BACs automatically begin filling.
3. The charge adapters shall be the “rigid-fast-attach/quick release” type. The charge adapters shall be mounted 36 inches plus or minus four inches above ground/floor level, to provide an efficient ergonomic operation.
4. The device shall contain safety interlocks such that if the “chamber” is not closed and locked, air will not flow into the BACs. The “chamber” shall automatically lock and unlock by the operation of a single actuation lever. BAC charging shall be accomplished by presetting the air flow-control valve and pressure regulator to the required flow and air pressure and engaging the locks.
5. The control panel shall contain “safety” pressure gauges for air from the compressor, the air storage system, and the BACs being charged. Manual bleed valves shall be integrated into the charging circuit to provide a rapid and safe BAC disconnect.
6. An adjustable pressure regulator shall be provided to select the “charge” pressure for automatic BAC recharging.
7. Safety relief valve shall be incorporated to prevent over charging high pressure BACs. The system shall come with a 6000psi in, 5000 psi maximum out fill pressure regulator.
8. Where automatic control valves are used, manual by-pass valves shall be installed for emergency operation. A “Full System Pressure” outlet port shall be provided at the rear of the control panel for additional devices to be added at any time.

PERFORMANCE

This performance is based on charging a 30 minute, 4500 PSI, breathing air cylinder (BAC), from 0 to 4500 PSI at a rate not to exceed a pressure rise of 1500 PSI per minute (recommended by all BAC manufacturers). This rate will require three minutes to fill the BACs. Result must be 100 cylinders completely charged in 2 hours and 34 minutes. This performance analysis shall include the necessary manipulations that are normal for that charge station. Mathematical computation of the compressor charge rate alone is not acceptable.

AUTOMATIC SEQUENCE CONTROL

An Automatic sequence control valves shall be factory installed to manage the direction of airflow. When the storage and BAC pressure gauges equalize, the system shall prioritize the BACs. When the BACs are fully charged, the airflow is automatically redirected so as to fill the storage air receivers.

AIR STORAGE SYSTEM

The air storage system shall be an integral part of the charge station. The cylinders shall be mounted in a Horizontal position, plumb as one volume. The system shall have ASME relief valves, isolation valves, drain valves, and pressure gauges as required by current federal and state OSHA codes. Each cylinder shall be rated for a minimum of; 5200 PSIG @ 4 to 1 safety factor, and have a capacity of 454 standard cubic feet @ 5000 PSIG or 7000 PSIG @ 3 to 1 safety factor, and have a capacity of 525 standard cubic feet @ 6000 PSIG. The system shall be equipped with ASME storage cylinders.

LOW PRESSURE REGULATOR

A low-pressure outlet shall provide regulated air and shall have an adjustable pressure regulator to provide pressure to 200psi. The regulator shall be a heavy-duty type with solid aluminum body and rated for 6000psi-inlet pressure.

The complete mobile air unit shall be mounted on a **dual axle** trailer assembly with hitch assembly, tires, axle suspension and wheels. The axle shall be equipped with surge brakes and the trailer suspension shall be torsion bar design (axles shall be adjustable). The complete mobile air unit shall be efficiently designed and mounted so that the complete assembly, including tongue shall not exceed 193" in length, 75" in width and 91" in height with light tower in stowed position. The entire trailer chassis shall be constructed from structural steel 2X5-inch channel C4 steel and 3/8 angle and with a web of 1/8 inch. The axles shall be a torsion bar design commensurate with the GVW rating (7000lb). Each corner of the trailer shall have lifting eyes, 3 inches in diameter, constructed from 5 inch wide flat bar by 1/2 inch thick. The tongue shall be constructed of 3X3-inch square tube, 1/4 inch thick. All structural steel shall be A36. The complete assembly shall be a weldment with all joints 100% weld filled with penetration of at least 50% of the material thickness. The mobile air unit components shall be housed under a protective cover with top and sides enclosed. Both sides of the cover shall have a single horizontally hinged lift up door with shocks to hold the doors open for component access and service. The compressor shall have wire guards installed for safety around the moving parts. The trailer can be operated with door closed. The body sides shall be formed in two pieces. The upper portion shall have a pair hinged access doors running the complete length of the trailer. The lower portion shall run the complete length of the trailer and

have an integrated fender with access panels to storage system. The top of the enclosure shall be constructed of one continuous sheet of material. All body panels shall be constructed of 1/8-inch thick 5052 aluminum. The grills of the trailer shall be constructed of 6063 aluminum. The grilles shall have a grid of 1X3/6 on 4 inches center with opening of 1X4 inches. The cover shall be constructed of aluminum sheet and shall be powder coat finished for longevity. The trailer wheels shall be Aluminum; tires shall be ST225/75R 15" highway trailer tires, with chrome center cap and lug nuts. The trailer assembly shall have all required FMVSS lighting wired to a weatherproof 7-pin trailer plug with pigtail located near the tongue of the trailer for easy connection to the tow vehicle. The tongue shall be equipped with a retractable caster tongue jack to aid in moving the trailer around and never needs to be removed for travel. The tongue shall be equipped with a 2 5/16-inch ball hitch.

POWER SOURCES

PERFORMANCE SPECIFICATION (208/60Hz)

COLD WEATHER PACKAGE

Includes heating elements for engine water-jacket, compressor crankcase oil and for condensate drain valves. One centrally located 120VAC male inlet receptacle with standard household configuration, and an adjustable throttling curtain to control exiting warm air.

CALIBRATION KIT FOR CARBON MONOXIDE MONITOR

Includes a calibration regulator and connection hose assembly, 1ea 20PPM calibration gas cylinder and 1ea Zero PPM calibration gas cylinder with Material Safety Data Sheets for both. Complete instructions for proper calibration and a protective hard plastic carrying case that houses all kit components. The calibration gas cylinders volume shall be enough for a minimum of twelve calibrations when used according to the instructions provided.

SCBA STORAGE

SCBA storage on top of trailer, a rack to hold a total of 22 small cylinders or 11 large cylinders. Hinged door with locking handle on each side.

