

The State of New Jersey provided additional information regarding the Request for Application (RFA) for the Dedicated Voucher program for Child Care Slots.

1. Within the RFA, there is a document titled “Standard Language Document For Social Services and Training Contracts.” The applying agency needs to fill in the number of pages for the document on the last page of that particular document (the top of the page reads “CONTRACT SIGNATURES AND DATES”).
2. The applying agency needs to complete its Federal ID# on the Federal ID# line on the last page of that Standard Language Document.
3. Also, on the last page of the Standard Language Document, the applying agency should sign the signature and agency information lines on the left side of the page (those marked BY, TITLE, PROVIDER AGENCY and DATE). Those lines on the right side of the page are for State’s representative to sign.
4. Please leave blank these lines on the last page of the Standard Language Document:
Contract Effective Date: _____
Contract Expiration Date: _____
Contract Number: _____
Contract Ceiling: _____
