The undersigned, (hereinafter "Applicant") hereby unconditionally authorizes the New Jersey Department of Environmental Protection ("NJDEP"), the New Jersey Department of Community Affairs ("NJDCa") and State of New Jersey – Environmental and Historic Preservation Review contractors, and their respective assigns, employees, agents, and contractors (collectively, the Superstorm Sandy Blue Acres Buyout Program staff ("SBAB Program staff")) to have the right of access to enter onto the Property described above (hereinafter "the Property") for the purpose of performing property and environmental and historic preservation review inspections, taking sample materials for specialized testing, and/or for the purposes of participating in the Superstorm Sandy Blue Acres Buyout Program.

It is fully understood that this Right of Entry Permit ("ROE") does not create any obligation on the part of NJDEP, NJDCa or its contractors to perform inspections or undertake repairs to the Property.

Applicant understands and agrees:

1. No inspections will be performed until this ROE is completed in full.
2. Granting full access for the purpose of inspections to the NJDEP, NJDCa and their employees, agents, contractors and/or representatives onto the Property is a requirement of the Superstorm Sandy Blue Acres Buyout Program.

3. Environmental and historic preservation reviews are a requirement of federal Housing and Urban Development grant funding. Compliance with that funding requirement requires that NJDEP, NJDCA and its contractors be granted full access for the purpose of environmental and historic preservation inspection activities. Inspection activities will consist of external inspections of the Property. It will not be necessary to enter into the home.
4. *Inspections:* The ROE authorizes inspections of the Property and damaged home. Applicant understands that the NJDEP, NJDCA and its employees, agents, contractors and/or representatives, in their sole discretion, determine the extent of the required inspections for environmental and historic preservation reviews. Applicant understands that more than one (1) inspection may be required, and agrees to provide access for any subsequent or all inspections.
5. *Photos:* Applicant understands and authorizes the NJDEP, NJDCA and its contractors, and SBAB Program staff, their employees, agents, contractors and/or representatives to take photos of the property and damages.
6. *Sampling:* Applicant understands and authorizes the NJDEP, NJDCA and its contractors, and the SBAB Program staff and their inspectors to collect samples in accordance with the requirements of local, state, and federal authorities.
7. *Disclosures:* By signing this ROE, Applicant acknowledges that none, some, or all of the above mentioned work may be performed pursuant to this ROE and the Superstorm Sandy Blue Acres Buyout Program.
8. *Waiver and Hold Harmless:* The Applicant will indemnify and hold harmless, the NJDEP, NJDCA and its representatives, and SBAB Program staff for any and all liability, loss, damage, or destruction of any type whatsoever to the above described property or to personal property and fixtures situated thereon, or for bodily injury or death to persons on the property, and hereby releases, discharges and waives any and all liability, claims, demands, damages, injuries, losses, penalties, fines, costs, causes of action, judgments, expenses, as well as any and all actions, either legal or equitable, which the undersigned has, or that might arise, of any nature whatsoever and by whomever made, or may have, by reason of or incident to any action of aforesaid SBAB Program staff taken to accomplish the aforementioned purpose.
9. *Authority:* Applicant represents and warrants that Applicant has full power and authority to execute and fully perform Applicant's obligations under this ROE. If Applicant is an entity, Applicant also represents and warrants that Applicant has such power and authority pursuant to its governing instruments, without the need for any further action, and that the person(s) executing this ROE on behalf of Applicant are the duly designated agents of Applicant and are authorized to do so. Applicant expressly represents and warrants that fee title to the Property is vested solely in Applicant.
10. *Tools and Equipment:* All tools, equipment, and other property taken upon or placed upon the property by the SBAB Program shall remain the property of the SBAB Program staff and may be removed by the SBAB Program staff at any time within a reasonable period during this ROE, if necessary.

11. *Information Sharing:* Information is collected to make it possible for the NJDEP, NJDCA and SBAB Program staff, their employees, agents, contractors and/or representatives to enter onto Applicant's property and inspect. Information submitted will be shared with other government agencies (Federal, State and City), their contractors, subcontractors and employees, as well as with vested agencies performing inspections for official use only in accordance with the purposes stated in this ROE.

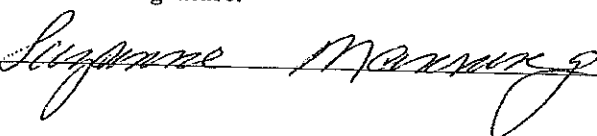

To cancel this Right of Entry Permit and Release of Information, I understand the cancellation must be signed by the Applicant and provided in writing to the SBAB Program staff. Phone-in and verbal cancellations will not be accepted.

By cancelling this form, the Applicant acknowledges that inspections may not be performed by the SBAB Program staff and their respective assigns, employees, agents, and contractors.
