The MERCER COUNTY PARK COMMISSION is committed to providing outstanding recreational opportunities and experiences while fostering a better understanding and appreciation for the environment. As part of its goal, the commission is seeking volunteers who can help to foster that mission.

By volunteering, you are guaranteed to have a memorable experience discovering all that the Mercer County Park Commission has to offer. Whether you're a hiker who wants to assist with maintaining our many miles of trails, or an animal lover who can lend his or her talents to the rehabilitation of wildlife, or a people-person who would like to assist with programs or special events, Mercer County Park Commission needs you.

Volunteerism is rewarding! You can learn new skills, have fun and build self-confidence. Each Mercer County Park Commission volunteer plays an important role in enhancing the quality of our programs and adding to the natural beauty of our parks. You're welcome here and we are excited to work with you.