LIGHT TOWER & GENERATOR

The apparatus shall be equipped with an auxiliary 2 bearing generator, rated no less than 7.2KW single phase, 110/220 VAC outputs and speed not to exceed 1800 RPM. The apparatus shall have a 15-foot telescoping, pneumatic flood light tower, with four 300-watt quartz lights. The flood light system shall have a retractable cord reel inside the body of the apparatus. The maximum resting height shall not exceed 12 inches above the apparatus roof. This option includes automatic extension of the compressor air inlet. The unit shall have five thumbscrews collar for locking the mast for travel. The system shall have four pairs of outlet 110volts/15amps and one 220 outlet.

SPARE TIRE AND WHEEL ASSEMBLY

Spare tire and wheel assembly, matching trailer tires and wheels, shall be mounted outside the enclosure for easy access. An appropriate lug wrench shall be provided.

SCUBA ADAPTER KIT

Comes with CGA 346/347 type adapter. SCUBA filling capabilities can be added to either of these choices. One SCUBA kit includes a hose, necessary adapters, and tank holder along with instructions to fill one SCUBA tank safely within the enclosure.

LOW & HIGH PRESSURE HOSE REEL

A low-pressure hose reel shall be mounted and piped within the trailer assembly. Hose reel shall be rated for 300psi working pressure and shall be capable of holding 150ft of low-pressure hose. Reel shall include: Side disc with roller edges incorporating concentric reinforced ribs for extra strength. Bearings to support the axle on each end of the reel to provide smooth rotation and eliminate weight on the swivel joint. Swivel joint inlet to permit the reel to rotate freely while connected. Reel to be equipped with electric rewind motor. Rollers shall be provided to guide low-pressure hose on and off reel. A stop shall be supplied to prevent the end of the hose from being wound on the reel.

A high-pressure hose reel shall be mounted and piped within the trailer assembly. Hose reel shall be rated for 6000psi working pressure and shall be capable of holding 250ft of high-pressure hose. Reel shall include: Side disc with roller edges incorporating concentric reinforced ribs for extra strength. Bearings to support the axle on each end of the reel to provide smooth rotation and eliminate weight on the swivel joint. Swivel joint inlet to permit the reel to rotate freely while connected. Reel to be equipped with electric rewind motor. Rollers shall be provided to guide high-pressure hose on and off reel. A stop shall be supplied to prevent the end of the hose from being wound on the reel.

DELIVERY, INSTALLATION & TRAINING

The complete system shall be assembled and tested as a complete system at the factory prior to shipment. A test certificate shall be part of the Operation manual (1 set) that shall be shipped with the system. The system shall be delivered, set up, and checked out at the County's destination. The County shall receive training by the distributor on the operation and maintenance of the system as required. **Sixty-day (60) delivery**

INSTRUCTIONS TO BIDDERS AND STATUTORY REQUIREMENTS

1. SUBMISSION OF BIDS

- A. Sealed bids shall be received by the County of Mercer in accordance with public advertisement as required by law, with a copy of said notice being attached hereto and made a part of these specifications.
- B. The bid shall be submitted in a sealed envelope: (1) addressed to the County of Mercer, (2) bearing the name and address of the bidder written on the face of the envelope, and (3) clearly marked "BID" with the contract title and/or bid # being bid.
- C. It is the bidder's responsibility that bids are presented to the County at the time and at the place designated. Bids may be hand delivered or mailed; however, the County disclaims any responsibility for bids forwarded by regular or overnight mail. If the bid is sent by express mail service, the designation must also appear on the outside of the express mail envelope. Bids received after the designated time and date will be returned unopened. **Express mail shall be delivered to the Department of Purchasing, 640 S. Broad Street, Room 109, Trenton, New Jersey 08611.**
- D. The Mercer County Park Commission and the Mercer County Library System are considered agencies of the County entitled to participate in the contract(s) resulting from this bid.
- E. Sealed bids forwarded to the County before the time of opening of bids may be withdrawn upon written application of the bidder. Once bids have been opened, they shall remain firm for a period of sixty (60) calendar days.
- F. All prices and amounts must be written in ink or preferably machine-printed. Bids containing any conditions, omissions, unexplained erasures or alterations, items not called for in the bid proposal form, attachment of additive information not required by the specifications, or irregularities of any kind, may be rejected by the County. Any changes, whiteouts, strikeouts, etc. in the bid must be initialed in ink by the person signing the bid.
- G. Each bid proposal form must give the full business address, business phone, fax, e-mail if available, the contact person of the bidder, and be signed by an authorized representative as follows:
- Bids by partnerships must furnish the full name of all partners and must be signed in the partnership name by one of the members of the partnership or by an authorized representative, followed by the signature and designation of the person signing.
 - Bids by corporations must be signed in the legal name of the corporation, followed by the name of the State in which incorporated and must contain the signature and designation of the president, secretary or other person authorized to bind the corporation in the matter.
 - Bids by sole-proprietorship shall be signed by the proprietor.
 - When requested, satisfactory evidence of the authority of the officer signing shall be furnished.
- H. Bidder should be aware of the following statutes that represent "Truth in Contracting" laws:
- N.J.S.A. 2C:21-34, et seq. governs false claims and representations by bidders. It is a serious crime for the bidder to knowingly submit a false claim and/or knowingly make material misrepresentation.
 - N.J.S.A. 2C:27-10 provides that a person commits a crime if said person offers a benefit to a public servant for an official act performed or to be performed by a public servant, which is a violation of official duty.
 - N.J.S.A. 2C:27-11 provides that a bidder commits a crime if said person, directly or indirectly, confers or agrees to confer any benefit not allowed by law to a public servant.
 - Bidder should consult the statutes or legal counsel for further information.

