Good Afternoon Mr. Anderson,

We are conducting an environmental assessment on behalf of the New Jersey Economic Development Authority for a CDBG Disaster Grant – Neighborhood and Community Revitalization application under the Hurricane Sandy Disaster Recovery Program. This project consists of repairs and new improvements to a public facility with no change in land use, consisting of 47.87 acres located at the City of Perth Amboy Marina and beachfront (attached is a site location map). I've also attached the Floodplain Map associated with the project, as well as a document of the locations of the proposed new improvements.

The proposed action site is partially located within a Zone A and partially within a Zone V. We are requesting Jurisdictional Determination to determine if the projects require a Flood Hazard Area Control Act permit.

App ID	App Name	Construction Type	Floodplain	County	Municipality	Block	Lot	Street Address
NCR39567	City of Perth Amboy	Repairs and New Improvements to a Public Facility	Zones A and V	Middlesex	Perth Amboy	Multiple sites see attached	Multiple sites see attached	Perth Amboy Beach, Perth Amboy City, NJ 08861

If you should have any problems or need further assistance in obtaining information, please do not hesitate to contact me.

Due to the urgency of this matter, please review and respond at your earliest convenience.
