

## COMBINED PUBLIC NOTICE

### NOTICE OF INTENT TO REQUEST RELEASE OF FUNDS

#### MONMOUTH COUNTY

February 13, 2015

New Jersey Department of Community Affairs  
101 South Broad Street  
PO Box 800  
Trenton, NJ 08625-0800  
609-292-3647

This notice shall satisfy the procedural requirements for activities to be undertaken by the New Jersey Department of Community Affairs (DCA).

Per 24 CFR 58.33, the Notice of Intent to Request Release of Funds (NOI-RROF) will be published simultaneously with the submission of the Request of Release of Funds (RROF). The funds are needed on an emergency basis due to a declared disaster from the impacts of Superstorm Sandy, which made landfall on October 29, 2012. As a result, the comment periods for the NOI-RROF and RROF have been combined.

#### REQUEST FOR RELEASE OF FUNDS

On or about February 13, 2015, the DCA will submit a request to the U.S. Department of Housing and Urban Development (HUD) for the release of Federal funds under the Community Development Block Grant Program (CDBG) pursuant to the Disaster Relief (DR) Appropriations Act of 2013 (Public Law 113-2, approved January 29, 2013) for the Reconstruction, Rehabilitation, Elevation and Mitigation (RREM) Program. DCA expects to fund the project using approximately \$60,043.70 of RREM funds.

The following information pertains to this project:

**Project Title:** 11 Raritan Avenue, Unit 3  
**Location:** 11 Raritan Avenue, Unit 3, Keansburg, Monmouth County, NJ  
**Estimated Cost:** \$60,043.70  
**Project Description:** This proposed project involves the rehabilitation of a single residential unit (Unit 3) within a multifamily structure located at 11 Raritan Avenue in Keansburg, Monmouth County, New Jersey (Block 13, Lot 2.05\_C0003). The multifamily structure, built in 1989 according to property tax records, comprises 9 units, one of which was damaged as a result of Superstorm Sandy. The scope of work includes repair and replacement of appliances, cabinetry, doors, drywall, floor coverings, carpets, as well as electrical work, heat, vent, and air conditioning work, insulation, moisture protection, plumbing, and painting. The total

estimated cost of repair is \$60,043.70 and is considered minor rehabilitation as the cost of repair is less than 50 percent of the pre-disaster market value of the multifamily structure, \$623,000, as reported on tax records. Because the unit is located in a multifamily structure, the structure, and hence the residential unit subject to the proposed action, will not be elevated.

The activities are being funded under the RREM Program (CDBG-DR) under CDBG-DR B-13-DS-34-0001. The RREM Program is to assist homeowners in achieving safe and code-compliant housing that meets minimum property standards through rehabilitation, reconstruction, elevation and mitigation.

The Responsible Entity, DCA, has determined that the proposed project is Categorically Excluded SUBJECT to §58.5 authorities per 24 CFR 58.35(a)(4)(i). As such, a Statutory Checklist has been completed in order to determine whether the project is in compliance with the authorities cited at 24 CFR§50.4 and 58.5.

Additional project information is contained in the Environmental Review Record on file at the New Jersey Department of Community Affairs, Sandy Recovery Division, 101 South Broad Street, PO Box 800, Trenton, NJ 08625-0800. The record is available for review and may be examined or copied weekdays 9 A.M. to 5 P.M. or can be viewed online at <http://www.nj.gov/dca/divisions/sandyrecovery/review/>.

## PUBLIC COMMENTS

Any individual, group, or agency disagreeing with this determination or wishing to comment on these projects may submit written comments to Stacy Bonnaffons, Assistant Commissioner, Sandy Recovery Division, New Jersey Department of Community Affairs, 101 South Broad Street, PO Box 800, Trenton, NJ 08625-0800 or online at <http://www.nj.gov/dca/divisions/sandyrecovery/review/> and to Tennille Smith Parker, DRS, Acting Division Director, HUD, 451 Seventh Street SW, Washington, D.C. 20410. All comments received by February 13, 2015 will be considered by DCA. Comments should specify which Notice they are addressing.

## RELEASE OF FUNDS

DCA certifies (on or about February 13, 2015) to HUD that Richard E. Constable, III, in his capacity as Commissioner of DCA consents to accept the jurisdiction of the Federal Courts if an action is brought to enforce responsibilities in relation to the environmental review process and that these responsibilities have been satisfied. HUD's approval of the certification satisfies its responsibilities under the National Environmental Policy Act and related laws and authorities, and allows DCA to use Program funds.

## OBJECTIONS TO RELEASE OF FUNDS

HUD will accept objections to its release of funds and DCA's certification for a period of seven (7) days following the anticipated submission date or its actual receipt of the request (whichever is later) only if they are on one of the following bases: (a) the certification was not executed by the Certifying Officer of DCA; (b) DCA has omitted a step or failed to make a decision or finding required by HUD regulations at 24 CFR Part 58; (c) the grant recipient has committed funds or incurred costs not authorized by 24 CFR Part 58 before approval of a release of funds by HUD; or (d) another Federal agency, acting pursuant to 40 CFR Part 1504, has submitted a written finding that the project is unsatisfactory from the standpoint of environmental quality. Objections must be prepared and submitted in accordance with the required procedures (24 CFR Part 58) and shall be addressed to Tennille Smith Parker, DRS, Acting Division Director, HUD, 451 Seventh Street SW, Washington, D.C. 20410. Potential objectors should contact HUD to verify the actual last day of the objection period.