- I. If not submitting a bid proposal in accordance with the attached instructions and specifications, the outside of the above stated envelope shall be plainly marked “**NO BID**” when being returned. If bidder wishes to remain on bid list, please mark “**NO BID - PLEASE RETAIN ON BID LIST**” on front page of this proposal. Failure to comply may result in bidder being dropped from bid list.
- J. Contract shall be awarded to the lowest responsible bidder as declared by the County of Mercer. The contract awarded between the County of Mercer and the successful bidder shall establish the contractual obligation regarding specific items, specifications and services to be provided to the county.
- K. Successful bidder shall not assign, transfer, convey sublet or otherwise dispose of the contract or any part thereof to anyone without the written consent of the County of Mercer.
- L. The County of Mercer reserves the right in the event of unsatisfactory service to cancel the contract awarded to the successful bidder and procure the goods or services from other sources and hold the contractor responsible for any excess cost.
- M. The successful bidder agrees that he will make no claim for additional payment or any other concession because of any misrepresentation or misunderstanding of the contract on his part, or of any failure to fully acquaint himself with any conditions relating to the contract.
- N. If the request for proposal involves the use of equipment or machinery, bidder shall submit a list of same owned by the bidder necessary to perform the work being sold.
- O. Bidders are cautioned to fill in all information as requested on the proposal forms to serve as a basis for making awards. The county, without invalidating the contract, may order changes consisting of additions, deletions or modifications and the contract sum shall be adjusted accordingly.
- P. Bidder shall list all deviations from the specifications as contained herein when returning proposal as specified.
- Q. The bidder, if awarded a contract, agrees to protect, defend and save harmless the County of Mercer against any damage for the payment for the use of any patented material process, article or device that may enter into the manufacture, construction or form a part of the work covered by his contract, and he further agrees to indemnify and save harmless the County of Mercer from suits or actions of every nature and description brought against it, for or on account of any injuries or damages received or sustained by any parties, by, or from any acts of the contractor, his servants or agents.
- R. Bidder must provide Certificate of insurance in a form and amount acceptable to the County of Mercer including General Liability, Automobile, Workman’s Compensation and such other coverage as may be deemed necessary by the County of Mercer for the work, services or goods being bid.
- S. Bidder shall submit financial statements if requested showing its financial ability to perform the work being bid. The County reserves the right to require additional financial documentation prior to the award of bid if, in the opinion of the County, the financial statements submitted with the bid are deemed to be inadequate. Failure to comply with this requirement may result in being rejected at the option of the County.
- T. **BIDDERS SHALL PROVIDE TRADE SECRET OR PROPRIETARY INFORMATION UNDER SECRET COVER WITH THE BID RESPONSE.**

2. INTERPRETATION AND ADDENDA, CHALLENGE TO SPECIFICATIONS

The bidder understands and agrees that its bid is submitted on the basis of the specifications prepared by the County. The bidder accepts the obligation to become familiar with these specifications.

Bidders are expected to examine the specifications and related documents with care and observe all their requirements. Ambiguities, errors or omissions noted by bidders should be promptly reported in writing to the Purchasing Agent. In the event the bidder fails to notify the County of such ambiguities, errors or omissions, the bidder shall be bound by the bid.

No oral interpretation of the meaning of the specifications will be made to any bidder. Every request for an interpretation shall be in writing, addressed to the Purchasing Agent. In order to be given consideration, written requests for interpretation must be received as least ten (10) days prior to the date fixed for the opening of the bids. Any and all such interpretations and any supplemental instructions will be in the form of written addenda to the specifications, and will be distributed to all prospective bidders, in accordance with Statute. All addenda so issued shall become part of the contract documents, and shall be acknowledged by the bidder in the bid. The County's interpretations or corrections thereof shall be final.

If the amount shown in words and its equivalent figures do not agree, the written words shall be binding. Ditto marks are not considered writing or printing and shall not be used. In the event that there is a discrepancy between the unit prices and the extended totals, the unit prices shall prevail. In the event there is an error of the summation of the extended totals, the computation by the County of the extended totals shall govern.

Any prospective bidder who wishes to challenge a bid specification shall file such challenges in writing with the contracting agent no less than three business days prior to the opening of the bids. Challenges filed after that time shall be considered void and having no impact on the contracting unit or the award of contract.

PRE-BID CONFERENCE – REFER TO ADVERTISEMENT FOR BID FOR DATE AND TIME – IF REQUESTED

3. BRAND NAMES, STANDARDS OF QUALITY AND PERFORMANCE

Only manufactured and farm products of the United States, wherever available, shall be used on this contract in accordance with prevailing statutes.

Brand names and or descriptions used in this bid are to acquaint bidders with the type of commodity desired and will be used as a standard by which alternate or competitive materials offered will be judged. Competitive items must be equal to the standard described and be of the same quality of work. Variations between materials described and the materials offered are to be fully explained by the bidder on a separate sheet and submitted with the proposal form. Vendor's literature will not suffice in explaining exceptions to these specifications. In the absence of any changes by the bidder, it will be presumed and required that materials as described in the proposal be delivered.

It is the responsibility of the bidder to demonstrate the equivalency of item(s) offered. The County reserves the right to evaluate the equivalency of a product which, in its deliberations, meets its requirements.

The contractor shall hold and save harmless the County, its officers, agents, servants, and employees, from any liability of any nature and kind for or on account of the use of any copyrighted or uncopyrighted composition, secret process, patented or unpatented invention or article furnished or used in the performance of this contract.

Wherever practical and economical to the County, it is desired that recycled or recyclable products be provided. Please indicate when recycled products are being offered.

In submitting its bid, the bidder certifies that the goods and services to be furnished will not infringe upon any valid patent or trademark and that the successful bidder shall, at its own expense, defend any and all actions or

suits charging such infringement, and will save the County harmless from any damages resulting from such infringement.

MULTI-BRAND MANUFACTURER'S

Specifications for a contract item may include a specific manufacturer's brand and model number or equivalent. The product brand or brands referenced in the specifications shall be restricted to one brand produced or manufactured by a multi-brand commercial products manufacturer.

4. PRICING INFORMATION FOR PREPARATION OF BIDS

The County is exempt from any local, state or federal sales, use or excise tax.

Estimated Quantities (Open-End Contracts): The County has attempted to identify the item(s) and the estimated amounts of each item bid to cover its requirements; however, past experience shows that the amount ordered may be different than that submitted for bidding. The right is reserved to decrease or increase the quantities specified in the specifications pursuant to N.J.A.C. 5:30-11.2 and 11.10. **NO MINIMUM PURCHASE IS IMPLIED OR GUARANTEED.**

Contractor shall be responsible for obtaining any applicable permits or licenses from any government entity that has jurisdiction to require the same. All bids submitted shall have included this cost.

