PO Box 800
Trenton, NJ 08625-0800

This Notice is related to Federal assistance provided in response to the Presidentially-declared disaster, Superstorm Sandy. This notice shall satisfy two separate but related procedural requirements for activities to be undertaken by New Jersey Department of Community Affairs (DCA).

Per 24 CFR 58.33, the combined Notice of Finding of No Significant Impact (FONSI) and Notice of Intent to Request Release of Funds (NOI-RROF) will be published simultaneously with the submission of the RROF. The funds are needed on an emergency basis due to a declared disaster from the impacts of Superstorm Sandy, which made landfall on October 29, 2012. As a result, the comment periods for the FONSI and NOI-RROF have been combined. Commenters may submit comments to DCA and objections to the U.S. Department of Housing and Urban Development (HUD) to ensure they will receive full consideration.

REQUEST FOR RELEASE OF FUNDS

On or about February 12, 2016, the DCA will submit a request to HUD for the release of Federal funds under the Community Development Block Grant Program (CDBG) pursuant to the Disaster Relief Appropriations Act of 2013 (Public Law 113-2, approved January 29, 2013) for the Blue Acres Program. DCA expects to fund the project using approximately \$900,000 of Blue Acres funds.

PROJECT DESCRIPTION

Application ID number: BA-Wall
Project Title: Blue Acres – Wall Township
Location: Located at the following locations in Wall Township, Monmouth County, New Jersey: 2118 Butternut Road, 2116 Butternut Road, and 2125 Old Mill Road
The total estimated project cost is \$900,000.

The proposed project would acquire three residential properties on a voluntary basis and demolish, remove, and dispose of all man-made features on the properties, such as dwellings, foundations, sheds, garages, fences, and driveways. The properties would be graded and left in a

stabilized condition (i.e., grass growth covering the property). The acquired properties would be permanently preserved as open space and serve as natural buffers against future storms and floods.

FINDING OF NO SIGNIFICANT IMPACT

The DCA has determined that this project will have no significant impacts on the human environment. Therefore, an Environmental Impact Statement (EIS) under the National Environmental Policy Act of 1969 (NEPA) is not required. Additional project information is contained in the Environmental Review Record (ERR) on file at the New Jersey Department of Community Affairs, Sandy Recovery Division, 101 South Broad Street, Trenton, NJ 08625-0800. The record is available for review and may be examined or copied weekdays 9 A.M. to 5 P.M. or can be viewed online at <http://www.nj.gov/dca/divisions/sandyrecovery/review/>.

PUBLIC COMMENTS

Any individual, group, or agency disagreeing with this determination or wishing to comment on this project may submit written comments to Laura Shea, Assistant Commissioner, New Jersey Department of Community Affairs, 101 South Broad Street, PO Box 800, Trenton, NJ 08625-0800 or online at <http://www.nj.gov/dca/divisions/sandyrecovery/review/> and to Tennille Smith Parker, DRS, Acting Division Director, HUD, 451 Seventh Street SW, Washington, D.C. 20410. All comments received by February 12, 2016, or fifteen (15) days from the actual date of publication, whichever is later, will be considered by DCA. ENVIRONMENTAL CERTIFICATION

DCA certifies to HUD that Charles A. Richman, in his capacity as Commissioner of DCA consents to accept the jurisdiction of the Federal Courts if an action is brought to enforce responsibilities in relation to the environmental review process and that these responsibilities have been satisfied. HUD's approval of the certification satisfies its responsibilities under the National Environmental Policy Act and related laws and authorities, and allows DCA to use CDBG-DR funds.

OBJECTIONS TO RELEASE OF FUNDS

HUD will accept objections to its release of funds and DCA's certification for a period of fifteen (15) days following the anticipated submission date or its actual receipt of the request (whichever is later) only if they are on one of the following bases: (a) the certification was not executed by the Certifying Officer of DCA; (b) DCA has omitted a step or failed to make a decision or finding required by HUD regulations at 24 CFR Part 58; (c) the grant recipient has committed funds or incurred costs or undertaken activities not authorized by 24 CFR Part 58 before approval of a release of funds by HUD; or (d) another Federal agency, acting pursuant to 40 CFR Part 1504, has submitted a written finding that the project is unsatisfactory from the standpoint of environmental quality. Objections must be prepared and submitted in accordance with the required procedures (24 CFR Part 58.76) and shall be addressed to Tennille Smith Parker, DRS,
