Law Enforcement Status Report

Date: November/December 2015

ENTRY-LEVEL LAW ENFORCEMENT (LEE)

In order to be considered for employment in an entry-level law enforcement position, candidates must pass a written exam called the Law Enforcement Examination (LEE). Those who pass will remain in the eligible pool for two years. The pool of eligible candidates that result from the LEE will be used to fill positions for law enforcement titles in all Civil Service jurisdictions. We anticipate that the next LEE announcement will be issued in the Spring/Summer of 2016.

2014 - 2015 POLICE SERGEANT

New promotional announcements for the level of Police Sergeant were posted on August 1, 2015. In addition, promotional announcements for Police Sergeant, which were previously issued in January 2014 and June 2014, were amended and re-posted on August 1, 2015 to allow newly eligible candidates to apply.

If you already submitted an application in response to a 2014 Police Sergeant announcement, please do not submit a new application. Any duplicate applications will be rejected and the application fees will not be refunded.

Applicants who previously completed applications during the original announcement periods in 2014 will be contacted via email to confirm that their application is on file. Please do not expect the confirmation email before August 1, 2015. Please do not contact the CSC to request this information.

The 2015 Police Sergeant Orientation Guide, which provides an overview of the testing format, along with ways to prepare for the exam, is available on the CSC website. Please continue to check the website for more information on the test time frame as it becomes available.

Our method of disseminating information to all interested parties (candidates, appointing authorities, and unions) is to advise them to visit the CSC's website, under Public Safety Testing News, to view the most up-to-date status report on police promotional testing schedules. When there is something new to report, the website status will be updated. Please continue to check the CSC website for updates.