Bidders shall insert prices for furnishing goods and services required by these specifications. Prices shall be net, including any charges for packing, crating, containers, etc. All transportation charges shall be fully prepaid by the contractor, F.O.B. destination and placement at locations specified by the County. As specified, placement may require inside deliveries. No additional charges will be allowed for any transportation costs resulting from partial shipments made for the contractor's convenience.

5. METHOD OF CONTRACT AWARD

The length of the contract shall be stated in the technical specifications. Pursuant to requirements of N.J.A.C. 5:30-5.1 et seq., any contract resulting from this bid shall be subject to the availability and appropriation of sufficient funds annually.

If the award is to be made on the basis of a base bid only, it shall be made to that responsible bidder submitting the lowest base bid. If the award is to be made on the basis of a combination of a base bid with selected options, it shall be made to that responsible bidder submitting the lowest net bid.

The County may also elect to award the contract on the basis of unit prices.

The form of contract shall be submitted by the County to the successful bidder. Terms of the specifications/bid package prevail. Bidder exceptions must be formally accepted by the County.

6. TERMINATION OF CONTRACT

If, through any cause, the contractor shall fail to fulfill in a timely and proper manner obligations under the contract or if the contractor shall violate any of the requirements of the contract, the County shall there upon have the right to terminate the contract by giving written notice to the contractor of such termination and specifying the effective date of termination. Such termination shall relieve the County of any obligation for balances to the contractor of any sum or sums set forth in the contract. County will pay only for goods and services accepted prior to termination.

Notwithstanding the above, the contractor shall not be relieved of liability to the County for damages sustained by the County by virtue of any breach of the contract by the contractor and the County may withhold any payments to the contractor for the purpose of compensation until such time as the exact amount of the damage due the County from the contractor is determined.

The contractor agrees to indemnify and hold the County harmless from any liability to subcontractors or suppliers concerning payment for work performed or goods supplied arising out of the lawful termination of the contract by the County under this provision.

In case of default by the contractor, the County may procure the goods or services from other sources and hold the contractor responsible for any excess cost.

Continuation of the terms of the contract beyond the fiscal year is contingent on availability of funds in the following year's budget. In the event of unavailability of such funds, the County reserves the right to cancel the contract.

ACQUISITION, MERGER, SALE AND/OR TRANSFER OF BUSINESS, ETC.

It is understood by all parties that if, during the life of the contract, the contractor disposes of his/her business concern by acquisition, merger, sale and or/transfer or by any means convey his/her interest(s) to another party, all obligations are transferred to that new party. In this event, the new County(s) will be required to submit all documentation/legal instruments that were required in the original bid/contract. Any change shall be approved by the County.

The contractor will not assign any interest in the contract and shall not transfer any interest in the same without the prior written consent of the County.

The County of Mercer reserves the right, at its option, to terminate this contract upon giving thirty (30) days written notice to the contractor.

7. PAYMENT

No payment will be made unless duly authorized by the County of Mercer's authorized representative and accompanied by proper documentation. Payment will be made in accordance with the County of Mercer's policy and procedures.

8. TRANSITIONAL PERIOD

In the event services are terminated by contract expiration or by voluntary termination by either the Contractor or The County of Mercer, the Contractor shall continue all terms and conditions of said contract for a period not to exceed thirty (30) days at the County's request.

9. NEW JERSEY SALES TAX

In submitting a bid, the Contractor certifies that the total base bid set forth does not include any New Jersey Sales Tax, and he further certifies that in the event of a successful bid, bidder will only apply for an exemption for materials or supplies to be used in connection with County property.

Contractor's Exemption Purchase Certificate, Form ST-13, issued by the State of New Jersey Division of Taxation, Sales Tax Bureau, shall be completed and presented to his suppliers for material used to make any permanent change to a County Building on this contract.

STATUTORY REQUIREMENTS REQUIRED AFFIRMATIVE ACTION EVIDENCE

No firm may be issued a contract unless they comply with the affirmative action regulations of P.L. 1975, c. 127, as amended from time to time.

Goods And Services (including professional services) Contracts

Each contractor shall submit to the public agency, after notification of award but prior to execution of a goods and services contract, one of the following three documents:

- A photocopy of the Federal Letter of Affirmative Action Plan Approval, or;
- A photocopy of a Certificate of Employee Information Report; or
- A photocopy of an Employee Information Report (Form AA302) which is available upon request.

Maintenance/Construction Contracts

After notification of award, but prior to signing the contract, the contractor shall submit to the public agency compliance officer and the Division of Contract Compliance and Equal Employment Opportunity in Public Contracts (Division) an initial project workforce report (Form AA201) provided to the public agency by the Division for distribution to and completion by the contractor, in accordance with N.J.A.C. 17:27-7.

AMERICANS WITH DISABILITIES ACT OF 1990

Discrimination on the basis of disability in contracting for the purchase of goods and services is prohibited. Bidders are required to read Americans With Disabilities language that is included in this specification and agree that the provisions of Title II of the Act are made a part of the contract. The contractor is obligated to comply with the Act and to hold the County harmless.

STATEMENT OF CORPORATION OWNERSHIP

N.J.S.A. 52:25-24.2 provides that no corporation or partnership shall be awarded any contract for the performance of any work or the furnishing of any goods and services, unless, prior to the receipt of the bid or accompanying the bid of said corporation or partnership. Bidders shall submit a statement with the bid setting forth the names and addresses of all stockholders in the corporation or partnership who own ten percent or more of its stock of any class, or of all individual partners in the partnership who own a ten percent or greater interest therein. Failure to submit a stockholder disclosure document shall result in rejection of the bid.

PROOF OF BUSINESS REGISTRATION

N.J.S.A. 52:32-44 requires that each bidder (contractor) submit proof of business registration with the bid proposal; failure to do so is a fatal defect that cannot be cured. Proof of registration shall be a copy of the bidder's Business Registration Certificate (BRC). A BRC is obtained from the New Jersey Division of Revenue. Information on obtaining a BRC is available on the internet at www.nj.gov/njbgs or by phone at (609) 292-1730.

