Good news-

I just received approval from DCA (Larry Johnson) to task the five applications listed below. I reached out to him this morning and asked about the MF's again and RRE0003029 (Tuckerton) so hopefully we will have an update on this application soon. For the applications below I checked SIROMS for the ISI documents for LMI0002088 and they are not yet available but I have attached the ISI documents for RRE0010909. Let me know if I can assist with anything. Glad to have some of these moving.

Tim

1. LMI0002088 - In addition to obtaining permission for CEST tasking we are also on the lookout for the ISI documents. I checked SIROMS this morning and they are not available at this time.
2. RRE0010709 – ISI documents are available in ERMS
3. RRE0022743 - 11/6/15 - ISI documents were available in SIROMS and sent to ICF so once we receive approval to task, it's ready to go.
4. RRE0016862R - 11/6/15 - ISI documents were available in SIROMS and sent to ICF so once we receive approval to task, it's ready to go
5. RRE0018784R – 12/14/15 - ISI documents were available in SIROMS and sent to ICF so once we receive approval to task, it's ready to go

Larry-

With Tonalee's retirement date looming ever so close, she is slowly passing her duties off. We have five multi-family applications that are awaiting permission to be tasked as a CEST. The applications are listed below. Please let me know if you need any additional information.

Thanks
Tim Davis

Hi Larry,

These RREM applications are multi-family and need to have CEST reviews. Can we proceed?
