COOPERATIVE CONTRACT PURCHASING SYSTEM

County Cooperative Contract Purchasing is a Cooperative Purchasing System that may be created only by a county. Using only its own needs, the county advertises for the receipt of bids and awards a contract to the successful bidder. With the approval of both Mercer County and the vendor, contracting units located within the geographic boundary of Mercer County may purchase under the contract subject to its specifications, terms and conditions. The County reserves the right to purchase items from state contract and/or in the open market, if such use serves the interest of the County. The County reserves the right to bid separately for any commodity represented in the catalogue.

DEFINITIONS

“Installation,” as defined in 45:5A-2 which includes the survey of a premise, the design and preparation of the specifications for the equipment or system to be installed pursuant to a survey, the installation of the equipment or system, or the demonstration of the equipment or system after the installation is completed.

“Burglar alarm” means a security system comprised of an interconnected series of alarm devices or components, including systems interconnected with radio frequency signals, which emits an audible, visual or electronic signal indicating an alarm condition and providing a warning of intrusion, which is designed to discourage crime;

“Business firm” means a partnership, corporation or other business entity engaged in the alarm business or locksmithing services;

“Electronic security system” means a security system comprised of an interconnected series of devices or components, including systems with audio and video signals or other electronic systems, which emits or transmits an audible, visual or electronic signal warning of intrusion and provides notification of authorized entry or exit, which is designed to discourage crime;

“Licensee” means a person licensed to engage in the alarm business or provide locksmithing services pursuant to the provisions of section 7 of P.L.1997, c. 305 (C.45:5A-27);

“Licensed locksmith” means a person who is licensed pursuant to the provisions of section 7 of P.L.1997, c. 305 (C.45:5A-27);

“Locksmithing services” means the modification, recombination, repair or installation of mechanical locking devices and electronic security systems for any type of compensation and includes the following: repairing, rebuilding, recoding, servicing, adjusting, installing, manipulating or bypassing of a mechanical or electronic locking device, for controlled access or

egress to premises, vehicles, safes, vaults, safe doors, lock boxes, automatic teller machines or other devices for safeguarding areas where access is meant to be limited; operating a mechanical or electronic locking device, safe or vault by means other than those intended by the manufacturer of such locking devices, safes or vaults; or consulting and providing technical advice regarding selection of hardware and locking systems of mechanical or electronic locking devices and electronic security systems; except that "locksmithing services" shall not include the installation of a prefabricated lock set and door knob into a door of a residence;

"Qualified journeyman electrician" means a person registered pursuant to P.L.1962, c. 162 (C.45:5A-1 et seq.) or P.L.2001, c. 21 (C.45:1-7 et al.), as a qualified journeyman electrician by the board.

CONTRACT AWARD

The County of Mercer shall award two contracts based upon Time and Materials for a period of two years. Contracts shall be awarded to the qualified bidders providing the lowest hourly rate for work performed during regular hours. Two successful contractors shall provide cell telephone numbers for managers, supervisors and technicians if requested by the department head. For new work installations, the bidder shall submit a proposal with cost breakdown showing labor rate, quantity of hours, material list, net cost (with evidence of same) and mark-up, at applicable contract rates.

Prior to the installation of new and/or modified Security Systems the successful bidders will be required to develop and submit for approval to the County designee, multiple copies of equipment submittals, equipment wiring diagrams of the actual installation on CAD and floor plans showing equipment locations on CAD.

CONTRACT REQUIREMENTS

The awarded contractors are to be responsible for the installation, maintenance, and repair of any and all cabling, regardless of the type of cabling involved, for those projects which require a cable connection. The awarded contractors shall also be responsible for the installation, maintenance, and repair of the termination points of said cabling. Should it be deemed necessary to contact Verizon or some other third party vendor to install fiber optic or other specialized cabling, the awarded contractors are to be responsible for working in conjunction with these outside vendors for the installation, maintenance, and repair of the cabling.

The awarded contractors must submit a proposal in writing prior to the work FOR ALL COSTS ASSOCIATED WITH THE WORK INCLUDING but not limited to labor, equipment, maintenance, shipping, installation, cabling, training, demonstration, warranty, customer support and maintenance. The county will award the work to the contractor providing the lowest responsive, responsible proposal for each project.

When the contractor has completed the project; system documentation including drawings, operation instructions and maintenance manuals must be submitted to the County designee. He shall be notified that all above specifications are met and the system is ready for acceptance testing.

Complete demonstration of the systems functions shall be performed in the presence of the County designee. Following the test, any outstanding work, which must be completed prior to issuance of the certificate of substantial completion, shall be documented in writing.

TRAINING

Training for Agency Staff shall be provided by the awarded contractor.

WARRANTY

The contractor shall include a parts and service warranty for all labor and equipment for a period of one (1) year or **AS WARRANTED BY THE MANUFACTURER FOR A LONGER PERIOD FROM**

THE DATE OF ACCEPTANCE. Warranty service shall include a no less than 24 hour response time.

IDENTIFICATION

All personnel or agents of the Contractor(s) must observe all rules and regulations in effect at the various County Buildings. Contractor's staff shall wear photo identification displaying the company name and staff name on their person when performing work.