NEW JERSEY WORKER AND COMMUNITY RIGHT TO KNOW ACT

The manufacturer or supplier of chemical substances or mixtures shall label them in accordance with the N.J. Worker and Community Right to Know Law (N.J.S.A. 34:51 et seq., and N.J.A.C 5:89-5 et seq.). Containers that the law and rules require to be labeled shall show the Chemical Abstracts Service number of all the components and the chemical name. Further, all applicable Material Safety Data Sheets (MSDS) and hazardous substance fact sheets must be furnished.

PREVAILING WAGE ACT

Pursuant to N.J.S.A. 34:11-56.25 et seq., contractors on projects for public work shall adhere to all requirements of the New Jersey Prevailing Wage Act. The contractor shall be required to submit a certified payroll record to the owner within ten (10) days of the payment of the wages. The contractor is also responsible for obtaining and submitting all subcontractors' certified payroll records within the aforementioned time period. The contractor shall submit said certified payrolls in the form set forth in N.J.A.C. 12:60-6.1(c). It is the contractor's responsibility to obtain any additional copies of the certified payroll form to be submitted by contacting the New Jersey Department of Labor and Workforce Development, Division of Workplace Standards. THE PUBLIC WORKS CONTRACTOR REGISTRATION ACT

N.J.S.A. 34:11-56.48 et seq. requires that a general or prime contractor and any listed subcontractors named in the contractor's bid proposal shall possess a certificate *at the time the bid proposal is submitted*. After bid proposals are received and prior to award of contract, the successful contractor shall submit a copy of the contractor's certification along with those of all listed subcontractors. All non-listed subcontractors and lower tier sub-subcontractors shall be registered prior to starting work on the project. It is the general contractor's responsibility that all non-listed sub-contractors at any tier have their certificate prior to starting work on the job.

PAY TO PLAY

Starting in January, 2007, business entities are advised of their responsibility to file an annual disclosure statement of political contributions with the New Jersey Election Law Enforcement Commission (ELEC) pursuant to N.J.S.A. 19:44A-20.27 if they receive contracts in excess of \$50,000 from public entities in a calendar year. Business entities are responsible for determining if filing is necessary. Additional information on this requirement is available from ELEC at 888-313-3532 or at www.elec.state.nj.us.

PROMPT PAYMENT OF CONSTRUCTION CONTRACTS P.L. 2006, C. 96

In compliance with N.J.S.A. 2A:30A-1 et seq., the County of Mercer shall impose the following payment process:

The County of Mercer shall pay the submitted bill not more than 30 calendar days after the receipt of the bill by the County if the vendor has performed in accordance with the contract and the work has been approved and certified by the County. The billing shall be deemed "approved" and "certified" 20 calendar days after the owner receives it, unless the County provides, before the end of the 20-day period, a written statement of the amount withheld and the reason for withholding payment.

PROCESS OF ALTERNATE DISPUTE RESOLUTION

Contract documents entered into in accordance with the provisions of P.L.1971, c.198 (C.40A:11-1 et seq.) after the effective date of P.L.1997, c.371 (C.40A:11-50) shall provide that disputes arising under the contract shall be submitted to a process of resolution pursuant to alternative dispute resolution practices, such as mediation, binding arbitration or non-binding arbitration pursuant to industry standards, prior to being submitted to a court for adjudication. It is understood that the County of Mercer shall have the right to request mediation if services being provided are deemed deficient in any way.

NEW JERSEY SALES TAX

In submitting his bid, the Contractor certifies that the total base bid set forth does not include any New Jersey Sales Tax, and he further certifies that in the event he is the successful bidder, he will only apply for an exemption for materials or supplies to be used in connection with County property.

Contractor's Exemption Purchase Certificate, Form ST-13, issued by the State of New Jersey Division of Taxation, Sales Tax Bureau, shall be completed and presented to his suppliers for material used to make any permanent change to a County Building on this contract.

BID SECURITY AND BONDING REQUIREMENTS

The following provisions, if indicated by an (x), shall be applicable to this bid and be made a part of the bidding documents:

A. BID GUARANTEE

Bidder shall submit with the bid a certified check, cashier's check or bid bond in the amount of ten percent (10%) of the total price bid, but not in excess of \$20,000, payable unconditionally to the County. When submitting a Bid Bond, it shall contain Power of Attorney for full amount of Bid Bond from a surety company authorized to do business in the State of New Jersey and acceptable to the County. The check or bond of the unsuccessful bidder(s) shall be returned pursuant to N.J.S.A. 40A:11-24a. The check or bond of the bidder to whom the contract is awarded shall be retained until a contract is executed and the required performance bond or other security is submitted. The check or bond of the successful bidder shall be forfeited if the bidder fails to enter into a contract pursuant to N.J.S.A. 40A:11-21. Failure to submit a bid guarantee shall result in rejection of the bid.

B. CONSENT OF SURETY

Bidder shall submit with the bid a Certificate (Consent of Surety) with Power of Attorney for full amount of bid price from a Surety Company authorized to do business in the State of New Jersey and acceptable to the County stating that it will provide said bidder with a Performance Bond in the full amount of the bid. This certificate shall be obtained in order to confirm that the bidder to whom the contract is awarded will furnish Performance and Payment Bonds from an acceptable surety company on behalf of said bidder, any or all subcontractors or by each respective subcontractor or by any combination thereof which results in performance security equal to the total amount of the contract, pursuant to N.J.S.A. 40A:11-22.

Failure to submit a consent of surety form shall result in rejection of the bid.

C. PERFORMANCE BOND

Bidder shall simultaneously with the delivery of the executed contract, submit an executed bond in the amount of one hundred percent (100%) of the acceptable bid as security for the faithful performance of this contract. Failure to submit this with the executed contract shall be cause for declaring the contract null and void pursuant to N.J.S.A. 40A:11-22.

TIE BIDS: Tie bids will be decided by the Mercer County Board of Chosen Freeholders price and other factors considered.

DEMONSTRATION

If so requested, the vendor shall provide demonstration.

SAMPLE

If so requested, the vendor shall submit a sample of the units or merchandise.

