Hello Jerri,

Thanks for sending this correspondence to us.

I would agree that if DEP is in concurrence with affirmation from the applicant then the asbestos issue is satisfied.

Thanks, Theresa

Follow up on asbestos from Ms. Hershey. I think with this message we can conclude the asbestos issue. Do you agree?

Hi Pat,

Per a discussion with DEP the contractor indicated that a visual inspection does not show any asbestos containing materials. Can you please confirm if you hired anyone to remediate asbestos containing materials during the rebuilding stage? If so, we will need all files and documentation on the work completed. This will help DEP conclude compliance requirements on asbestos.

Thanks
