Moderate income is between 80 and 50 percent of the median income. Low income is 50 percent or less of median income. Very low income is 30 percent or less of median income.

\* These columns are for calculating the pricing for one, two and three bedroom sale and rental units as per N.J.A.C. 5:80-26.4(a).

\*\* This column is used for calculating the pricing for resale and rent increases for units as per N.J.A.C. 5:97-9.3. However, low income tax credit developments may increase based on the low income tax credit regulations.

\*\*\* The Regional Asset Limit is used in determining an applicant's eligibility for affordable housing pursuant to N.J.A.C. 5:80-26.16(b)3.

Since the COAH Regional Income Limits for 2013 were higher than 2014 figures, the 2013 income limits, shown above, will remain in force for 2014 and until Regional Income Limits surpass the 2013 Regional Income Limits.