MANUFACTURERS' NAMES

Any manufacturers' names, trade names, brand names or catalog numbers used in the specifications are for the purpose of describing and establishing general quality levels. Such references are not intended to be restrictive. Bids will be considered for any brand, which meets or exceeds the quality of the specifications listed for any item.

AWARD/REJECTION

In accordance with N.J.S.A. 40A:11-24, all contracts will be awarded or all bids will be rejected within sixty (60) days of the receipt of bids unless vendor agrees to extend for a longer period of time.

(A.) Cost Estimates

All bids may be rejected when the lowest bid substantially exceeds Cost Estimates for the project.

(B.) Abandonment

All bids may be rejected when Mercer County abandons the project.

(C.) Revisions

All bids may be rejected when the specifications are substantially revised.

(D.) Provisions of Law

All bids may be rejected when the purposes and/or provisions of law are violated.

(E.) State Contract

All bids may be rejected when the County decides to use the State Contract for the goods or services needed.

(F.) Availability of Funds

Pursuant to statutory requirements, any contract resulting from this bid shall be subject to the availability and appropriation of sufficient funds annually.

(G.) Multiple Bids Not Allowed

More than one bid from an individual, a firm or partnership, a corporation or association under the same or different names shall not be considered.

(H.) Unsatisfactory Past Performance

Bids received from bidders who have previously failed to complete contracts within the time scheduled therefore, or who have performed prior work for the County of Mercer in an unacceptable manner, may be rejected.

(I.) Failure to Enter Contract

Should the bidder, to whom the contract is awarded, fail to enter into a contract within 21 days, Sundays and holidays excepted, the County of Mercer may then, at its option, retain the bidder's bid deposit/bond and accept the bid of the next lowest responsible bidder.

INQUIRIES

All questions and information pertaining to this proposal shall be directed to the Department of Purchasing at (609) 989-6710.

COMMUNICATIONS AFTER THE BID OPENING

It is highly improper for a bidder after bid opening to contact any representative of the County of Mercer to discuss the bids. The solicitation package contains all documents and instructions. These may be supplemented by any comments you wish to make. Such additional material and comments must be submitted with the bid. Should there be any questions concerning the bid submitted, you will be contacted by a representative of the County of Mercer and any discussion or contact will be limited to the questions of the representative.

INDEX RATE

If the County of Mercer desires to extend a contract under the provisions of N.J.S.A. 40A:11-15 or N.J.S.A. 18A:18A-42, the index rate is the basis to determine the appropriate increase in the contract price. The following are the requirements for using this provision:

Contracts for services, the statutory length of which is for three years or less, may only include provisions for no more than one (1) two-year or two (2) one-year extensions. The original bid specifications and contract must include language that explains the possibility for an extension.

W-9

Successful bidder/respondent shall complete A W-9 Form and submit to the Purchasing Department prior to the contract award. The form is available at the following link: www.irs.gov/pub/irs-pdf/fw9.pdf

Immigration and Naturalization Laws and Criminal Background Check
(As Applicable)

Executive Order 98 - 1

WHEREAS it is in the interests of the county to purchase goods and services from responsible contractors that provide quality and services at a competitive price; and

WHEREAS the county does not desire to do business with companies that compete by exploiting their workforce rather than by running efficient, reliable and responsible operations; and

WHEREAS, the county purchases items of apparel and textiles, which is an industry in which many scandals have been uncovered in which producers maintain sweatshop conditions, such as paying poverty wages, violating workplace regulations, and suppressing worker rights; and

WHEREAS, such conditions in apparel and other industries threaten the jobs and working conditions of all workers; and

WHEREAS, it is the policy of the county that it should not purchase, rent or lease goods or services produced under such conditions; and

WHEREAS, sweatshop conditions flourish when the conditions of workers are hidden; and

WHEREAS, pressure from institutional purchasers such as governments is one of the most effective ways to combat sweatshop production,

THEREFORE IT IS HEREBY ORDERED, that it is the policy of the county that it should not purchase, lease, rent or take on consignment goods or services produced under sweatshop conditions, and that the following guidelines, criteria and procedures are adopted:

- Section 1: The procedures and guidelines set forth herein shall apply to items of apparel and textiles, such as clothing, headwear, footwear, linens and fabric, as well as to any other industry designated by the county executive as vulnerable to sweatshop competition.
- Section 2: In order to ensure that the county contracts with vendors that have responsible employment practices, the following criteria will be used in contracting for goods and services:
- A. Preference will be given whenever possible to goods or services produced in the U.S.A.
 - B. The county will whenever possible only contract with vendors with responsible employment practices, as defined in Section 3.B below.
- Section 3: The county shall require of every bidder for contracts covered under Section 1:
- A. Disclosure of all sub-contractors and sites. The bidder or vendor shall identify the name and address of each subcontractor to be used, as well as the address of all locations, including sub-contractor locations, substantially involved in providing goods or services covered by this act. Such information will be considered public information.
 - B. Certification of Compliance. The bidder or vendor shall certify each location, including sub-contractor locations, substantially involved in producing or distributing goods or services covered by this act meets the following standards:

1. Compensation. Wage and benefit levels must be sufficient to meet basic needs and provide some discretionary income for a family of 4 (a “living wage”).
2. Rights. The company respects workers’ rights to speak up about working conditions, without fear or retaliation, and to form unions of their own choosing without employer resistance. Due process and just cause procedures are used for discipline or discharge, with recourse to arbitration. The company complies with all laws, regulations and standards governing the workplace. The company does not use child labor, forced labor, corporal punishment. The company does not discriminate in hiring, promotion or compensation on the basis of race, national origin, religion, gender, sexual preference, union affiliation, or political affiliation.
3. Safety and Health. The factory provides a safe and healthy work environment.

Section 4: The county, at its discretion, may refuse to award a contract or terminate a contract or ban a vendor from holding contracts with the county for filing false information or for failing to file information required under this act. The county may, at its discretion, require correction and remediation of violations of the standards listed in section 3.B prior to renewing commerce with the contractor. The county may require further proof of compliance with the standards listed in Section 3.B. Upon request the contractor or subcontractor will make all relevant records available to the county or its designee.

I have read Executive Order 98-1 and agree to comply with its requirements.

