

NOTICE – PASP Contract Award Notification

According to an RFP previously issued by the Office for the Disabled for 2010 Personal Assistance Services Program (PASP), notification of award of contract funding is to be issued on September 25, 2009. At this time, the State of New Jersey is not able to notify the County as to their contract award for 2010. Therefore, subcontract awards cannot be determined until such time as receipt from the State of New Jersey.

In compliance with RFP requirements, notification is being made that contracts will be processed as soon as the County receives a letter of award. Should there be any questions, contact should be made with Thomas E. Shaw, Director at 989-6468 or tshaw@mercercounty.org
