***ANNUAL REGISTRY***  
**FIRST QUARTER 2009**

Attached is a roster listing the agencies responsible for enforcing the Uniform Fire Code within the State required under (N.J.A.C. 5:70-1 et seq.) as of December 31, 2008.

During the year 2009, we will publish three cumulative updates to this Registry consisting solely of changes. Therefore, if jurisdiction is at issue, please call (609) 633-7129 for confirmation.

The next deadline for changes to the Registry is March 31, 2009. After that date, a Second Quarterly Update will be published in April 2009. The next Annual Registry will be published in January 2010.

If there are any additions, corrections, or deletions to the Registry, please send a written notification and an explanation to: NJ Division of Fire Safety, Attn: Marylain Kemp, Publications Unit PO Box 809, Trenton, New Jersey 08625-0809.

KEY TO THE ENFORCING

F = Fire Department

M = Municipality

D = District (the numbers in parentheses represent the different districts, each being a local enforcing agency (LEA)).

S = State (Division of Fire Safety)

C = County

The chart below shows the number of LEAs in each category for the municipalities within each county. A split between jurisdictions (eg. part municipal and part fire district) is reflected by the appropriate decimal fraction.

The number on right equals the total number of municipalities in the county.