AMERICANS WITH DISABILITIES ACT OF 1990
Equal Opportunity for Individuals with Disability

The contractor and the County of Mercer, (hereafter "owner") do hereby agree that the provisions of Title 11 of the Americans With Disabilities Act of 1990 (the "Act") (42 U.S.C. S121 01 et seq.), which prohibits discrimination on the basis of disability by public entities in all services, programs, and activities provided or made available by public entities, and the rules and regulations promulgated pursuant there unto, are made a part of this contract. In providing any aid, benefit, or service on behalf of the owner pursuant to this contract, the contractor agrees that the performance shall be in strict compliance with the Act. In the event that the contractor, its agents, servants, employees, or subcontractors violate or are alleged to have violated the Act during the performance of this contract, the contractor shall defend the owner in any action or administrative proceeding commenced pursuant to this Act. The contractor shall indemnify, protect, and save harmless the owner, its agents, servants, and employees from and against any and all suits, claims, losses, demands, or damages, of whatever kind or nature arising out of or claimed to arise out of the alleged violation. The contractor shall, at its own expense, appear, defend, and pay any and all charges for legal services and any and all costs and other expenses arising from such action or administrative proceeding or incurred in connection therewith. In any and all complaints brought pursuant to the owner's grievance procedure, the contractor agrees to abide by any decision of the owner which is rendered pursuant to said grievance procedure. If any action or administrative proceeding results in an award of damages against the owner, or if the owner incurs any expense to cure a violation of the ADA which has been brought pursuant to its grievance procedure, the contractor shall satisfy and discharge the same at its own expense.

The owner shall, as soon as practicable after a claim has been made against it, give written notice thereof to the contractor along with full and complete particulars of the claim, If any action or administrative proceeding is brought against the owner or any of its agents, servants, and employees, the owner shall expeditiously forward or have forwarded to the contractor every demand, complaint, notice, summons, pleading, or other process received by the owner or its representatives.

It is expressly agreed and understood that any approval by the owner of the services provided by the contractor pursuant to this contract will not relieve the contractor of the obligation to comply with the Act and to defend, indemnify, protect, and save harmless the owner pursuant to this paragraph.

It is further agreed and understood that the owner assumes no obligation to indemnify or save harmless the contractor, its agents, servants, employees and subcontractors for any claim which may arise out of their performance of this Agreement. Furthermore, the contractor expressly understands and agrees that the provisions of this indemnification clause shall in no way limit the contractor's obligations assumed in this Agreement, nor shall they be construed to relieve the contractor from any liability, nor preclude the owner from taking any other actions available to it under any other provisions of the Agreement or otherwise at law.

EXCERPTS FROM THE EEOC SEXUAL HARASSMENT GUIDELINES

PART 1604 -- GUIDELINES ON DISCRIMINATION BECAUSE OF SEX

1604.11 Sexual Harassment

(a) Harassment on the basis of sex is a violation of Sec. 703 of Title VII (of the Civil Rights Act of 1964). Unwelcome sexual advances, requests for sexual favors, and other verbal or physical conduct of a sexual nature constitute sexual harassment when (1) submission to such conduct is made either explicitly or implicitly a term or condition of an individual's employment, (2) submission to or rejection of such conduct by an individual, or (3) such conduct has the purpose or effect of unreasonably interfering with an individual's work performance or creating an intimidating, hostile or offensive working environment.

(b) In determining whether alleged conduct constitutes sexual harassment, The Commission (EEOC) will look at the record as a whole and at the totality of the circumstances, such as the nature of the sexual advances and the context in which the alleged incidents occurred. The determination of the legality of a particular action will be made from the facts, on a case by case basis.

(c) Applying general Title VII principles, an employer, employment agency, joint apprenticeship committee or labor organization (hereinafter collectively referred to as "employer") is responsible for its acts and those of its agents and supervisory employees with respect to sexual harassment regardless of whether the specific acts complained of were authorized or even forbidden by the employer and whether the employer knew or should have known of their occurrence. The Commission will examine the circumstances of the particular employment relationship and the job functions performed by the individual in determining whether an individual in determining whether an individual acts in either a supervisory or agency capacity.

(d) With respect to conduct between fellow employees, employer is responsible for acts of sexual harassment in the workplace where the employer (or its agents or supervisory employees) knows or should have known of the conduct, unless it can be show that it took immediate and appropriate corrective action.

(e) An employer may also be responsible for the acts of non-employees, with respect to sexual harassment of employees in the workplace, where the employer (or its agents or supervisory employees) knows or should have known of the conduct and fails to take immediate and appropriate corrective action. In reviewing these cases the Commission will consider the extent of the employer's control and any other legal responsibility, which the employer may have with respect to the conduct of such non-employees.

For those wishing the complete context of the EEOC Guidelines, contact the Office of Economic Development and Sustainability at 609-989-6555, 640 South Broad Street, Trenton, NJ 08650-0068.

MERCER COUNTY'S POLICY ON SEXUAL HARASSMENT

The County of Mercer is committed to the principle that sexual harassment of employees is an abuse of authority and constitutes prohibited, unprofessional and unacceptable conduct. Sexual harassment is defined as unwelcome sexual advances, requests for sexual favors and other verbal or physical conduct of a sexual nature when:

- A.) Submission to such conduct is explicitly or implicitly made a term or condition of an individual's employment, or
- B.) Submission to or rejection of such conduct by an individual is used as the basis for employment decisions affecting such individual, or
- C.) Such conduct has the purpose or effect of interfering unreasonably with an individual's performance or creating an intimidating, hostile or offensive environment.

The County of Mercer is committed to maintaining a working environment that does not condone acts of sexual harassment. Immediate and corrective action will be taken when case of sexual harassment are identified in the workplace.

I have read the above and will comply with the County's policy.

