This Notice is related to Federal assistance provided in response to the Presidentially-declared disaster, Superstorm Sandy. This notice shall satisfy two separate but related procedural requirements for activities to be undertaken by New Jersey Department of Community Affairs (DCA).

Per 24 CFR 58.33, the combined Notice of Finding of No Significant Impact (FONSI) and Notice of Intent to Request Release of Funds (NOI-RROF) will be published simultaneously with the submission of the RROF. The funds are needed on an emergency basis due to a declared disaster from the impacts of Superstorm Sandy, which made landfall on October 29, 2012. As a result, the comment periods for the FONSI and NOI-RROF have been combined. Commenters may submit comments to DCA and objections to the U.S. Department of Housing and Urban Development (HUD) to ensure they will receive full consideration.
