Mr. Mullins,
Thank you very much for the quick response! And, if you wouldn't mind confirming that City Municipal Utilities Authority is the company providing water service to the property?

Good Afternoon Mr. Mullins,

I was unable to reach you by phone, and thought it may be helpful to follow-up by email. As I mentioned in the voicemail message, we are conducting the environmental assessment for the Providence Seashore House (SBL39524), on behalf of the NJ Economic Development Authority. In order to properly document the review we are requested to list the company or companies that provide water and sewer service to the property. We contacted City Municipal Utilities Authority (MUA), and were informed they only provide water service. We were unable to identify a sewer service

company for that area. Could you please confirm that MUA is the correct water company and provide the name of the sewer service company?

Thank you in advance for your assistance in obtaining this information, we appreciate it.

Best Regards,

Karyn Harrison
