

Request for Release of Funds and Certification

U.S. Department of Housing and Urban Development Office of Community Planning and Development

OMB No. 2506-0087
(exp. 07/31/2017)

This form is to be used by Responsible Entities and Recipients (as defined in 24 CFR 58.2) when requesting the release of funds, and requesting the authority to use such funds, for HUD programs identified by statutes that provide for the assumption of the environmental review responsibility by units of general local government and States. Public reporting burden for this collection of information is estimated to average 36 minutes per response, including the time for reviewing instructions, searching existing data sources, gathering and maintaining the data needed, and completing and reviewing the collection of information. This agency may not conduct or sponsor, and a person is not required to respond to, a collection of information unless that collection displays a valid OMB control number.

9. Program Activity(ies)/Project Name(s) <i>RRE0029262MF</i>	10. Location (Street address, city, county, State) <i>438 Highway 35 North, Unit 1102, Mantoloking (Brick Township), Ocean County, New Jersey</i>
---	--

11. Program Activity/Project Description
The proposed action involves the rehabilitation of a single residential unit (Unit 1102) within a multifamily structure (5 or more units) located at 438 Route 35 North, Mantoloking (Brick Township), Ocean County, New Jersey (Block 36, Lot 31_C1102). The multifamily residential structure, built in 1969, contains a total of 29 units and occupies approximately 0.21 acres (8,987 square feet) of land based on measurement of the building using the NJDEP ArcGIS Screening Tool. No elevation is proposed. The unit subject to the environmental review occupies approximately 0.0311 acres of land based on property tax records. The proposed activities to be completed include the application of anti-microbial agent to the foundation; adding batt insulation; moisture protection for the crawl space; rewiring the residence; adding rough plumbing including supply and waste lines; patching/repairing drywall; sealing, priming and painting of walls, ceilings and baseboards; repairing/replacing baseboards and plywood sheathing; removing carpet pad and carpet; installing new carpet pad and carpet; installing baseboard electric heater; removing and replacing greenboard; applying texture to drywall; removing and replacing vinyl flooring covering, cabinetry, and countertop; detaching and resetting the electric range, refrigerator, kitchen sink, gas dryer, washing machine, vanity, water heater, and furnace; repairing and/or replacing the breaker panel, circuit breaker, toilet, toilet flange, fiberglass tub and shower combination, and tub/shower faucet; adding a toilet seat, interior door knobs and combination carbon dioxide/smoke detector, ground fault interrupter, bathroom ventilation fan, and interior door unit; and painting the door slab and door/window trim and jamb. The total estimated cost of the proposed work is \$36,069.09. Repairs reported to have been completed since October 29, 2012, include remediation to remove mold, debris removal, interior repairs (replacement of sheetrock, bathroom cabinets and flooring and painting of all rooms), electrical repairs (replacement of air conditioning unit), plumbing repairs (hot water heater), and replacement of the refrigerator and stove. The total estimated cost of these repairs is \$22,301.31. The total estimated cost of repair (proposed activities and completed repairs) is \$58,370.40 and is considered minor rehabilitation (not substantially damaged) as the cost of repair is less than 50 percent of the pre-disaster market value of the entire structure, \$1,506,800.00, as reported on tax records.

Part 2. Environmental Certification (to be completed by responsible entity)

With reference to the above Program Activity(ies)/Project(s), I, the undersigned officer of the responsible entity, certify that:

1. The responsible entity has fully carried out its responsibilities for environmental review, decision-making and action pertaining to the project(s) named above.
2. The responsible entity has assumed responsibility for and complied with and will continue to comply with, the National Environmental Policy Act of 1969, as amended, and the environmental procedures, permit requirements and statutory obligations of the laws cited in 24 CFR 58.5; and also agrees to comply with the authorities in 24 CFR 58.6 and applicable State and local laws.
3. The responsible entity has assumed responsibility for and complied with and will continue to comply with Section 106 of the National Historic Preservation Act, and its implementing regulations 36 CFR 800, including consultation with the State Historic Preservation Officer, Indian tribes and Native Hawaiian organizations, and the public.
4. After considering the type and degree of environmental effects identified by the environmental review completed for the proposed project described in Part 1 of this request, I have found that the proposal did ☐ did not ☒ require the preparation and dissemination of an environmental impact statement.
5. The responsible entity has disseminated and/or published in the manner prescribed by 24 CFR 58.43 and 58.55 a notice to the public in accordance with 24 CFR 58.70 and as evidenced by the attached copy (copies) or evidence of posting and mailing procedure.
6. The dates for all statutory and regulatory time periods for review, comment or other action are in compliance with procedures and requirements of 24 CFR Part 58.
7. In accordance with 24 CFR 58.71(b), the responsible entity will advise the recipient (if different from the responsible entity) of any special environmental conditions that must be adhered to in carrying out the project.

As the duly designated certifying official of the responsible entity, I also certify that:

8. I am authorized to and do consent to assume the status of Federal official under the National Environmental Policy Act of 1969 and each provision of law designated in the 24 CFR 58.5 list of NEPA-related authorities insofar as the provisions of these laws apply to the HUD responsibilities for environmental review, decision-making and action that have been assumed by the responsible entity.
9. I am authorized to and do accept, on behalf of the recipient personally, the jurisdiction of the Federal courts for the enforcement of all these responsibilities, in my capacity as certifying officer of the responsible entity.
