Morgan

Neither of these projects would require Flood Hazard Area permits from the state. The streetlight work is within a tidal floodplain but it would meet Flood Hazard Area Permit by Rule 7:13-7.2(b)6. The dock rehabilitation is covered primarily under the Waterfront Development provisions. We don't require dock structures to get Flood Hazard Area permits.

Hi Ryan,

Here is the information for the two sites I'm working on now. Maps and the project applications are attached.

Thanks and let me know if you need anything else to review!

Hi Colleen,

We are one of the EAF contractors for the CDBG-DR programs and I have a few sites where we will need a JD regarding coastal permits. The project application, maps using the mapping tool of the two projects in question are attached, and information is below. Please let me know if you need any further information.

Thank you!

NCR38952:

Asbury Park, Monmouth County
Block 4501, Lot 1.01
Boardwalk/Ocean Ave
Project description: Installation of replacement lighting

SBL38840 (aka C-Lyn)

West Wildwood Borough, Cape May County
Block 100.03, Lot 3.022
226 "Q" Avenue
Project description: Rehabilitation of docks, pilings, etc.