MERCER COUNTY IS AN EQUAL OPPORTUNITY EMPLOYER

EEO/AFFIRMATIVE ACTION COMPLIANCE NOTICE
N.J.S.A. 10:5-31 and N.J.A.C. 17:27
GOODS, PROFESSIONAL SERVICE AND GENERAL SERVICE CONTRACTS

All successful bidders are required to submit evidence of appropriate affirmative action compliance to the County and Division of Public Contracts Equal Employment Opportunity Compliance. During a review, Division representatives will review the County files to determine whether the affirmative action evidence has been submitted by the vendor/contractor. Specifically, each vendor/contractor shall submit to the County, prior to execution of the contract, one of the following documents:

Goods and General Service Vendors

1. Letter of Federal Approval indicating that the vendor is under an existing Federally approved or sanctioned affirmative action program. A copy of the approval letter is to be provided by the vendor to the County and the Division. This approval letter is valid for one year from the date of issuance.

Do you have a federally-approved or sanctioned EEO/AA program? Yes No
If yes, please submit a photostatic copy of such approval.

2. A Certificate of Employee Information Report (hereafter "Certificate"), issued in accordance with N.J.A.C. 17:27-1.1 et seq. The vendor must provide a copy of the Certificate to the County as evidence of its compliance with the regulations. The Certificate represents the review and approval of the vendor's Employee Information Report, Form AA-302 by the Division. The period of validity of the Certificate is indicated on its face. Certificates must be renewed prior to their expiration date in order to remain valid.

Do you have a State Certificate of Employee Information Report Approval? Yes No
If yes, please submit a photostatic copy of such approval.

3. The successful vendor shall complete an Initial Employee Report, Form AA-302 and submit it to the Division with \$150.00 Fee and forward a copy of the Form to the County. Upon submission and review by the Division, this report shall constitute evidence of compliance with the regulations. Prior to execution of the contract, the EEO/AA evidence must be submitted.

The successful vendor may obtain the Affirmative Action Employee Information Report (AA302) on the Division website www.state.nj.us/treasury/contract_compliance.

The successful vendor(s) must submit the AA302 Report to the Division of Public Contracts Equal Employment Opportunity Compliance, with a copy to Public Agency.

The undersigned vendor certifies that he/she is aware of the commitment to comply with the requirements of N.J.S.A. 10:5-31 and N.J.A.C. 17:27 and agrees to furnish the required forms of evidence.

The undersigned vendor further understands that his/her bid shall be rejected as non-responsive if said contractor fails to comply with the requirements of N.J.S.A. 10:5-31 and N.J.A.C. 17:27.

GOODS, PROFESSIONAL SERVICE AND GENERAL SERVICE CONTRACTS

During the performance of this contract, the contractor agrees as follows:

The contractor or subcontractor, where applicable, will not discriminate against any employee or applicant for employment because of age, race, creed, color, national origin, ancestry, marital status, affectional or sexual orientation, gender identity or expression, disability, nationality or sex. Except with respect to affectional or sexual orientation and gender identity or expression, the contractor will ensure that equal employment opportunity is afforded to such applicants in recruitment and employment, and that employees are treated during employment, without regard to their age, race, creed, color, national origin, ancestry, marital status, affectional or sexual orientation, gender identity or expression, disability, nationality or sex. Such equal employment opportunity shall include, but not be limited to the following: employment, upgrading, demotion, or transfer; recruitment or recruitment advertising; layoff or termination; rates of pay or other forms of compensation; and selection for training, including apprenticeship. The contractor agrees to post in conspicuous places, available to employees and applicants for employment, notices to be provided by the Public Agency Compliance Officer setting forth provisions of this nondiscrimination clause.

The contractor or subcontractor, where applicable will, in all solicitations or advertisements for employees placed by or on behalf of the contractor, state that all qualified applicants will receive consideration for employment without regard to age, race, creed, color, national origin, ancestry, marital status, affectional or sexual orientation, gender identity or expression, disability, nationality or sex.

The contractor or subcontractor, where applicable, will send to each labor union or representative or workers with which it has a collective bargaining agreement or other contract or understanding, a notice, to be provided by the agency contracting officer advising the labor union or workers' representative of the contractor's commitments under this act and shall post copies of the notice in conspicuous places available to employees and applicants for employment.

The contractor or subcontractor, where applicable, agrees to comply with any regulations promulgated by the Treasurer pursuant to **N.J.S.A. 10:5-31 et seq.**, as amended and supplemented from time to time and the Americans with Disabilities Act.

The contractor or subcontractor agrees to make good faith efforts to afford equal employment opportunities to minority and women workers consistent with Good faith efforts to meet targeted county employment goals established in accordance with **N.J.A.C. 17:27-5.2**, or Good faith efforts to meet targeted county employment goals determined by the Division, pursuant to **N.J.A.C. 17:27-5.2**.

The contractor or subcontractor agrees to inform in writing its appropriate recruitment agencies including, but not limited to, employment agencies, placement bureaus, colleges, universities, labor unions, that it does not discriminate on the basis of age, creed, color, national origin, ancestry, marital status, affectional or sexual orientation, gender identity or expression, disability, nationality or sex, and that it will discontinue the use of any recruitment agency which engages in direct or indirect discriminatory practices.

The contractor or subcontractor agrees to revise any of its testing procedures, if necessary, to assure that all personnel testing conforms with the principles of job-related testing, as established by the statutes

and court decisions of the State of New Jersey and as established by applicable Federal law and applicable Federal court decisions.

In conforming with the targeted employment goals, the contractor or subcontractor agrees to review all procedures relating to transfer, upgrading, downgrading and layoff to ensure that all such actions are taken without regard to age, creed, color, national origin, ancestry, marital status, affectional or sexual orientation, gender identity or expression, disability, nationality or sex, consistent with the statutes and court decisions of the State of New Jersey, and applicable Federal law and applicable Federal court decisions.

The contractor shall submit to the public agency, after notification of award but prior to execution of a goods and services contract, one of the following three documents:

Letter of Federal Affirmative Action Plan Approval
Certificate of Employee Information Report
Employee Information Report Form AA302

The contractor and its subcontractors shall furnish such reports or other documents to the Division of Public Contracts Equal Employment Opportunity Compliance as may be requested by the office from time to time in order to carry out the purposes of these regulations, and public agencies shall furnish such information as may be requested by the Division of Public Contracts Equal Employment Opportunity Compliance for conducting a compliance investigation pursuant to **Subchapter 10 of the Administrative Code at N.J.A.C. 17:27**.
