§ 20:4-4. Moving and related expenses

- a. If a taking agency acquires real property for public use, it shall make fair and reasonable relocation payments to displaced persons and businesses as required by this act, for:
- (1) actual reasonable expenses in moving himself, his family, business, farm operation, or other personal property;
 - (2) actual direct losses of tangible personal property as a result of moving or discontinuing a business or farm operation, but not to exceed an amount equal to the reasonable expenses that would have been required to relocate such property, as determined by the taking agency; and
 - (3) actual reasonable expenses in searching for a replacement business or farm.
- b. Any displaced person eligible for payments under subsection a. of this section who is displaced from a dwelling and who elects to accept the payments authorized by this subsection in lieu of the payments authorized by subsection a. of this section may receive a moving expense allowance, determined according to a schedule established by the taking agency, not to exceed \$300.00, and a dislocation allowance of \$200.00.
- c. Any displaced person eligible for payments under subsection a. of this section who is displaced from his place of business or from his farm operation and who elects to accept the payment authorized by this subsection in lieu of the payment authorized by subsection a. of this section, may receive a fixed payment in an amount equal to the average annual net earnings of the business or farm operation, except that such payment shall not be less than \$2,500.00 nor more than \$10,000.00. In the case of a business no payment shall be made under this subsection unless the taking agency is satisfied that the business (1) cannot be relocated without a substantial loss of its existing patronage, and (2) is not a part of a commercial enterprise having at least one other establishment not being acquired by the taking agency, which is engaged in the same or similar business. For purposes of this subsection, the term “average annual net earnings,” means ½ of any net earnings of the business or farm operation, before Federal, State, and local income taxes, during the 2 taxable years immediately preceding the taxable year in which such business or farm operation moves from the real property acquired for such project, or during such other period as such agency determines to be more equitable for establishing such earnings, and includes any compensation paid by the business or farm operation to the owner, his spouse, or his dependents during such period.

§ 20:4-4.1. Displacement by housing or construction code enforcement where owner liable for penalties; payment of relocation costs; lien; enforcement; appeal

- a.** In the case of any displacement of persons by housing or construction code enforcement, including any rehabilitation necessitated by that enforcement, in which the owner of the real property has, in any final court adjudication, been held liable for a civil or criminal penalty, all relocation costs incurred pursuant to sections 4 and 6 of P.L. 1971, c. 362 ([C. 20:4-4](#) and [20:4-6](#)) shall be paid by the owner of the real property to the public agency making relocation assistance payments upon presentation to the owner by the public agency of a statement of those relocation costs and of the date upon which the relocation costs are due and payable.
- b.** In the event that the relocation costs to be paid to a public agency with regard to any parcel of real property shall not be paid within 10 days after the date due, interest shall accrue and be due to the public agency on the unpaid balance at the rate of 18% per annum until the costs, and the interest thereon, shall be fully paid to the public agency.
- c.** In the event that the relocation costs to be paid to a public agency with regard to any parcel of real property shall not be paid within 10 days after the date due, the unpaid balance thereof and all interest accruing thereon shall be a lien on the parcel. To perfect the lien granted by this section, a statement showing the amount and due date of the unpaid balance and identifying the parcel, which identification may be sufficiently made by reference to the assessment map of the municipality, shall be recorded with the clerk or register of deeds and mortgages of the county in which the affected property is located, and upon recording, the lien shall have the priority of a mortgage lien. Whenever relocation costs with regard to the parcel and all interest accrued thereon shall have been fully paid to the public agency, the statement shall be promptly withdrawn or cancelled by the public agency.
- d.** The tax collector or other officer of every municipality charged by law with the duty of enforcing municipal liens on real property shall enforce, with and as any other municipal liens on real property in the municipality, all relocation costs and lien thereof shown in any statement filed with him by any public agency pursuant to subsection c. of this section, and shall deposit in the municipal treasury the sums realized upon enforcement or upon liquidation of any property acquired by the municipality by virtue of enforcement. If the public agency placing a lien is other than an agency of the municipality, the municipality shall forthwith pay over to that public agency the sums or a pro rata share of the sums realized upon enforcement or upon liquidation of any property acquired by the municipality by virtue of that enforcement.
- e.** The owner of any parcel of real property shall have the right to appeal the requirement that the owner pay the relocation costs incurred pursuant to sections 4 and 6 of P.L. 1971, c. 362 ([C. 20:4-4](#) and [20:4-6](#)) on the grounds that the cause of the violations was outside his control and the abatement of code violations is economically unfeasible. Appeal shall be to the Superior Court, Law Division, in summary proceedings.

f. This section shall not require a municipality to enforce a lien for relocation costs with respect to any real property the title to which it has acquired and which has been transferred pursuant to a rehabilitation agreement.

§ 20:4-5. Replacement housing for homeowners

a. In addition to payments otherwise authorized by this act, the taking agency shall make an additional payment not in excess of \$15,000.00 to any displaced person who is displaced from a dwelling actually owned and occupied by such displaced person for not less than 180 days prior to the initiation of negotiations for the acquisition of the property. Such additional payment shall include the following elements:

(1) The amount, if any, which when added to the acquisition cost of the dwelling acquired, equals the reasonable cost of a comparable replacement dwelling which is a decent, safe, and sanitary dwelling adequate to accommodate such displaced person, reasonably accessible to public services and places of employment and available on the private market. All determinations required to carry out this subparagraph shall be determined by regulations issued pursuant to section 10 of this act.

(2) The amount, if any, which will compensate such displaced person for any increased interest costs which such person is required to pay for financing the acquisition of any such comparable replacement dwelling. Such amount shall be paid only if the dwelling acquired was encumbered by a bona fide mortgage which was a valid lien on such dwelling for not less than 180 days prior to the initiation of negotiations for the acquisition of such dwelling. Such amount shall be equal to the excess in the aggregate interest and other debt service costs of that amount of the principal of the mortgage on the replacement dwelling which is equal to the unpaid balance of the mortgage on the acquired dwelling, over the remainder term of the mortgage on the acquired dwelling, reduced to discounted present value. The discount rate shall be determined by regulations issued pursuant to section 10 of this act.

(3) Reasonable expenses incurred by such displaced person for evidence of title, recording fees, and other closing costs incident to the purchase of the replacement dwelling, but not including prepaid expenses.

(4) Penalty costs for prepayment of any mortgage entered into in good faith encumbering such real property if such mortgage is on record or has been filed for record as provided by law on the date of approval by taking agency of the location of such project.

(5) The pro rata portion of real property taxes payable during the calendar year in which the property was acquired which are allocable to the period of the year subsequent to the date of vesting of title in the taking agency, or the effective date of the possession of such real property by the taking agency, whichever is earlier.

b. The additional payment authorized by this section shall be made only to such a displaced person who purchases and occupies a replacement dwelling which is decent, safe, and sanitary not later than the end of the one year period beginning on the date on which he receives final payment of all costs of the acquired dwelling, or on the date on which he moves from the acquired dwelling, whichever is the later date.

In order to encourage and facilitate the construction or rehabilitation of housing to meet the needs of displaced persons who are displaced from dwellings because of any Federal or State, or Federal or State financially assisted project, the head of the Federal or State agency administering such project is authorized to make loans as a part of the cost of any such project, or to approve loans as a part of the cost of any such project receiving Federal financial assistance, to nonprofit, limited dividend, or cooperative organizations or to public bodies, for necessary and reasonable expenses, prior to construction, for planning and obtaining Federally insured mortgage financing for the rehabilitation or construction of housing for such displaced persons.
