(a) Whenever authorized by ordinance of the governing body or upon petition of the registered voters of any municipality, an election shall be held in the municipality upon the question: "Shall a charter commission be elected to study the charter of and to consider a new charter or improvements in the present charter and to make recommendations thereon?" The petition calling for such election shall be in the form required by subsection (b) hereof and shall be signed by the following per centum of registered voters of the municipality:

25% in municipalities of 7,000 or less inhabitants;

20% in municipalities of more than 7,000 and less than 70,000 inhabitants;

10% in municipalities of 70,000 or more inhabitants.

In either event, the municipal clerk shall provide for the submission of the question and for the election of a charter commission at the next general or regular municipal election, occurring not less than 75 days after the passage of the ordinance or the filing of the petition with the clerk. At the election the question above stated shall be submitted as other public questions are submitted to the voters of a single municipality.

(b) A petition under this section shall conform to the requirements of form for petitions under sections 17-37 through 17-39 hereof (except that there shall be no reference therein to any ordinance) and shall be subject to examination, certification and amendment as therein provided.

L.1950, c. 210, p. 460, s. 1-1. Amended by L.1953, c. 254, p. 1741, s. 1; L.1954, c. 69, p. 423, s. 1, eff. June 24, 1954.

40:69A-2. Election of charter commission members at same time public question is submitted

A charter commission of five members shall be elected by the qualified voters at the same time as the public question is submitted. Duly nominated candidates for the office of charter commissioner shall be placed upon the ballot containing the public question in the same manner as is provided by law for candidates nominated by petition for other offices elective by the people of a single municipality, except that they shall be listed without any designation or slogan. Each voter shall be instructed to vote on the question and, regardless of the manner of his vote on the question, to vote for five members of a charter commission who shall serve if the question is determined in the affirmative.

L.1950, c. 210, p. 461, s. 1-2, eff. June 8, 1950.

40:69A-3. Candidates for charter commission

Candidates for the charter commission shall be registered voters of the municipality. They may be nominated by petition signed by at least 3% or 100, whichever is the lesser number, but at no time shall such number be less than 10, of the registered voters of the municipality, and filed with the municipal clerk not less than 60 days prior to the date of the election.

(a) Each nominating petition shall set forth the names, places of residence, and post-office addresses of the candidate or candidates thereby nominated, that the nomination is for the office of charter commissioner and that the petitioners are legally qualified to vote for such candidate or candidates. Every voter signing a nominating petition shall add to his signature, his place of residence, post-office address and street number, if any. No voter shall sign a petition or petitions for more than five candidates.

(b) Each nominating petition shall, before it may be filed with the municipal clerk, contain an acceptance of such nomination in writing, signed by the candidate or candidates therein nominated, upon or annexed to such petition, or if the same person or persons be named in more than one petition, upon or annexed to one of such petitions. Such acceptance shall certify that the candidate is a registered voter of the municipality, that the nominee consents to stand as a candidate at the election and that if elected he agrees to take office and serve.

(c) Each nominating petition shall be verified by an oath or affirmation of one or more of the signers thereof, taken and subscribed before a person qualified under the laws of New Jersey to administer an oath, to the effect that the petition was signed by each of the signers thereof in his proper handwriting, that the signers are, to the best knowledge and belief of the affiant, registered voters of the municipality, and that the petition is prepared and filed in good faith for the sole purpose of endorsing the person or persons named therein for election as stated in the petition.

L.1950, c. 210, p. 461, s. 1-3, eff. June 8, 1950. Amended by L.1975, c. 372, s. 1, eff. March 3, 1976.

40:69A-4. Canvass of election

The result of the votes cast for and against the adoption of the public question shall be returned by the election officers, and a canvass of such election had, as is provided by law in the case of other public questions put to the voters of a single municipality. The votes cast for members of the charter commission shall be counted, and the result thereof returned by the election officers, and a canvass of such election had as is provided by law in the case of the election of members of the local governing body. The five candidates receiving the greatest number of votes shall be elected and shall constitute the charter commission, provided that if a majority of those voting on the public question shall vote against the election of a charter commission, none of the candidates shall be elected. If two or more candidates shall be equal and greatest in votes they shall draw lots to determine which one shall be elected.

L.1950, c. 210, p. 462, s. 1-4, eff. June 8, 1950.

40:69A-5. Organization of charter commission; quorum; majority required for effective recommendations

As soon as possible and in any event no later than fifteen days after its election, the charter commission shall organize and hold its first meeting and elect one of its members as chairman, fix its hours and place of meeting, and adopt such rules for the conduct of its business as it may deem necessary and advisable.
