CEMEX

0906_2154_30

300 Thomas McGovern Dr., Jersey City, NJ

Property is owned by Liberty Park LLC., Cemex owns and operates the 6 fly ash storage silos. 5 silos have a capacity of 120 tons, 1 has a capacity of 96 tons. The 96 ton capacity silo is currently not operational. Fly ash is a very fine powdery material composed mostly of silica. There is a potential for a dust explosion.

The silo circled in the photo on the right below is on the adjacent property owned by NJDEP and is no longer operational.
