Property Description:	Information provided by online sources indicates the structure was built in 1940. The building is a two story, frame multi-family residence. It is topped by a flat roof with parapet wall. The resource is clad in brick which extends down to grade. The fenestration pattern appears unaltered; however the windows are modern, vinyl replacements. The residence does not contain any distinctive characteristics that would make it eligible for listing on the NRHP. The lot it sits on is 0.18 acres.
