

STATE FIRE MARSHAL MESSAGE

FIRE PREVENTION-FIREFIGHTER SAFETY

Excellence in Public Safety

William Kramer Jr. Acting Director

Richard E. Constable, III Commissioner

February

2015

Firefighter deaths which once averaged 100 or more per year have seen a decline in recent years. The National Firefighters Foundation has set a long term goal to see that number reduced even further. Read the NFFF report and resolve that the take away starts with safety at your firehouse.
